Distinguished Budget Presentation Award

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

**Nashville/Davidson County Metropolitan Government
Tennessee**

For the Fiscal Year Beginning

July 01, 2021

Christopher P. Morrell

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the Metropolitan Government of Nashville and Davidson County, Tennessee for its annual budget for the fiscal year July 1, 2021 to June 30, 2022 (FY 2021-22).

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The GFOA is the leading association for government finance professionals in North America. We first received the award for the fiscal year 1991-1992 book, and we have received it every year since. This year's was given for our *FY2022 Operating Budget* book. GFOA's Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting. The government also holds GFOA's Certificate of Achievement for Excellence in Financial Reporting for our Comprehensive Annual Financial Report.

How to Use this Book

Format and Organization of this Book

As the previous Table of Contents demonstrates, this book divides budget information into different sections, each with its own series of page numbers.

Section A is the Executive Summary of the budget, followed by supplemental information about Metro, its organization, finances, and budget.

Section B is the Budget Ordinance and Tax Levy filed as required by Metro Code.

Section C is the Internal Services section which details the individual internal service charges by type for each department. It also contains the methodology for calculating each internal service charge.

Sections D-J present more descriptive operational and budget information about each department (board, commission, or elected office). These departments are grouped by function into each section.

Section K presents the program budgets for each department in the same order as Sections D-J.

All departments included in this book have a uniform format. Each department's budget is presented in a program-based format that provides the reader with a wealth of information, not only about the department's budget, but also about its mission, goals and performance toward providing the very best results possible for citizens.

The following pages provide an example and explanation of each part of the agency budget book pages.

Format and Organization of the Department Pages

Sections D-J of this book contains information at the department level about the:

Mission – Every department's budget pages include a mission statement. A mission statement is a clear, concise statement of purpose for the entire department that focuses on broad, yet distinct results that will be achieved. This statement answers the question, "*Why does this department exist?*"

Budget summary – Following the mission statement is a table that summarizes the department's financial information for all its annually budgeted funds. It also includes the location of the department as well as the top managers who can explain the budget. This table also contains *per capita* expenditure information at the department level.

Organizational structure – The organization chart shows major department units (divisions/bureaus, etc.) and how they report to the department's director, elected official or board.

Listing of the programs and lines of business – In addition to the organization chart, these pages also include a listing of the lines of business (**in bold**) and programs.

Budget highlights – Budget highlights summarize changes between the FY22 and FY23 budgets. Changes in funding and FTEs are noted, along with the impact of that funding change on performance.

Financial – This table includes a difference column and a % change column for each expenditure listed. At the bottom of the financial page is the *per capita* expenditure information for the department.

FTE information – The FTE information found at the end of each department's information presents the budgeted headcount and full-time equivalent (FTE) position information by fund and classification, along with the class number and pay grade.

Budget and performance information by program – Each program listed includes a statement of purpose – a "mini-mission" as well as a table that presents the budget; full-time equivalent (FTE) positions by fund type (GSD General, USD General, and other Special Purpose Funds). This presentation is designed to consistently present budgetary and performance information in a format that is easy to read.

The table for each program also includes a difference column and % change column. These two columns show the difference in the budget and performance from FY22 – FY23.

Examples are provided following the How to Read Budget Book Financial Schedules and Financial Pages.

How to Read Budget Book Financial Schedules (Revenue and Expenditure Object Groups)

The Chart of Accounts

The budget is organized according to Metro's chart of accounts – the financial accounting and coding structure used in both the budget ordinance and this book. The chart of accounts is composed of funds, business units (BUs), and object accounts.

Funds are accounting entities with their own assets, liabilities, equity, revenues, and expenditures, for certain specific activities or to accomplish definite objectives. Funds may involve many agencies. Legal requirements or financial policies usually restrict our ability to move money between funds, so we cannot necessarily replace or fund operations in one fund with money from another fund. Likewise, in special purpose funds, we often cannot move money from one department to another.

Each fund is made up of one or more **business units** (BUs). BUs are the lowest levels at which we manage and/or report separate financial data; they represent an organizational unit, program, or activity within an agency and fund. A fund may have several BUs, but each BU is associated with only one fund. BUs can also be grouped by **agency**. In departments with strategic business plans, related BUs also form **programs** and **lines of business** that may cross funds.

Object accounts represent individual types and sources of revenues or uses of expenditures.

The Finance Department maintains detailed financial information by fund, business unit, and object account. However, this book presents the budget at a more understandable level by agency, fund (or groups of minor funds), and object group.

Changes in Presentation

Changes in reporting requirements have caused many Transfers to Component Units (certain Metro agencies) to be now classified as Other Expenses. In FY 2005, the Finance Department split the General Government Grants Fund into individual departmental grants funds; these were and are classified as special purpose (specifically, special revenue) funds.

How to Read the Financial Pages

Each agency's financial page presents a summary of revenues and expenditures for the department's operations in one of three fund types:

- The GSD General Fund,
- The USD General Fund, and
- Special Purpose funds (the combined total of annually budgeted enterprise, internal service, special revenue, and similar funds, although that money may not be interchangeable).

The top half of the page presents uses of money – expenses, expenditures, and transfers to other funds and component units of the government. The bottom half presents sources of money – revenues and transfers from other funds.

The difference between total expenditures and program revenues indicates how much the agency's programs depend on public money.

The remainder of this page and the next page describe, in order, what is represented by the rows of the expenditure and revenue financial tables.

Operating Expense

Personal Services – Salaries and wages (regular, holiday, injured on duty, leave, longevity, shift differential, out of class pay, open range increases, overtime, and perfect attendance); fringe benefits (auto allowance, dental, group health, group life, social security, pension, and FSA pre-tax savings); and per diem and other fees (instructors, court reporter, game official, jury pay, legislative delegate, other per diem fees, poll workers, and witness fees)

Other Services

Utilities – Electricity, gas, water, cable television

Professional and Purchased Services – Accounting, appraisals, architectural, auditing, demolition, dialysis, engineering, facilities management, investigators, laboratory, landscaping, legal, management and software consultants, project administration and management, subcontractors, administrative services, archiving, billing, bottled water, care of persons and animals, chipper service, collections, disposal, recycling, flight service, food preparation, grounds maintenance, hazardous waste disposal, health services, internet services, interpreters, janitorial, laundry, meter reading, other purchased services, personal contract service, pest control, property protection, recycling, sweeping, and towing

Travel, Tuition, and Dues – Local and out-of-town travel, parking, memberships, registration, and tuition

Communications – Pagers, postage and delivery, telephones, and subscriptions

Repairs & Maintenance Services – Repairs to and maintenance of vehicles, buildings, computers, office equipment, roads & streets; electrical, mechanical & plumbing systems; and other items

How to Use this Book

Internal Service Fees – Payments to Metro internal service funds for facilities management, information systems, fleet management, postal service, and radio shop

Other Expenses

Supplies and materials (various parts and supplies, fuel, books, clothing, computer hardware and software, food and ice, furniture, paint, repair & maintenance parts and supplies, signs, uniforms); miscellaneous other expenses and payments (bad debt, council reimbursements, court costs, damages and small claims, parking violation fees, refund errors); fixed charges (bank fees, deferred compensation payments, finance charges, fixed charges, insurance, interest expense, investment fees, rent, surety bonds); licenses, permits, and fees (alarm permits, auto emission tests, beer permits, driver's license, drug tests, elevator permits, food service permits, hazardous waste permits, notary, pharmacy license, software licenses, state water quality permits, underground tank fees, vehicle registrations, water pollution fees); taxes paid by Metro agencies (business, demolition, nursing home, personalty, professional privilege, and sales taxes); and grant contributions and awards made by Metro agencies to others (contract performance bonus, contributions and grants, employee awards, training stipend); printing, advertising, promotion, amortization expense, arbitrage rebate, bond sale expense, compensation for damages, debt service, dental claims, depreciation, discount on bonds, educational programs, health claims, interest expense, pension, principal retirement, buildings, building improvements, capital outlay, computer equipment, furniture and fixtures, infrastructure, land, machinery, motor vehicles, budget allotment offset, budget intra-fund transfer,

Transfers to Other Funds/Units – Transfers and subsidies to other agencies, funds, debt service, environmental remediation, local grant match, and operational transfers

Program Revenue - Fees, charges, grants, and contributions specifically generated by or for services that the department provides. They are intended to fully or partially fund the specific program, and so reduce the net cost of the program to be financed from the government's general revenues. They may be generated either from the program's customers (like user fees) or from outside parties (like grants).

Charges, Commissions, and Fees – Charges and fees to customers made by Metro agencies for the services they provide, including enterprise fund charges, internal service fund charges, admissions, advertising, ambulance fees, appeals, concessions, data processing fee, day care service, disposal fee, drug testing, dumping, engineering fee, entry fees, external source recovery, fire hydrant inspection, golf cart rental, green fees, immunization fees, legal services, lobbyist registration, maps, Medical Examiner fees, medical services, membership fees, client reimbursements, parking, Police secondary employment, publications, radio repair, vehicle emission test fees, workshop fees, and court, court clerk, and elected officials' commissions and fees

Federal (Direct and Pass Through) – Grants, revenues, and reimbursements that Metro receives directly from the Federal government such as Department of Justice revenue sharing, Medicare, SSI reimbursements, and other federal grants, Federal grants, revenues, and reimbursements that Metro receives through the state, such as most Medicaid/TennCare, Federal grants, revenues, and reimbursements that Metro receives other than federal direct or federal through state, including some Medicaid/TennCare and Medicare

State Direct – Revenues from grants, revenues, reimbursements, and state-shared revenues that Metro receives from the state, such as alcoholic beverage tax apportionment, drug enforcement, education appropriation, excise tax allocation, felony forfeitures, gas and fuel tax, gas inspection fees, post-mortem reimbursements, and Metro's share of the state sales tax levy

Other Government Agencies – Revenues from agencies of other governmental units

Other Program Revenue – Cash contributions from groups or individuals, sale of donated property, cost reimbursement, litigation settlement, premium for property loss, premium for self-insured liability, recycling rebate, sales of miscellaneous items, unapplied deposit, unclaimed property, vending revenue, bond proceeds, contributions of capital, easement rights, finance charges, Metro Investment Pool interest, notes proceeds, premium on bonds

Non-Program Revenue – Revenues that are recorded by the accounting system in the department's business units but are not intended to support the department's programs. This includes:

Property Taxes – Real, personal, and public utility *ad valorem* taxes and payments in lieu of them.

Local Option Sales Tax – Local option sales taxes, Tennessee telecommunication sales tax

Other Taxes, Licenses, and Permits – Alarm permits, alcoholic beverage tax, beer permits, building and excavation permits, business tax, taxicab and wrecker license, franchises, hotel occupancy tax, marriage license, motor vehicle license, obstruction and street closure permits, sidewalk and right-of-way permits, solicitation permits, wholesale liquor tax

Fines, Forfeits, and Penalties – Civil fines, confiscated cash, court-ordered restitutions, recovered judgments, litigation tax, Metro court fines and costs, offender program income, traffic violation and DUI fines, vehicle tow-in fees, warrant fees

Compensation From Property – Abandoned vehicle auction, gain (loss) on sale of property, insurance, and external source recovery, rent, subrogation recovery

Transfers from Other Funds/Units – Capital improvement plan, Council appropriations, debt service, environmental remediation, equity transfers between funds, Farmers' Market subsidy, hospital subsidies, legal services, local match for grants, Police service, school program.

Department Name-At a Glance

Each department's budget pages include the department's **mission statement**.

Mission To provide financial management, information, and business products to policy makers, departments, agencies, investors, and the Nashville community so they can have confidence in Metro Government, make informed decisions, and achieve their results.

Budget Summary

Expenditures and Transfers:

The mission statement is followed by a **summary table** that summarizes the agency's financial budget for all of its annually budgeted funds as well as information about the number of positions within the department.

The end of this financial table includes information about the **Expenditures Per Capita** for the department. The *per capita* number is taken from population obtained from the Census Bureau. Due to delays in reporting data, we use Census information that is two years prior to the fiscal year. Census data from 2021 was used for FY23, 2020 was used for FY22, and Census Data from 2019 was used for FY21.

Strategic Resource Allocation and Management Line of Business

The purpose of the Strategic Resource Allocation and Management Line of Business is to provide knowledge, planning, advisory and consultation products to Metro departments and agencies, policymakers and the Nashville community and investors so they can make better informed decisions and have confidence that Metro is using public resources in the most effective and efficient way possible.

Budget Planning and Management Program

The purpose of the Budget Planning and Management Program is to provide information to the Mayor, Council, and Metro departments and agencies so they can make better informed decisions and to assist departments in effectively developing and managing their budgets.

Each program includes a purpose statement that describes what the program provides to its customers.

METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY

JOHN COOPER
MAYOR

OFFICE OF THE MAYOR
METROPOLITAN COURTHOUSE
NASHVILLE, TENNESSEE 37201
PHONE: (615) 862-6000
EMAIL: mayor@nashville.gov

Fellow Nashvillians,

In my first year as Mayor, I presented the Metro Council a “crisis budget” as we dealt with the first wave of the pandemic, on the heels of a tornado that ripped through neighborhoods from North Nashville to Hermitage.

Already on shaky financial footing thanks to years of spending down reserves, the pandemic threatened to bring Nashville to its knees. We were facing the greatest set of challenges in Nashville’s history. We believed we would get through them and be a stronger city on the other side. We did. And we are.

Twelve months later, I developed an “investment budget” aimed at driving Nashville’s economic rebound coming out of the worst health crisis in our nation’s history.

This year, I present a budget for full recovery. This is our opportunity to invest in fundamentals, fix what has been broken, and repair a generation of problems that have been handed down.

At the centerpiece of this budget is my Agenda for Neighborhoods and Families, a series of smart investments and unprecedented resources to address the most critical issues facing our city, which include: investing in our children’s future through education; keeping our neighborhoods safe; building and preserving affordable housing; addressing homelessness; improving our city’s fundamental services and transportation infrastructure; and creating a greener, more sustainable city.

Some of those investments include an unprecedented investment in education, funding paid family leave for the first time ever for MNPS employees and hiring 157 new emergency response personnel to bolster community safety.

The Nashville we know and love is a city rooted in our neighborhood and in our families. That means that as we grow, we must do so in a way that works for every neighborhood, and make sure no one gets left behind. That requires investing alongside our growth and innovating to keep pace with the challenges presented by our growth.

Great schools, clean streets, safe neighborhoods, reliable city services and sound city finances, affordable housing, world-class parks and live-work-play communities to raise a family in. That is Nashville, Tennessee.

That is our vision.

I’m looking forward to working with all of you to make that vision a reality.

Sincerely,

A handwritten signature in blue ink that reads "John Cooper".

John Cooper
Mayor
Metropolitan Government of Nashville and Davidson County

Executive Summary

Introduction

The 2023 Fiscal Year Operating Budget was developed in a different environment than the FY 2021 and FY 2022 Operating Budgets. Those budgets were developed during dramatic health and economic uncertainty due to the COVID-19 Pandemic and multiple natural disasters that struck the county.

The FY 2023 budget represents a full recovery from these tumultuous years and places the government on firm financial footing for the future.

Core trends regarding revenue, spending, debt, cash & fund balances, and other post-employment benefit liabilities are favorable. The recommended FY 2023 Operating Budget reflects the recent history and looks forward to continuous improvement in services offered by the government.

The summary and the remainder of this book present the Metropolitan Government's balanced \$2.966 billion operating budget for FY 2023. Tax supported funds balance as required, and total revenues equal total expenditures.

Budget Approach

Since the onset of the pandemic, Metro has operated in an economic environment filled with uncertainties. Initially, this came in the form of unprecedented economic disruption, hastened by the spread of the disease, as public health orders were enacted both nationwide and locally. Next, unknowns related to vaccine development, vaccine adoption rates, fiscal and monetary policy response, the threat of additional waves and disagreement among many economists on recovery timelines took centerstage. Ultimately, FY 2022's recovery occurred faster than anticipated, driven by strong consumer savings, pent-up demand and higher prices.

Despite many of Metro's revenues returning to pre-pandemic levels in FY 2022, growth in FY 2023 is expected to slow as economic headwinds present a new set of potential challenges for Metro. GDP contracted 1.4% in the first quarter of 2022, for the first time since early 2014, outside of the slowdown at the start of the pandemic. Interest rates are expected to continue to climb, as the Federal Reserve looks to combat inflation levels that are at a 40-year high. Ongoing supply chain issues tied to COVID pandemic and the war in Ukraine persist. These and other influences are contributing to the looming threat of a potential recession. FY 2023's recommended revenues are mindful of potential downside exposure.

These projected revenues are recommended to fund continued fiscal stability as well as pursue additional investments that will improve the quality of life for all Nashvillians.

At the beginning of each budget cycle, main priorities for investments are outlined for departments and agencies to build the budget. The main priorities outlined for FY 2023 are:

- Investment in Key Recovery Priorities
- Sustain and Further Neighborhood Infrastructure.

After several years of restrained growth within departmental and agency budgets, the FY 2023 budget allocates financial resources and personnel towards improving the neighborhoods in which Nashvillians live, work, and play.

Executive Summary

Budget Priorities

Invest in Key Recovery Priorities

Metro Government & MNPS Fiscal Sustainability and Strengthening

It continues to be our primary charge to deliver a structurally balanced budget. This includes matching recurring expenses with recurring revenues and maintaining fund balances at least at minimum policy level. The FY 2023 budget includes neutral fund balance projections, indicating neither use of nor building of fund balances. Policy required minimum balances of 5% of budgeted expenditures is achieved. While a large increase over recent history is represented here, this fund balance projection is still slightly below recommended best practices and do not represent excess.

Fund Balance				
(in millions)	FY2021 Year Amount	FY2022 Projected	FY2023 Projected	FY2022-2023 Variance
GSD	\$251.6	\$301.0	\$301.0	\$0
GSD Debt	17.0	28.1	28.1	0
MNPS	113.8	202.9	202.9	0
MNPS Debt	18.6	65.6	65.6	0
USD	13.4	12.6	12.6	0
USD Debt	2.9	4.7	4.7	0
Total	\$417.3	\$614.9	\$614.9	\$0

A second key factor to fiscal sustainability is ensuring Metro's obligations on all outstanding debt, all debt service - including both principal and interest - is fully funded in this budget. This includes a planned issuance of additional bonds in order to take advantage of low interest rates. Additional details on Debt Service can be found beginning on page J-90-1.

Debt Service Budget

GSD Debt	\$225.1	\$269.7	\$44.6
MNPS Debt	115.9	120.8	4.9
USD Debt	19.0	20.3	1.3
Total	\$360.0	\$410.8	\$50.8

Executive Summary

Education

The FY 2023 Operating Budget will strengthen Nashville's public schools to provide a high-quality K-12 education for all students by increasing MNPS's Operating Budget for FY 2023 by \$91 million. The Operating Budget provides funding for the Board of Education's requested continuity budget, which was the minimum needed to maintain existing operations. Costs included in the continuity budget include increased fringe benefit costs, insurance premiums, and payments to charter schools.

Most importantly, the FY 2023 Operating Budget funds targeted investments in employee pay for support staff. The investment also funds steps and a 4% cost of living adjustment for all employees.

Upon Council approval, the Board of Education will approve the line item budget for MNPS.

MNPS Operating Budget FY2022	
Operating Funds	\$1,100,926,300
Property Tax Increment	8,076,200
Total Operating	\$1,109,002,500

Public Safety and Justice

The second key recovery priority of the FY 2023 Operating Budget is targeted investments in public safety and justice. These investments will help ensure community safety by meeting the needs of our first responders, reducing crime, and quickly responding to emergencies. What follows are selected highlights for the departments that support the public safety and justice system in Nashville.

FIRE AND EMS The Administration continues to focus on emergency services as Nashville's population grows. The Fire Department received 31 positions dedicated to improving the response time for fires and emergencies. Also, \$904 thousand was earmarked for our firefighters' continuing education. For Davidson County's Emergency Medical Services, \$3.5 million and 36 positions are recommended for 3 additional medic units to respond to the increased volume of medical calls and reduce response times. To supply the ambulance service and fire trucks with needed equipment, a \$1 million increase is recommended for the purchase of new boards, splints, and medical equipment.

The Fire Prevention Office received \$1.8 million and 13 FTEs for Fire Inspectors, Arson Investigators, and Administrative Staff.

Executive Summary

DEPARTMENT OF EMERGENCY COMMUNICATION Three million dollars and 40 positions are recommended to meet the national staffing standards relative to 9-1-1 call processing. Besides focusing on emergencies and nonemergency calls, Nashville 311 (hubNashville) has been transferred from Public Works to the Department of Emergency Communications. hubNashville is a comprehensive customer service system, that makes it easier for people to connect with Metro representatives to make service requests, ask questions, and share feedback.

SHERIFF'S OFFICE The Sheriff's Office is taking a hands-on approach to assist with staffing issues of security partners through directly hiring for vital security support needed throughout Metropolitan Nashville- Davidson County. With a \$1.8 million investment that includes an increase of 39 Full-time security guards and contractual increases, the Sheriff's Office will be able to meet the critical security needs for the Courthouses and Metro buildings throughout the County.

POLICE The Mayor's Proposed budget for FY 2023 continues funding of \$4.6 million for the new 9th Precinct with an additional 46 FTEs to complement the 40 FTEs already dedicated to this project. With an expected opening in FY 2024, more resources are expected to be deployed to ensure the 9th Precinct will be ready to serve the community without having to pull from other Precincts.

The deployment of the Body-Worn Camera program continues with an additional \$1.3 million commitment in this budget to provide an additional 4 Sworn FTEs and 5 technical FTEs to ensure timely processing of Body-Worn camera recordings.

To improve the efficacy of crime analysis, this budget proposes \$719 thousand to bring in 8 FTEs as professional experts on tactical, administrative, and strategic analysis to predict criminal trends with the goal of crime reduction and equitable dispersal of MNPd resources.

As the volume has more than doubled since 2008, this budget proposes \$219 thousand to the Property Room to bring in an additional 3 FTEs to reduce the processing backlog and bring the workload to a more manageable level.

Executive Summary

Sustain and Further Neighborhood Infrastructure

Transportation

Metro is in process of restructuring Public Works as a Department of Transportation to bring greater focus and accountability to how we connect our residents, businesses, schools, and neighborhoods. The goal is to ensure a high quality, multimodal transportation network while investing in existing and aging infrastructure.

PUBLIC WORKS/NDOT Nashville continues to move forward with establishing an official Nashville Department of Transportation and Multimodal Infrastructure pending a fall Charter referendum; in the meantime, investment and improvements are being made to vital transportation services. Forty-Five additional positions and \$6.9 million are being added to Public Works/NDOT in FY 2023. Investments are being made in both field services as well as planning and administrative services. In response to a growing litter problem along Metro maintained roadways, \$2.2 million is being invested to keep the right of ways free of pollution and safe for pedestrians.

To ensure compliance with standard guidelines and improve safety, \$1.4 million and 6 new positions are being added to the marking and sign maintenance program. Additional investments are being made in street sweeping, GIS mapping, sidewalk & pothole repair, and transportation licensing.

WeGo The Recommended Operating Budget includes \$62.6 million funding allotment for WeGo Public Transit services. The increase will help address significant fiscal pressure from rising fuel prices, operator turnover and supply chain issues. Additional investments will be directed to the Better Bus program providing better service for Nashvillians.

Neighborhoods

The FY 2023 Operating Budget makes strategic investment that will ensure we are getting the basics right to foster livable communities. Nashville is a vibrant city due to the unique character of its neighborhoods, where citizens deserve a healthy and vibrant community to live, work, and play. As such, this budget includes significant investment for expanded services in across the county.

PARKS AND RECREATION A \$4.8 million investment has been included in the recommended budget for Parks and Recreation. With the community expanding and more outdoor activities taking place, Parks and Recreation has seen a need in adding staff to meet community growth and demand. This funding will include 46.38 additional FTEs in various positions throughout Parks. Out of this funding, there are direct programs which will see an expansion: disABILITIES program (4.88 FTEs), a new Greenway Park Police bike unit (14 FTEs, Greenways & Open Space Division (5 FTEs), community centers (6.5 FTEs), and operational funding for the opening of Mill Ridge and Ravenwood parks (8 FTEs). Funding for positions and supplies has been included for routine maintenance, repairs to ensure aging facilities are being taken care of, continued safety, and the community is able to enjoy what every park has to offer. Funding includes an increase on facility operating costs for vegetation control, water costs, and pool chemicals.

Executive Summary

PUBLIC LIBRARY The Public Library has continued to see growth in expanding the services it provides to the community. Within this recommended budget, Public Library will receive \$3.7 million in investment funding. This funding includes 16.49 additional FTEs throughout the system. \$1.7 million of the funding will focus on the Nashville After Zone Alliance (NAZA) to ensure the summer program and student transportation needs are met. Funding will transfer services from Information Technology Services to Public Library for the Public Educational & Government Television Studio to continue. Four FTEs and \$238.7 thousand are recommended for Maintenance & Custodial Workers to ensure Nashville Public Libraries are being maintained, cleaned, and repaired as needed.

SOCIAL SERVICES Recognizing significant community needs, important investments are being made to address homelessness. The approach adds \$1.29 million and 28.4 new staff to include social service workers, nutrition staff, homeless outreach, and landlord engagements specialist. Social Services provides supportive services including case management, outreach, and improving access to disability and health care benefits. This approach will allow a coordinated increased outreach efforts and service delivery across four quadrants of the city for all citizens needing support.

CODES Significant investment of 31 FTEs and \$1.4 million is recommended to improve the development services offered by Codes; this includes inspectors, plans examiners, and administrative staff. As Nashville continues to grow, additional support to enforce property standards is needed; this budget recommends 4 additional FTEs and \$331.7 thousand to support the property standards division.

PLANNING As development continues across the city, additional investment in our Planning Department is essential to ensure sustainable growth. As such, 21 FTEs at a cost of \$2.6 million are recommended for planning activities. This includes designation of a Design Director/City Architect and a Development and Infrastructure Director. Additionally, nineteen additional neighborhood Planning positions are recommended to serve and lead planning project teams.

PUBLIC HEALTH A \$3.2 million investment for Public Health has been included in this budget. Within this investment, 19 additional FTEs will be added to Public Health. Direct programs that will see an expansion from investment funds are Partners in Care (PIC), Animal Care and Control, Violence Interruption Pilot, Food and Public Facilities, and the Air Pollution Division. The PIC expansion is the largest investment for Public Health, totaling nearly \$1.6 million. This expansion will add the Central and South precincts to the PIC pilot, which is currently at North and Hermitage precincts. The pilot provides immediate professional clinician services to individuals who are experiencing a mental health crisis. This includes 3 FTEs for staff support of the program. Six additional FTEs at a cost of \$341.3 thousand are recommended to improve services at Animal Care and Control.

Executive Summary

Affordable Housing

Key to maintaining vibrant communities in years ahead, is the support of building, funding, and the preserving of housing choices via implementation of recommendations from the Affordable Housing Task Force. The Operating Budget is just one of many methods for accomplishing this goal. Within the Recommended Operating Budget, the Barnes Fund is the primary funding source for affordable housing. The FY 2023 budget includes continuing existing momentum in the successful program, by contributing an additional \$15.0 million to the Fund in FY 2023. Additionally, to further housing planning efforts, two new positions are included for the Housing Division within the Planning Department at a cost of \$197 thousand. Two million dollars is recommended for implementation of additional housing

programs.

All budget priority highlights mentioned are the year over year changes from the FY 2022 operating budget and are detailed in the "Budget Changes and Impact Highlights" section of each department's narrative in this document. This information is also accessible online via the Citizens' Guide to the Budget at www.nashville.gov/citizens_budget.

FTE Adjustments

The table below illustrates changes in full-time equivalent (FTE) counts for FY 2021 through FY 2023 budget for positions funded by the general funds.

Building on the personnel increases in FY 2022, significant staff additions are being continued in FY 2023. These additional employees will better serve Nashvillians to ensure that quality services are received. While several departments received significant increases, the majority of the increases are driven by additional increases in the Public Safety Organizations: Department of Emergency Communications (42 FTEs), Fire & EMS (83.48 FTEs), Police (68 FTEs), and the Sheriff's Office (39 FTEs). In addition to the Public Safety staff increases, additional staff are recommended to improve the quality of life in Nashville's dynamic neighborhoods: Parks (46.38 FTEs), Codes (35 FTEs), and Public Works/NDOT (45 FTEs). Remaining FTE increases are targeted for positions that would result in direct improvement in existing services offered to the public or that would provide expanded or new services.

FTE by Fund Group				
	FY2021	FY2022	FY2023	FY2022-2023 Variance
GSD	6,708.69	7,171.27	7,657.59	486.32
USD	740.49	759.00	777.00	18.00
Total	7,449.18	7,930.27	8,434.59	504.32

Additional position details can be found with each department's pages as well as Appendix 1.

Revenues

The feasibility of any government's budget is always set by the availability of resources. Revenues and available fund balances must be able to support budgeted expenditures, and both the Metropolitan Charter and Tennessee Law prohibit deficit financing. The largest sources of revenue are property taxes and sales taxes, which are discussed below.

Executive Summary

Property Reappraisal

The Assessor's Office conducts a property reappraisal every four years under Tennessee state law, with FY 2022 serving as the most recent. The reappraisal estimates the value of all property in Davidson County. This is performed to periodically adjust recorded property assessments to generally reflect market values.

Exclusive of new construction, state law requires that this reappraisal be revenue neutral for local governments. This means that as the aggregate value of existing property changes, the tax rate must change as well to ensure that the local government receives the same amount of revenue. So, if the property in the county collectively increases in value, the actual property tax rate needs to drop so that the revenue collected remains the same. As was the case in 2017, 2021's (FY 2022) reappraisal resulted in nearly a \$1.00 decrease in the rate, as property values throughout Metro continued to climb. FY 2023's projected growth assumes a continuation of this trend, despite a slight decrease in the rate, the result of lower-than-expected appeals following last year's reappraisal.

Property Taxes

Property Tax Budget	
FY 2022	\$1,504.7M
FY 2023	1,606.3M
Change	\$101.6M

Property taxes are Metro's predominant, and most stable, source of revenue. FY 2023's projected increase is a combination of better than anticipated projected collections during FY 2022 and ongoing new development.

The combined USD-GSD rate is the total paid for property in the USD; property outside of the USD is taxed at the GSD rate. Residents of the satellite cities within Metro pay the GSD rate plus the rate set by that satellite city.

FY 2023 Recommended Property Tax Distribution (Rates per \$100 of Assessed Value)			
District	Fund	2022 Rate	2023 Rate
GSD (General Service District)	General	\$1.296	\$1.297

Executive Summary

History of Property Tax Rates (Shown by Fiscal Year)

Over the course of the last 50 years, as with any major city, Metro has seen changes in its property tax rate. The need to stabilize overall revenues, fund critical initiatives and weather economic downturns have each served as driving factors. COVID-19's occurrence, in the face of existing financial challenges, necessitated the most recent increase, which occurred in FY 2021.

Following FY 2022's rate decrease due to the reappraisal, FY 2023 estimates an additional, but lower, drop in the rate. This reduction reflects appeals related to the reappraisal being lower than anticipated, triggering a state-mandated corresponding rate decrease. FY 2023's Preliminary Certified Recapture Rate of \$3.252 marks the third lowest in Metro's history. This rate would also be \$1.00 less than the average rate over the previous quarter century and maintains Metro's highly competitive rate relative to other major cities in Tennessee

Major City/ County Tax Rates

Executive Summary

Local Option Sales Tax

Sales Tax Budget	
FY 2022	\$454.6M
FY 2023	592.9M
Change	\$138.3M

At the onset of the pandemic, the general consensus among economists apparent to us pointed to a prolonged recovery, one marred with concerns over virus containment and vaccine development. Several factors have contributed to a quicker than expected recovery of Local Option Sales Tax in FY 2022, chief among them, record federal stimulus, vaccine deployment, rising price levels and pent-up demand.

FY 2023's budget assumes continued source stability, albeit at a slower pace of growth given the changing economic landscape.

Federal, State and Other Revenues

Federal, State, & Other Gov't Agencies Budget	
FY 2022	\$415.4M
FY 2023	433.4M
Change	\$18.0M

Budgeted Federal, State and Other revenues are based on our best estimates of revenues from specific sources, to include state-shared revenues, reimbursements, and grants from various other organizations.

A return to normalcy for revenues such as State Sales Taxes (\$9.6M) and Excise Tax (\$4.2M), as well as increases in Cost Reimbursement from the State (\$3.2M), drive most of the category's increase.

Other Local Revenues

Other Revenues Budget	
FY 2022	\$271.7M
FY 2023	333.5M
Change	\$61.8M

Other local revenues include a variety of sources ranging from taxes, licenses and permits to revenues from services provided to the public. Transfers from other funds are also included in this category.

While revenues in this category generally reflect increased optimism following COVID's impact over the last two years, growth is primarily driven by: Alcohol Beverage Gross Receipts (\$24.9M); Hotel & STR

Occupancy Taxes (\$9.1M); Construction-related Permits (\$6.7M); Wholesale Beer Tax (\$5.0) and Commissions and Fees (\$4.2M).

Economic Trends

The resources available to Metro are directly and indirectly dependent on the strengths of the national and state economies. Given these relationships, the status of these economies and their expected impact on Metro's revenues are reviewed prior to setting funding levels.

Going back to the early days of the pandemic, the national and local economies have been increasingly fluid environments, marked by challenges that neither faced during the longest expansion on record prior to COVID-19's arrival. The pandemic's disruption resulted in economic volatility that occurred nearly overnight, as public health orders closed businesses and minimized nonessential activity. In one month's time, local unemployment went from a record low of 2.4% to 16.1% (April 2020), surpassing levels attained during the Great Recession, as businesses braced for the uncertainty ahead. It would take roughly a year for vaccines to become widely available and even longer for adoption rates to reach levels of disease containment. In that time, many of Metro's revenues fell considerably, some by as much as $\frac{3}{4}$, as tourism, a critical economic engine locally, was halted. The path to recovery has been uneven, as attempts to reopen businesses were met with spikes in case levels, and in response, public health mandates were reinstated.

Executive Summary

Waves of record-breaking federal stimulus have played a significant role in economic recovery. Five stimulus and relief packages, plus an additional supplemental package, have been signed into law since March of 2020. The largest, known as the CARES Act, is the largest single relief package in U.S. history, totaling \$2.3 trillion. The CARES Act provided a host of economic benefits, to include: direct cash payments to households, enhanced unemployment benefits, mortgage forbearance and a foreclosure moratorium, \$500 billion in government lending to private companies, another \$367 billion in loans and grants to small businesses, \$150 billion in grants to state and local governments, and other stimulus measures. This substantial infusion of cash into the economy has, in many ways, achieved its intended purpose; however, it has not come without potential consequence.

National GDP contracted an astounding 31.2% in Q2 2020, only to be followed up by expansion the following quarter at a rate of 33.8%, lending credence to the need for sizeable stimulus. However, economic performance since then may call into question the necessity for stimulus of the scope and magnitude deployed. Bolstered by stronger household balance sheets, the result of lower spending during the early stages of the pandemic met with direct stimulus payments, the national and local economies were firing on all cylinders heading into 2022. Pent up demand and higher prices have driven strong revenue collections across Metro, however, concerns of an economy possibly running too hot have since surfaced.

Ongoing supply chain issues, exacerbated by the war in Ukraine, and high demand have led to inflation levels that are at a 40-year high. To combat this, interest rates are expected to rise from near zero to 2.50% by the end of the year, with the Fed also planning to trim its balance sheet. Rising input costs and higher costs of capital have the potential to be passed along to consumers, contributing to higher prices. A pandemic shift in consumption patterns from service-oriented to goods-oriented, that is beginning to revert back to prepandemic norms, could mean less need to replace needle-moving purchases over the near term. With GDP falling 1.4% in Q1 2022, these and a confluence of other factors have heightened concerns of a potential recession going forward. Metro's efforts over the last few years to stabilize revenues through property taxes, seek out cost efficiencies and replenish cash and fund balances make it well positioned for a potential downturn.

Conclusion

Having weathered a challenging two fiscal years in FY 2021 and FY 2022, Metro looks forward to FY 2023 and continuing to serve its citizens with high quality services and programs while continuing to build upon a firm fiscal foundation.

Management, Goals and Performance

Metro Operations Management

The Metropolitan Government of Nashville, often referred to as “Metro” is a combined city and county government, where the typical functions of a city are combined with those of a county. Atypical of this form of government, Metro’s overall entity includes public schools, water utilities, major league sports venues, a hospital, elected official run organizations and numerous boards and commissions.

Being a large and unique organization, unity of command truly comes through consensus. The key parties that provide leadership to the organization are the Mayor, Metropolitan Council, Elected Officials, and Boards and Commission. Each party has a noteworthy role in the government operations.

Mayor’s Office

The mayor provides leadership for the government and influences decisions through significant budgetary and board appointment authority. Management oversight is advanced by the mayor through establishing a vision for the city and overarching goals, which are articulated as priority areas. The Mayor’s Office develops and implements policy and provides day to day management of the many key city functions.

Metropolitan Council

The Metropolitan Council (hereinafter the “Metro Council” or “Council”) is the legislative body for the Metropolitan Government. There are forty councilmembers including thirty-five district councilmembers and five at-large councilmembers. The vice mayor serves as the presiding officer of the Council. The role of the Council is to enact ordinances and resolutions that further public policy of the Metropolitan Government and to assist with constituent services for the residents of Nashville and Davidson County.

Elected Officials

Metro has numerous elected officials that provide significant community leadership and management of important governmental services. They manage the daily operations of their organizations, establish an organizational vision, set goals and manage performance. They are responsible for financial management with funding provided through the overall budget process as well as potentially from other sources.

Boards and Commissions

There are numerous boards and commissions that serve critical government roles. Several of these organizations appoint key executives that provide leadership to Metro operations. For example, the Civil Service Commission appoints the Metro’s Head of Human Resources, and the Social Services Commission appoints the Social Services Director. The Mayor and Council appoint select members of these boards and exercise a degree of influence with those appointments.

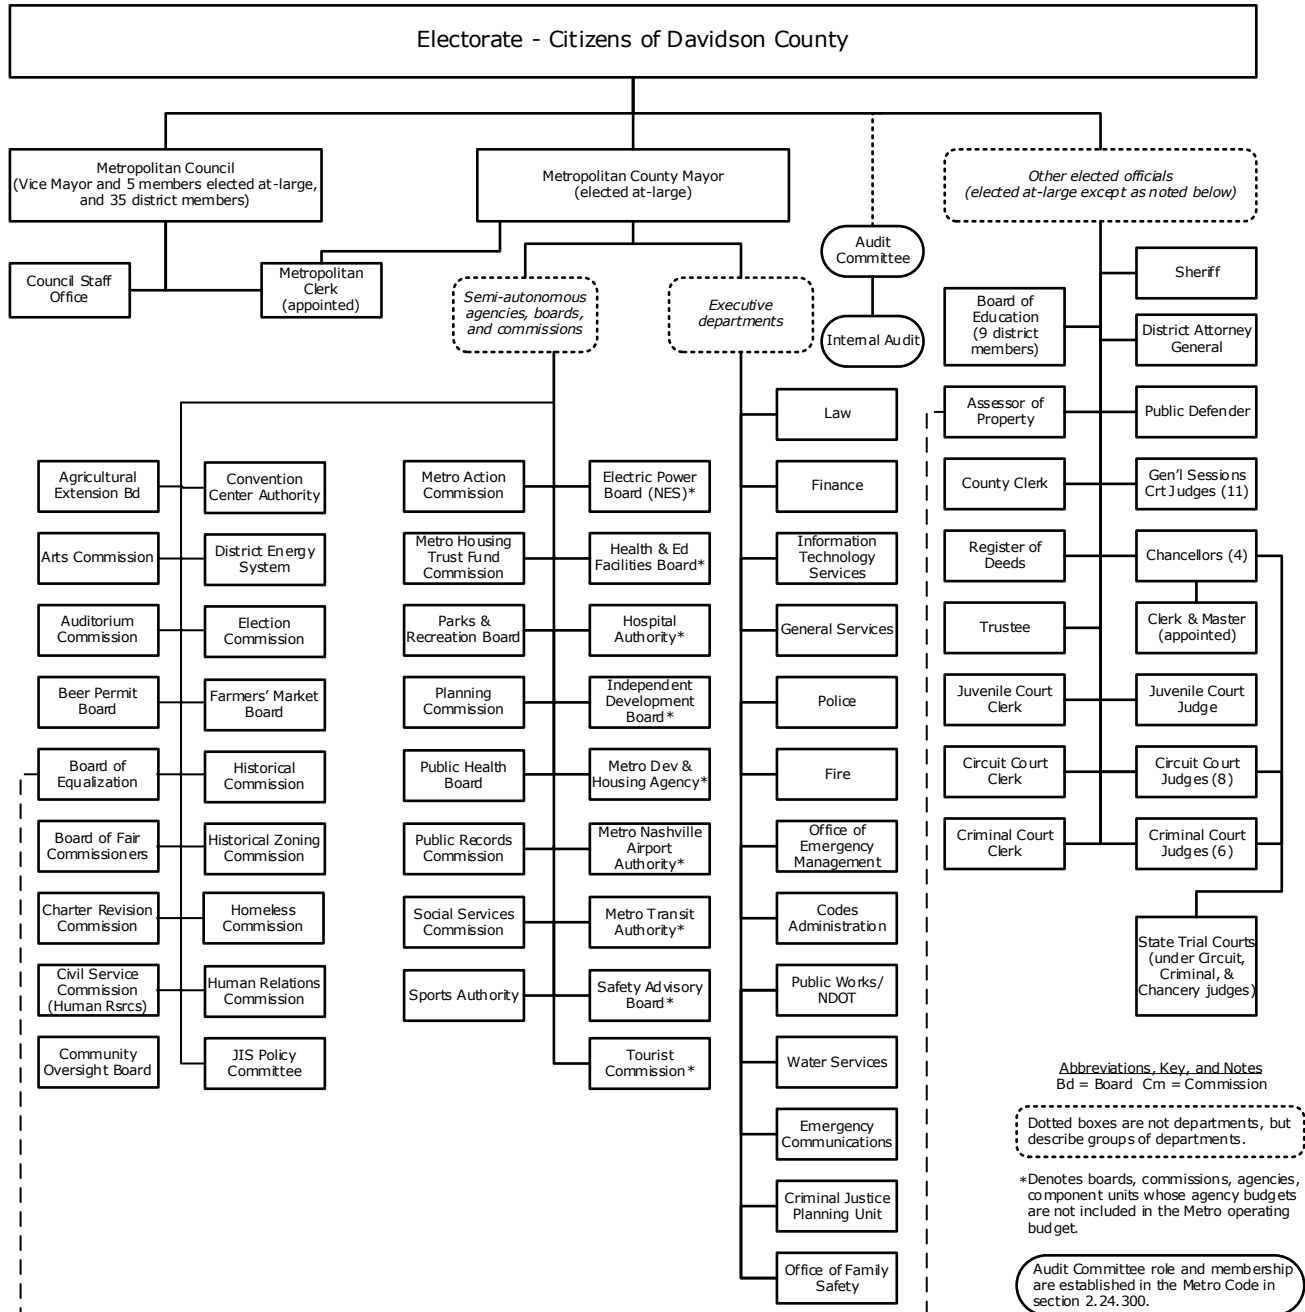

Management, Goals and Performance

Organization Structure

The following organization chart presents a high-level view of Metro's structure. The structure of each department is shown in that department's budget description, later in this book.

Metro has a "strong-mayor" form of government, in which the popularly elected mayor is the city's chief executive and is independent of the Council. Both the Mayor and Council are elected on a nonpartisan basis.

Within this framework, operations are conducted by executive departments (reporting to the Mayor), independent elected officials (including the elected Board of Education), and appointed boards, commissions, and agencies. The variety of elected officials, boards, and commissions facilitate citizen involvement in the government's operations.

Management, Goals and Performance

Strategic Goals: Mayoral and Metro Council Priorities

The Mayor and Metro Council are responsible for setting the annual operating budget. The mayor is required to propose a budget to council by May 1. The Council can modify the proposed budget. If the Council does not approve budget modifications by June 30, the Mayor’s budget takes effect. Both parties set priorities for guiding the budget process.

Mayoral Priority Setting Process

The mayor and members of the Executive Leadership Team (ELT) use a four-step process for setting priorities. Once the priority areas are established, initiatives that advance the priority area are developed, deployed and results are reviewed to ensure outcomes are being achieved. The figure below shows the four-step mayoral priority setting process.

Council Priority Setting Process

The Council sets priorities for the annual operating budget and capital improvements budget. The Council’s priorities are informed by several processes: through engagement with constituents through community meetings, public hearings and public comment periods, and individual constituent communication; through discussion and engagement with departments through the Council’s departmental budget hearings; and through public meetings of the body, including special committees, standing committees, Council meetings, and more formal prioritization activities such as the Council’s annual capital improvements prioritization process.

Mayoral Priorities

The mayor has set the following priorities which guide government operations and budget development.

Public Safety and Justice

Maintain and protect Metro Nashville’s quality of life.

Metro Nashville works to improve public safety by ensuring that police officers, fire fighters, and other emergency responders have the tools and resources necessary to keep the community safe by reducing crime and quickly responding to emergencies.

Neighborhoods and Community Engagement

Promote a healthy and vibrant community.

The purpose of the Office of Neighborhood and Community Engagement is to work strategically and intentionally with all residents to take steps toward improving local communities. This is achieved by protecting and enhancing Metro’s network of parks, libraries, and community centers, as well as preserving the vibrant arts, entertainment and music culture that has made Nashville an international destination.

Management, Goals and Performance

Transportation, Infrastructure, and Sustainability

Ensure a high-quality, multimodal transportation network and investing in existing and aging infrastructure.

Metro Nashville is focused on improving the infrastructure and ensuring a high-quality multimodal transportation network. Metro Nashville is addressing lagging infrastructure, preserving the region's natural resources, improving the transportation system, and expanding Metro parks to improve overall resident quality of life.

Effective and Sustainable Government

Ensure a responsive and transparent government by making a commitment to performance excellence.

By focusing on performance excellence, Metro departments are dedicated to providing efficient and effective services that maximizes taxpayer money and unlocks resources for priorities like education and infrastructure. Metro Nashville is dedicated to investing in long-term cost saving measures to create efficiency in local government.

Affordable Housing

Promote a housing strategy for Metro Nashville that invests in affordable housing and encourages a variety of housing choices.

Since its inception in 2013, the Barnes Housing Trust Fund has worked to create and preserve opportunities for affordable, fair housing. As our community continues to grow and housing needs expand, Metro Nashville is committed to leveraging the Barnes Fund to ensuring Nashville remains a home for everyone.

Education

Provide high-quality K-12 education for all students.

Metro Nashville is committed to strengthening Nashville's public schools, supporting our teachers, and ensuring all students from every neighborhood have access to high-quality educational experiences. This commitment includes an emphasis on teacher quality, school leadership, fair compensation, and an equitable working and learning environments for all. It also recognizes the importance of working with business and philanthropic partners to invest in cradle-to-career initiatives like early childhood education and pathways to living-wage careers and jobs.

Council Priorities

The Council's priorities include the adoption of an annual balanced operating budget, vetting, approval, and election of board and commission nominees, the debate, discussion, and approval of legislation offered by members of Council as well as by the mayor and by Metro departments, and assisting with constituent services for the residents of Nashville and Davidson County.

Budget Planning and Process - Diversity, Equity & Inclusion

Equity was a key priority for the 2023 budget process. The Office of Diversity, Equity, and Inclusion, as a way to intentionally incorporate equity into the budget process, created Nashville's first ever Budget Equity Tool. This tool was designed to normalize and operationalize budget equity concepts and practices within Metro. The tool asked each department to consider how their investment requests as well as their current operations and practices furthered equity for Metro's residents and employees. Our primary goals were to make sure department heads and city leaders understood what operating with an equity lens meant, the importance of equity in delivering Metro services, their role in advancing equity within Metro, and the barriers and/or limitations that impact equity. As part of the Metro Budget 101 series, the Office of DEI was able to introduce the tool, how it was developed, its components, and the resources available for departments to complete the tool. With the Budget Equity Tool, the office strives to normalize equity in how Metro does business.

Performance Management, Performance Metrics and Goal Tracking

The Mayor's Office of Performance Management is responsible for tracking impactful and relevant operating performance variations, identifying items that require immediate attention, and supporting data-based decision making. The goal is to strengthen transparency and accountability within Metro by developing a metro-wide culture of ongoing performance reporting.

Shifting from on-demand analysis to continuous performance tracking, a set of measures has been developed for each department.

The Mayor's Office meets with departments frequently to monitor operating conditions and progress toward meeting set goals. The section below presents a sample of key performance indicators (KPIs) that Metro uses to monitor performance.

For a complete list of KPIs, please visit the Mayor's Office of Performance Management website <https://www.nashville.gov/departments/mayor/performance-management>.

Management, Goals and Performance

Long-Term Financial Planning

After a few turbulent years, Metro is in a stable financial position looking ahead to FY 2023. Regarding long-term planning, the administration stays committed to maintaining and continuing to improve the overall financial position of the government. Future budgets will continue to be structurally balanced, meet debt service and contractual obligations and fund Schools at or above state required levels.

The Mayors priorities have a significant impact on the operating budget process as improvements are chosen for the ability to positively impact outcomes for residents in these areas. Concurrently with the budget process, the Office of Performance Management (OPM) develops, measures, and reports the results of its daily operations to guide and improve programming using performance data. As part of the budgeting process departments set measurable targets to measure positive performance for FY 2023. These efforts strengthen transparency and accountability within Metro as well as setting service level expectations to the public. These initiatives build the foundation for both current and long-term operational and financial planning and management.

Metro Nashville and Its Budget

Metro Government

The Metropolitan Government was formed in 1963 with the merger of the governments of the former City of Nashville and Davidson County. Metro Nashville is a friendly, forward-thinking city with a diverse economy, strong transportation links, and many institutions of higher education. It is the capital of Tennessee, the largest city in the mid-state, and the hub of a state with nearly 6.9 million residents.

As a consolidated government, Metro provides all services and performs all functions normally associated with Tennessee city and county governments. This also means that the government and its budget are more complex than those of most other cities and counties.

About Nashville - The city was founded on Christmas Day of 1779 on the banks of the Cumberland River as Fort Nashborough. The community changed its name to Nashville in 1784, which incorporated as a town in 1806 and was permanently established as the capital of Tennessee in 1843.

The city is a center for music, healthcare, hospitality, publishing, banking, and transportation industries. It is also home to some of the top U.S. universities, notable among which are Vanderbilt University and Belmont University. Nashville was the second hottest job market in 2019 according to *The Wall Street Journal*, one of the 15 best U.S. cities to live according to U.S. News & World Report and ranked among the 15 best places for business and careers in 2019 by *Forbes* magazine. Frequently cited are the area's low cost of living, a variety of residential opportunities, abundant recreational and tourist opportunities, a lively cultural base, diverse economy closely mirroring that of the nation, a regional hub for health care, and many institutions of higher education. Transportation is available by air, train, water, and road – 50% of the nation's population lives within 650 miles via one of the three interstate highways (I-65, I-40, and I-24) that converge in the city. Although it has a diverse and balanced economy with manufacturing, transportation, education, financial, healthcare, and other services, Nashville may be best known as the home of country music – Music City USA.

Nashville's weather and temperature range are fairly moderate compared to many other cities in the United States, and while Nashville has recorded temperatures as low as -17°F and as high as 109°F, that is not the norm—temperatures in Nashville typically range from an average low of 28°F in January to an average high of 89°F in July. Nashville is a great place to visit anytime of the year.

Metro Nashville and Its Budget

Services Districts

The Charter requires that Metro’s operating budget be divided into two districts: The General Services District (GSD) and the Urban Services District (USD). The GSD is synonymous with Davidson County; the USD comprises the old City of Nashville plus certain areas added since Metro was formed.

The geographic areas, purposes, and functions of these two districts determine the way services are budgeted and provided in Metro. The two districts relate services provided to taxes paid. The GSD receives a base level of services; its property is taxed at the GSD rate to fund these services. The USD receives more of certain services, which are funded by an additional USD rate to fund those services.

General Service District (GSD)	Urban Service District (USD)
325.96 Square Miles	199.24 Square Miles
203,551* people	512,333* people
General government, financial management, schools, justice administration, law enforcement and incarceration, basic fire and ambulance, regulation and inspection, social services, health, hospitals, libraries, public works, traffic control, recreation.	GSD Services plus additional police protection, additional fire protection, and additional public services including trash and recycling collection and street lighting.

Other Governments

A variety of services are provided to Metro citizens directly by the federal, state, and other local governments. This book does not cover those services. However, information on them is available from various web sites.

- For federal services, see the U.S. Government site at www.usa.gov/.
- For state services, see www.tn.gov
- For any of the six satellite cities within Davidson County, some basic information is provided under the listing for Satellite Cities in the Glossary (Appendix 2). For more current and detailed information, contact the satellite city directly.

Metro Nashville and Its Budget

Financial Organization

Since the budget is a financial planning and policy document, it is organized according to Metro's financial accounting and coding structure. That coding structure – the chart of accounts – corresponds roughly to the government's administrative organization and service structure, while meeting the legal and accounting requirements of the government. It forms the basis for Metro budgeting, accounting, and financial reporting, and is used in both the budget ordinance and this book.

The entire budget is organized by fund. Revenues of each fund are organized by type and source. Expenditures of each fund are organized by business units, object accounts, classifications, and positions.

The Fund Structure

A "fund" is an accounting entity with assets, liabilities, equities, revenues, and expenditures, held separate in the budget for certain specific activities or to accomplish definite objectives.

Budgetary Funds

Most of Metro's tax dollars are deposited into and spent out of six basic funds in the two districts:

- GSD General Fund (fund number 10101)
- GSD Debt Service Fund (20115)
- Schools (MNPS) General Purpose Fund (35131)
- Schools (MNPS) Debt Service Fund (25104)
- USD General Fund (18301)
- USD Debt Service Fund (28315)

These six budgetary funds provide the basic local government services to Davidson County. They are financed primarily through sales and property taxes, and their expenditures are controlled based on appropriations in the budget ordinance.

The two *General Funds* provide for the traditional operating services of the government. These funds receive property and sales taxes, charges for services, fees, fines, penalties, and other revenues.

The three *Debt Service Funds* finance the payment of interest and principal on long-term general obligation debt of each district. Per the Charter, debt service budgets must be sufficient each year to pay the principal and interest due on outstanding bonds.

The *School Fund* is Metro's biggest special revenue fund (described more generically below). It receives a dedicated portion of the property tax and, by state law, a portion of the local option sales tax. This fund's expenditures are budgeted and controlled by the Metropolitan Board of Public Education (MBOE) for the Metropolitan Nashville Public Schools (MNPS).

The two districts and six funds make it possible to allocate taxes and services in each district and fund. Revenue collected for each district can be spent only for purposes prescribed for that district. After the budget is passed, appropriations cannot be transferred between funds and/or districts except as specifically authorized in the budget ordinance.

Proprietary Funds (Special Purpose Funds)

Metro uses other types of funds for special purposes. Non-budgetary fund expenditures are limited to revenues received by and balances in each fund, rather than appropriations. Monies in these funds generally cannot be used to support other funds. These non-budgetary funds are explained below.

Internal Service Funds provide services to Metro departments on a cost reimbursement basis.

Enterprise Funds provide services to the public on the same basis. The primary enterprise funds are the Farmers' Market, State Fair, Municipal Auditorium, Community Education and Water Services funds.

Capital Projects Funds account for costs related to capital projects. These are not generally included in the operating budget.

Permanent Funds and *Fiduciary Funds* account for monies held for others. These are not generally included in the operating budget.

Special Revenue Funds account for the proceeds of specific revenue sources that are legally restricted for expenditure for specified purposes. These include the Schools Fund (mentioned above), Waste Management, grants, and the General Fund Reserve Fund (usually called the Four Percent Reserve Fund).

Accounting & Budgeting

This budget conforms to guidelines of the Charter and standard municipal budgetary practices, while the year-end *Annual Financial Report* conforms to governmental Generally Accepted Accounting Principles (GAAP), so they are not strictly comparable to each other. Specifically:

- This budget recognizes that Metro operates in two general funds, as required by the Charter and Tennessee law. Governmental GAAP recognizes only one general fund per government.
- This budget treats transfers to and from any fund as revenues and expenditures, respectively, of that fund. Governmental GAAP classifies them as "Other Sources & Uses of Funds."
- This budget does not include certain "component units" that are required to be included in the Annual Financial Report.

At a Glance

The \$2.96 billion FY 2023 budget for the Metropolitan Government's six budgetary (tax-supported) funds supports a wide range of public services. This budget represents a 12.07% increase from the FY 2022 budget.

Metro Nashville and Its Budget

The Budget Process

The Operating Budget, Capital Improvements Budget (CIB), and Capital Plan are developed through a multi-step information gathering and priority setting process that establishes objectives and priorities of the city and creates a financial plan for the operations of the government for the fiscal year. The Charter defines much of the process. The Mayor's Office, Finance Department, Office of Management & Budget (OMB), agency officials, and the Metropolitan Council are key participants. The FY 2023 operating budget calendar is, as scheduled:

January 3	The Mayor's Office and Finance Department introduced the operating/capital budget process for FY2023.
January 24	Operating budget instructions released.
January 24– February 11	Departments submit their operating budget proposals in the form of Investment Requests and Revenue Estimates to the OMB in the NORBeRT system.
February 11 – April 28	Mayor's Office, Finance Director, DEI, and OMB staff review budget submissions.
March 7 – April 1	The Mayor's Office and Finance Director hold budget discussions with agency heads to discuss Investment Requests and Revenue Estimates.
March 15	Pre-Budget Public Comment Period
April 27	Mayor John Cooper give the State of Metro Address
April 29	Operating Budget Ordinance and Tax Levy filed by Mayor. Finance Director gives Budget Presentation
May 1	Charter deadline to file the Operating Budget and tax levy ordinances.
May 13	Capital Improvements Budget (CIB) Ordinance filed by Mayor.
May 14	Charter deadline to file the Capital Improvements Budget Ordinance.
May 17	First reading of the Mayor's Recommended Operating Budget, tax levy ordinances and Capital Improvements Budget by the Council.
May 18 – May 25	Council Budget and Finance Committee hold five (5) committee meetings and hearings regarding departmental budgets.
June 7	Public hearing and Second reading of the Operating Budget and CIB by the Council.
June 9 – June 14	Council Budget and Finance Committee sponsored work sessions on Operating Budget
June 14	Third and final reading of the CIB by the Council.
June 15	Charter deadline for the Council to pass the CIB
June 21	Third and final reading of the Operating Budget Ordinance; the Council is scheduled to adopt a Substitute Operating Budget Ordinance (with changes to the Mayor's Recommended Budget) and the recommended tax levy ordinance.
June 30	Charter deadline for the Council to pass balanced budget and property tax levy ordinances.

Prior to June 30 – Amending the budget - For the budget ordinance to be amended, it must occur before the third reading of the ordinance is complete. Typically, changes to the recommended budget are discussed between the Council Office and the OMB a few days prior to the scheduled third reading of the budget ordinance. OMB incorporates these changes into a substitute budget ordinance that is presented to the Budget and Finance Committee of the Council for review prior to the third reading. Council members also have the opportunity to file amendments with the Budget and Finance Committee prior to the third reading.

Amending the Budget After Council Approval - Once Council has passed the Final Budget, any further changes to budget totals must be approved by Council via Resolution, which requires only one reading.

July 1, 2022 – June 30, 2023: Agencies provide services to customers and citizens. The FY 2022-2023 budget may be amended as permitted by the Charter, the budget ordinance, and internal controls.

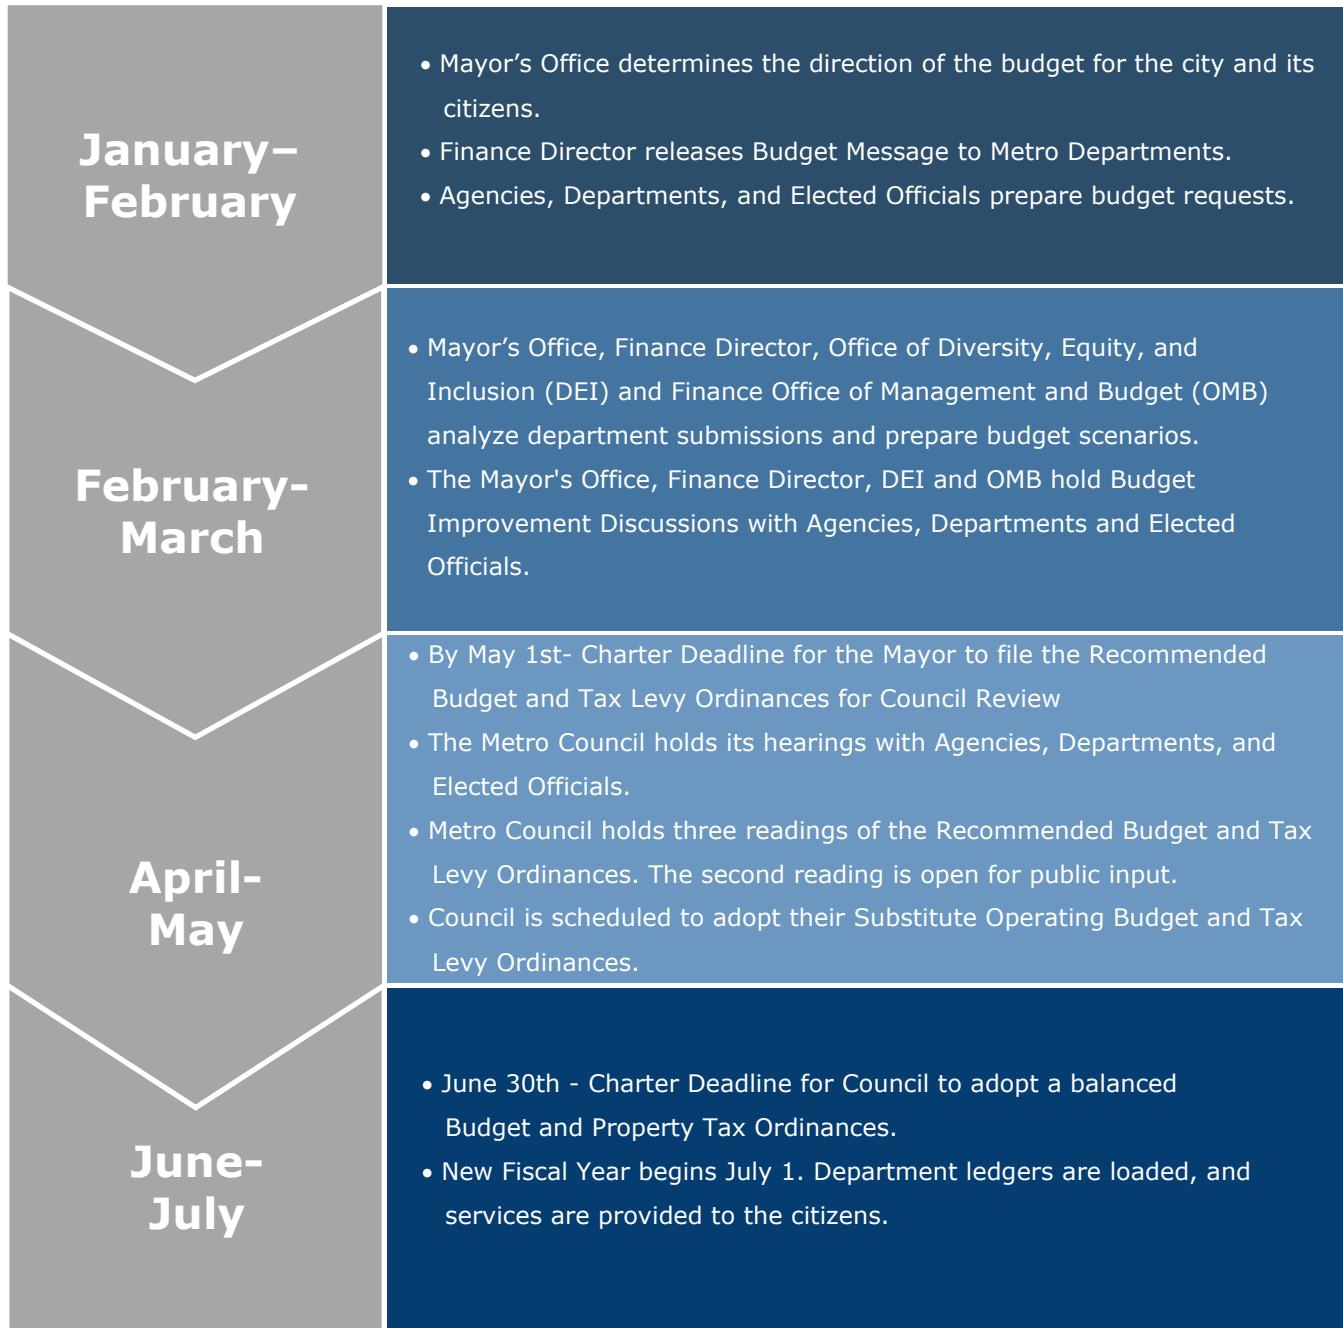

Late 2022 – An Independent CPA firm conducts the annual audit for FY 2021-2022.

Late autumn 2022: The Division of Accounts issues the *Annual Comprehensive Financial Report*, summarizing the government's financial condition and results of operations for Fiscal Year 2021-2022.

This process is very public. All budget hearings and council meetings are televised by the Metro Nashville Network Government Access Channel and by internet streaming video. Budget documents, the Annual Financial Report, and streaming video are available at www.nashville.gov.

Operating Budget Process

Metro Nashville and Its Budget

Financial Policies

The budget is governed by policies set out in the Charter and by executive decision. These policies are enforced by the Department of Finance through ongoing processes, internal control systems, special analyses, and in the annual independent audit.

The primary fiscal policies stated in the Charter are:

- **Fiscal year** - The fiscal year begins on July 1 and ends on the following June 30. (Charter §6.01) By custom, each fiscal year can be referenced in two ways: by using both years (e.g., "2022-2023") or by the calendar year in which the fiscal year ends (e.g., "FY2023" for 2022-2023).
- **Budget Preparation** - The budget process (described on the previous page) must begin by March 1. All officers and agencies must furnish such information as the Finance Director requests in the format he or she specifies. Agencies are entitled to a hearing before the Director on any contemplated changes in their budgets (§6.02); this is assured through the Mayor's budget hearings, in which all departments are generally asked to present their budgets to the Mayor and the Director. Operationally, most budget preparation is coordinated by the Office of Management and Budget (OMB).
- **Scope of the Operating Budget/ Balanced Budget** - The budget ordinance is organized by district, fund, and account number. Each fund's budget must be balanced: estimated revenues plus estimated fund balances must cover all budgeted expenditures (§6.03).
- **Public Inspection** - The Mayor's recommended budget is submitted to the Council by May 1 as an ordinance accompanied by a transmittal message. The Metropolitan Clerk publishes the ordinance's revenue and expenditure summaries in major local newspapers. The operating budget, the capital improvements budget, the budget message, and all supporting schedules are public records in the Office of the Metropolitan Clerk and are open to public inspection (§6.04). The OMB also prepares a Recommended Budget Book, intended primarily for the Council but also useful to the media and the public, containing more information on the recommended budget. Copies of the ordinance are available in the Clerk's office and from the Finance Department; the budget is available at www.nashville.gov/citizens_budget.
- **Council Hearings** - Once in the Council's hands, the budget goes through three readings. Between first and third readings, the Budget and Finance Committee holds a public series of departmental hearings, and the Council holds a Charter-mandated hearing for public comment (§6.05).
- **Council Action** - The Council may approve the Mayor's budget, amend it, or create a substitute. They cannot change revenue estimates except to correct errors. A balanced budget must be approved by midnight June 30, or the Mayor's budget and proposed tax rate take effect by default (§6.06).
- **Authorized Spending** - Departments cannot overspend their budgets. The amount set out in the adopted operating budget for each organizational unit, purpose, or activity constitutes the annual appropriation for such item; no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriation or allotment to which it is chargeable (§6.06).
- **Property Tax Levies** - The budget is accompanied by a property tax levy ordinance that sets a tax rate sufficient to fund the budget (§6.07).
- **Allotments** - Annual appropriations are divided into quarterly allotments based upon estimated needs (§6.08).
- **Administrative Impoundments** - Unencumbered funds in each account at the end of each quarter may be unallocated through "administrative impoundments." These are merely allotment adjustments, not the "charter impoundments" discussed immediately below in §6.09.
- **Impoundment of Funds** - If the Finance Director certifies that the revenues or other resources actually realized for any fund are less than was anticipated and are insufficient to meet the amounts appropriated from such fund, the mayor is obligated to impound such appropriations as may be needed to prevent deficit operation (§6.09). Such impoundments reduce appropriations and allotments in order to keep the budget balanced.
- **Additional Appropriations** - The Council may make appropriations in addition to the current operating budget, but only from an existing, unappropriated surplus in the fund to which it applies (§6.10). This is done by resolution based on available fund balance or previously unbudgeted revenue.
- **Intradepartmental Budget Transfers** - Funds may be transferred within a department's expenditure budget by the department head and the Mayor and are available for use when allotted (§6.11). As an administrative matter, the Deputy Finance Director also approves the transfer.
- **Interdepartmental Budget Transfers** - At the end of any quarter, the Council may, by resolution, transfer the unencumbered balance of any appropriation (or any portion thereof) to another appropriation within the same district and fund (§6.11).
- **Lapse of Appropriations** - At the end of the fiscal year, all unencumbered balances of appropriations in the current operating budget lapse into the unappropriated fund balance or reserves of the fund or funds from which such appropriations were made (§6.12). Unencumbered appropriations cannot be carried over from one fiscal year to the next.

Metro Nashville and Its Budget

- **Capital Improvements Budget Preparation** - By March 1, the Planning Commission shall begin to prepare a Capital Improvements Budget (CIB). The CIB includes a program of proposed capital expenditures for the ensuing fiscal year and the next five fiscal years thereafter, accompanied by the Commission's report and recommendations with respect to the program. By May 15, the Mayor shall submit the CIB to the Council and shall recommend those projects to be undertaken during the ensuing fiscal year and the method of financing them, and shall include in the appropriate current operating budget any projects to be financed from current revenues for the ensuing fiscal year. By June 15, the Council shall accept, with or without amendment, or reject, the proposed program and proposed means of financing (§6.13).
- **Capital Improvements Budget Expenditures** - Expenditures for the construction of any building, structure, work or improvement must be included in the CIB, except to meet a public emergency (§6.13).
- **Capital Improvements Budget Amendments** - Amendments to the CIB may be made by recommendation of the Mayor, Planning Commission, and a two-thirds vote of Council (§6.13).
- **GSD General Fund Reserve (Four Percent Reserve Fund)** - Four percent of original revenues are deposited to the Four Percent Reserve Fund. The Mayor and Council may appropriate money from this fund by resolution for the purpose of equipment for any department that derives its operating funds from the general fund budget (§6.14).
- **Advance Planning and Research Fund** - The APR Fund, established for the use of the planning commission to prepare plans for capital projects and studies and research, must be at least \$50,000 at the start of each year (§6.14).
- **USD General Fund Reserve** - The Council has not exercised its ability to create a contingent reserve fund not to exceed four (4%) percent of the general fund revenue of the USD (§6.14).
- **Post Audit** - The Council shall provide annually for an independent audit of the accounts and other evidence of financial transactions of the government and of every department, office and agency. The audit shall be made by a certified public accountant (CPA) or firm of CPAs thoroughly qualified in governmental accounting to perform the audit; the auditor shall be chosen by a three-member audit board consisting of the presiding officer of the Council, the chairman of the finance committee of the Council, and the chairman of the board of education. The audit report shall be available to the public and to the press. In addition, the Council may at any time order an examination or special audit of any department, office or agency of the government (§6.15).
- **Mayor's Veto Power** - The Mayor has line-item veto power, that is, the ability to reduce or veto specific appropriations or parts of appropriations within an ordinance. The Council may override such a veto by the affirmative vote of 27 members (§5.04).
- **Bond Issues** - Bond issues and debt service shall be prepared and administered in accordance with Article 7 of the Charter (§7.01 et seq.).
- **Transfer of School Funds Within School Budget** - Within the constraints of general law, the Metropolitan Board of Public Education (MBOE) has authority over the distribution of, and transfer of funds within, its budget (§9.12).
- **Referendum as to School Budget** - The MBOE may initiate a referendum to levy additional property taxes for schools (§9.04(3)).
- **No Diversion of School Funds** - No funds that are appropriated for the use of, or transferred to, the school system shall be diverted from that use for any other purpose (§9.11).
- **Transfers to School Fund from General Funds; Borrowing Money** - The Council and the Mayor may advance cash or transfer monies from the general fund to the school fund, provided the advance or transfer is reimbursed the following year (§9.13). An advance involves a loan of cash with the establishment of an asset (a receivable or a "due from") on the books of the loaning fund and a liability (a debt or a "due to") on the part of the recipient. A transfer would include appropriation of one fund's revenues or fund balance to another, handled through the budget as if it were an expenditure to one fund and a revenue (or source of operating resources) to the other.

Other important policies include:

- **Functions of Director of Finance** - The Director of Finance is responsible to the mayor for the administration of financial affairs and shall supervise the divisions of budgets, accounts, purchasing, collections, and treasury. The Director of Finance, or his designee, shall compile for the mayor the current budget of estimated revenues and proposed expenditures for each of the operating funds and assist in the preparation of the capital improvements budget (§8.103).
- **Functions of Budget Officer** - The budget officer compiles the departmental estimates and other necessary data and assists in the preparation of the budgets. The budget officer monitors departmental budgets as compared to actual activity and alerts the Finance Director of any significant issues. Along with the chief accountant, the budget director writes, revises, and maintains a proper standard procedure manual to be followed by all departments to insure uniform accounting and budgetary procedures (§8.104).
- **Funds Budgeted** - The budget ordinance and book contain annually budgeted governmental operating funds, debt service funds, enterprise funds, internal service funds, and special revenue and other grant funds with fiscal years beginning July 1. It does not include grant funds with non-Metro fiscal years, capital projects, bond funds, fiduciary funds, permanent funds, component unit funds (unless the component unit receives significant general fund money), and other funds with multi-

Metro Nashville and Its Budget

year budgets. The budgets of funds that are not included in the annual operating budget are approved through other processes as required by law.

- **Basis of Budgeting and Accounting** - All annually budgeted funds are budgeted using the current financial resources measurement focus and the modified accrual basis of accounting.

Revenues are recognized as soon as they are both measurable and available. Revenues are available when they are collectible within the fiscal year or soon enough thereafter to pay liabilities of that year (collected within 60 days of the end of the fiscal year). Property taxes, franchise taxes, licenses, interest, and certain portions of special assessments associated with the fiscal year are accrued. All other revenue items are measurable and available only when Metro receives the cash.

Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to non-vested sick pay, compensated absences and other long-term commitments and contingencies, are recorded only when payment is due.

Actual revenues and expenditures of governmental funds are presented in this book using the same modified accrual basis. Actual revenues and expenditures of proprietary funds are presented using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenue in the year in which the levy is assessed. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

- Accounting and financial reporting shall conform to generally accepted accounting principles (GAAP) for governments as promulgated by the Governmental Accounting Standards Board (GASB), the federal Office of Management and Budget, the Federal Comptroller General, and the State of Tennessee.
- Current operating costs will be financed by current operating revenues. Only capital goods will be financed by long-term debt, and then, only as provided by the Charter. The government shall refrain from using nonrecurring revenue to fund ongoing operations of the three operating funds. Nonrecurring revenue shall be those funds not normally accrued to the benefit of the operating funds each year, including transfers from special, enterprise, and internal service funds. Any nonrecurring revenue received shall be utilized to fund activities that do not require ongoing funding or to build reserves. To protect the financial position of this government in the event of unexpected emergencies or unforeseen downturns in revenue collection, fund balances will not be appropriated in any budgetary fund unless the audited unreserved undesignated fund balances of that fund are at least 5% of the fund's budgeted expenditures (Resolution R89-959 adopted 11/21/1991).
- The government will strive to maximize service efficiency and effectiveness to its citizen taxpayers in a manner consistent with practices of sound financial management.
- Revenue estimates will be realistic and accurate without being optimistic. Operationally, this means that estimates will be based on objective judgment and should be 95% to 100% of actual collections without exceeding those actual collections.
- The government will not commit to programs with significant future costs without first identifying those costs and the sources of funds to finance those programs.
- Generally, the government will not use local funding to make up for lost state and federal categorical grants.
- Adjustments and amendments to the operating budget will be done in accordance with provisions of Article 6 of the Charter.
- Staffing levels will be limited to final position counts and FTEs noted in this book. Exceptions to this policy (as for new grant-funded staff) are strictly regulated by the Finance Department.
- USD tax-supported debt will be no more than 15% of the total assessed valuation of USD property, per § 7.08 of the Charter.
- Capital expenditures are authorized through an annual Capital Plan. Major capital expenditures for General Fund departments shall be funded through issuance of bonds or notes. Smaller capital expenditures for GSD General Fund departments shall be made from the Four Percent Reserve Fund. Capital expenditures for grants will be made through the grant's operating budget. Capital expenditures for enterprise and internal service fund operations will be made from those funds.
- The Four Percent Reserve Fund will maintain a minimum fund balance of \$1,000,000: \$500,000 by Administration policy and an additional \$500,000 by Council policy.
- The government will control costs by appropriate competitive bidding (as specified in the purchasing ordinance).
- Investments shall be made in conformance with the government's investment policy (available at www.nashville.gov) and instructions given to the government's investment manager. Those documents establish a hierarchy of objectives of (1) preserving principal, (2) maintaining liquidity, and (3) maximizing return. They also define allowable types of investments, required collateralization, custody, internal controls, diversification, and operation of the Metro investment pool.
- Indirect Cost Planning and Recovery - Where allowable under Federal, State and Local statutes and grant regulations, Metro departments and agencies shall develop an annual indirect cost recovery plan which must include both cost identified

Metro Nashville and Its Budget

in the Local Cost Allocation Plan (LOCAP) and departmental indirect cost allocations. Indirect costs must be recovered when funding is made available through reimbursement or draw-down processes, in accordance with the terms of each departmental indirect cost rate proposal or cost allocation plan and applicable Federal, State and Local grantor's regulations. Departments and agencies shall make provisions for indirect costs in their grant budgets both during the application submission and in the general ledger. Funds collected from grantors for indirect cost recovery shall be deposited into the General Fund based on guidance provided by the Finance Director or his designee.

- Debt Management Policy establishes the objectives and practices for debt management within Metro and assists concerned parties in understanding Metro's approach to debt management. A more detailed overview of the Debt Management Policy can be found with the Debt Service Fund pages.
- Self-Funding Policy establishes uniform guidelines for use of self-funding as a designated source for capital assets that are determined to either provide cost savings to Metro to cover the cost of funding assets or provide specific benefits to one or more agencies such that the cost for an asset should be recovered from the operating budgets of the beneficiaries.
- Disallowed Cost Policy provides guidelines on ensuring costs charged to grants are allowable and an appropriate course of action in situations where costs are questioned.
- Grant Drawdown and Reimbursement Policy ensures that Metro departments and agencies that are grant recipients receive revenue as early and as often as is allowable under the terms of the grant contract.
- Grants Management Policy establishes the responsibilities of the Metro departments and agencies as well as the Division of Grants Coordination in developing funding opportunities that are well suited to local needs while controlling costs associated with financial assistance.
- Unclaimed Property Policy establishes uniform guidelines across Metro for the disposition of unclaimed property.

Budget Overview

The following pages provide background information on Metro's revenues and ongoing expenditures. Revenue projections and expenditure changes are discussed in the Executive Summary at the beginning of this section.

Revenues

Deficit financing is prohibited by both Tennessee Law and the Metropolitan Charter; expenditures must be matched by equal dollars of revenue and appropriated fund balances.

The operating budgets for the GSD and the USD are supported by a variety of revenue sources. The primary sources are presented in the Executive Summary and discussed on the following pages.

Detailed revenue projections are included in the budget ordinance, which is included in the Executive Summary.

Recent revenue trends can be seen in Appendix 1 in Schedule 1 - Summary of Revenues, Expenditures, and Changes in Fund Balances.

Property Taxes

The largest single source of operating revenue is the property tax. The property tax is authorized by the State Constitution as an *ad valorem* ("according to value") tax based on the market value of property. This tax is levied based on the assessed value of various types of property, including:

- real property (land, structures, and leasehold improvements),
- personal property (business equipment, excluding inventories for resale), and
- public utility property (real and personal property owned by utilities and organizations regulated by the State).

Property tax law and policy are set by the State Constitution, legislature, courts, and Board of Equalization. The Legislature makes laws which govern the administration of the tax. The State Board of Equalization establishes rules and regulations to be followed by local assessors, and the entire process is subject to court interpretation.

The tax bill for a property is determined by:

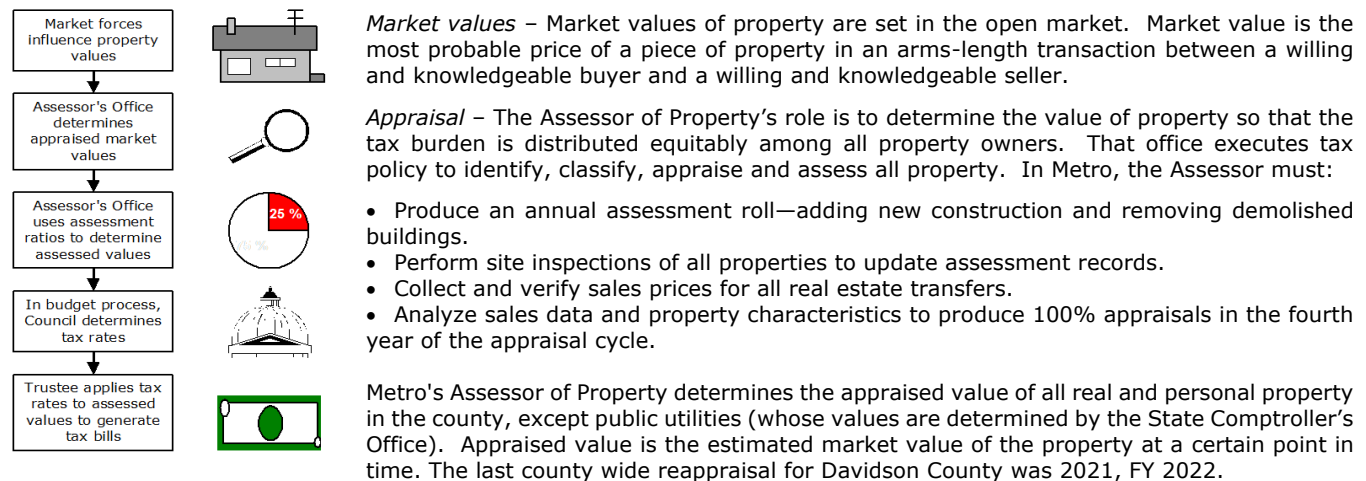

- The appraised value of the property – what it would bring if sold on the open market and its classification – whether it is used for residential, utility, commercial, industrial or farm purposes, which determines the percentage of assessment,
- The assessment - applying the classification percentage to the appraised value to arrive at an assessed value; and,
- The tax rate set by the local governing body which is applied to the assessment to calculate your property tax bill.

Certain types of property (governmental, religious, educational, etc.) are exempt from property taxes.

Metro Nashville and Its Budget

How the Property Tax Works

The following diagram shows the appraisal and budgetary process.

The appraised value of a property is an estimate of its market value. Three appraisal methods are used to estimate each property's market value:

- The estimated *cost* to replace a structure, referred to as "replacement cost new," adjusted for depreciation based on the property's age and condition, yielding the "depreciated replacement cost."
- The *market value* or sale prices of similar properties that have recently sold.
- The *present value of the future net income* that can be generated by that or similar properties, sometimes called the "capitalization of income" method.

When used together, these three methods give the appraiser the best indication of what a property is worth. With the aid of modern computer systems, the Assessor has adapted these traditional appraisal techniques to produce large-scale reappraisal projects with accurate and cost effective results.

In most years, appraised values on existing real property do not change unless there are substantial taxable additions or improvements to the property, the property is rezoned, or the owner files and wins an appeal from the county or state Board of Equalization. New construction between reappraisals is valued at levels consistent with tax roll appraisals of similar existing properties.

However, over time, the market values of properties may change considerably and at different rates. The resulting inconsistency within the market causes some property owners to pay taxes based on appraisals that exceeded the current value of their property, while others pay on appraisals that reflected only a portion of the current value.

So, in accordance with state law, the Assessor's Office conducts a county-wide reappraisal every four years to bring appraised values up to current market values. (Current law allows for reappraisals on a four-year or six-year cycle; the Metro Assessor has chosen the former.) After the reappraisal, all properties should be appraised consistently at 100% of their current market values. Periodic reappraisals are designed to equalize the appraised values of all property.

Tennessee's property tax laws protect taxpayers against an automatic or arbitrary increase in their tax bills after a reappraisal. Local governments must lower the tax rate to a level which will produce the same amount of revenues from the new appraisals as was generated from the old rates and appraisals - except for new construction. This is called the certified tax rate. Therefore, under state law, your property tax bill can't be raised by reappraisal unless your property value has grown more in value than the average for all other property in the county.

In between reappraisals, the state performs a biennial analysis of appraised values conducted for all counties in the state. This analysis, known as a sales ratio study, compares sales prices with appraised values to determine both the level and equity of appraisals. However, this ratio is not used to increase residential property appraisals.

Assessment: In Tennessee the assessed value upon which taxes are levied is a fraction (percentage) of the appraisal. The percentage varies depending on the classification of the property, which is determined by its use. The assessed value, not the appraised value, is applied to the tax rate to produce a tax bill. One of the reasons the Assessor inspects all property is to verify how it is used. The Tennessee Constitution mandates assessment percentages to be applied to the appraised value of different classes of property.

The appraised values are multiplied by percentages defined in the state constitution to arrive at assessed values, which are then multiplied by the tax rate to determine the taxes owed.

Metro Nashville and Its Budget

For example, the assessed value of a residential property with an appraised value of \$100,000 would be \$25,000 (.25 X \$100,000), while a commercial property of the same appraised value would have an assessed value of \$40,000 (.40 X \$100,000).

Assessments must be compiled annually on assessment rolls for the GSD, USD, and each of the seven satellite cities within the county.

If the value of a piece of property changes (usually because of an improvement to or demolition of the property), notices of the property's new appraised value, the classification in which it is now placed, and the resulting assessment are mailed by the Assessor. There is a process established for appeals of the appraisal, but the Assessor can only consider information about value, not tax bills.

Tax rate set through budget process: The tax rate is set through the budget process in the form of a tax levy ordinance that is recommended by the Mayor and approved by the Council. That ordinance (printed in the Executive Summary of this book) sets the GSD and USD rates per \$100 of assessed value.

Tax bills are generated: The Trustee's office prepares and distributes tax bills based on the assessed value of each property and the tax rate for its district.

To calculate your property tax bill, divide the assessed value by \$100 and then multiply that amount by the tax rate. For example, a property classified as residential and appraised at \$100,000 would be assessed at \$25,000 (the \$100,000 appraised value times the 25% residential assessment ratio). A tax calculator can be found on the Office of the Trustee's website at nashville.gov/departments/trustee/calculate-property-taxes

With FY 2023's recaptured property tax rate of \$3.252, the calculation would be:

$$\begin{aligned}\text{tax} &= (\$25,000/\$100) \times \$3.252 \text{ per } \$100 \\ &= \$250 \times \$3.252 \\ &= \$813.00\end{aligned}$$

Property tax bills are mailed to property owners and, if taxes are paid through an escrow account, also to the mortgage holder. This normally occurs in late September or early October. Tax payments are due by the end of the following February and can be mailed to the Office of the Trustee or made online at nashville.gov/departments/trustee.

Metro and the state assist the elderly and disabled with property taxes on the first \$25,000 appraised value of their homes through the Property Tax Relief program administered by the Trustee. The program also assists disabled veterans with the first \$25,000 of assessed value of their property.

Property Value Trends: Metro expects many of the contributing growth factors of recent years to continue into FY 2023. Namely, demand is anticipated to remain high, while inventory fails to keep pace. Despite rising interest rates, this disparity should continue to drive new development while helping to safeguard against a correction in market prices.

Property Tax Rates: FY 2022 and estimated FY 2023 tax rates are shown in the Executive Summary and in the tables on the following pages. The combined rate is the total paid for property in the USD; property outside the USD is taxed at the GSD rate. Residents of the seven satellite cities within Metro pay the GSD rate plus the rate set by that satellite city.

Nashville's property tax rates are currently the lowest of the four major Tennessee cities, and competitive with those of surrounding communities.

Historic property tax rates, tax rate changes, and property values are presented in the following tables. The **History of Property Tax Rates** table presents historic nominal property tax rates along with a summary of changes that have taken place. If no changes occurred, then the fiscal year is not presented. The **Property Tax Rate Changes** table shows the history and type of tax rate changes, whether from budget-related tax increase, redistribution of the rate between funds, changes in the fire tax or county-wide property reappraisals.

Property Class	Assessment Rate

Local Option Sales Tax

Local option sales tax collections provide the second largest source of revenue to the operating budget. With the exception of select items purchased within downtown's CBID, which now include an additional tax of 0.50%, Nashville's 9.25% sales tax rate consists of a 2.25% local option tax and a 7.00% state tax (the total rate is 6.25% on unprepared food, because the state rate for such food is 4.00%). The tax is levied on all retail sales in Davidson County, although the local portion is limited to the first \$1,600 of the cost of each item. Tennessee Code Annotated, Title 67, Chapter 6, Part 7 states, at least 1/2 of the local sales tax must be allocated to schools. The local option rate can be raised by referendum. Sales and sales taxes should reflect economic activity at the national and local levels, although some activities are not subject to the tax.

State Sales Tax Rate	7.00%
State Food Tax	4.00%

Income Tax on Salaries and Wages	None
Lottery	Yes

State & Federal Revenues

Major sources of revenue from the State of Tennessee are equalizing funds for education (based on average daily school attendance), healthcare-related revenues, and Metro's share of statewide sales and gasoline taxes. Most of these funds are categorical, being tied to specific functions and services.

The primary sources of federal funds received by Metro are categorical grants such as education funding, Title XX, Title III, and USDA nutrition funds, and reimbursements for services provided by Metro agencies such as the Health Department and Social Services. Most federal funds (including the entire Schools Special Grants Fund) are nondiscretionary in that their receipt requires Metro to carry out certain specified programs. Unrestricted grants such as revenue sharing are now rare.

Federal funds received by the government are subject to federal government single audit provisions. These provisions provide that grants are audited as part of the city's annual independent audit. In an effort to properly reflect federal and state revenues that may be subject to such audit, the Finance Department has reclassified many revenues from other categories to this "State and Federal" category.

The Finance Department has moved most grant revenues and expenditures from the general funds to various grant special revenue funds. This practice began in FY 2000.

Other Local Revenues

The Metropolitan Government generates various revenues locally.

Licenses and Permits include the business tax, wholesale beer tax, motor vehicle regulatory licenses, building permits and franchise fees.

Charges for Current Services are derived from user fees and charges levied in return for specific services provided by Metro. Among the many fees and charges collected are revenues generated for health services, parking fees, ambulance fees, dog registration charges, vehicle emission test charges, fees for the use of Parks' facilities, and waste disposal fees. Most of these fees are set by Metro, by the Council, or by action of oversight boards and commissions.

Fines, Forfeitures, and Penalties are collected by the various court clerks, the Sheriff, and the Police Department for fines, court costs, Sheriff's fees, DUI safety education, litigation taxes, and proceeds from confiscated property.

Revenue from the Use of Money or Property includes interest on investments and the rental of Metro-owned land and buildings. Metro investment practices emphasize safety, prudence, and liquidity; the government does not engage in speculative high-risk investments such as derivatives.

Commissions and Fees from Certain Officials consist of processing charges for services provided by the clerks of the courts and by the County Register. These fees are generally set by Metro or the state.

Transfers from Other Funds

Transfers may be made into the general funds of the GSD or USD from time to time from surpluses that have accumulated in certain special and working capital funds. Transfers are also made to reimburse various funds for services that are provided by those funds but are rightfully chargeable to another fund.

Fund Balances

Fund balances are the difference between the government's assets and liabilities. They result from receiving more revenue than estimated and/or expending less than budgeted in prior years. They provide some protection against unexpected expenditures or revenue losses and help to stabilize the government's finances. Industry best practices recommended, at a minimum, that governments, regardless of size, maintain unrestricted budgetary fund balance in their general fund of no less than two months of regular general fund operating revenues expenditures.

Fund balances frequently increase by the end of the year due to actual revenues being higher than actual expenditures, often because of unspent appropriations and/or higher-than-estimated revenue collections. It is Metro's policy that General Fund fund balances as a percentage of expenditures should be above 5% to handle unanticipated contingencies. The FY 2023 budget makes maintaining the recently replenished fund balances for all six tax supported funds a priority.

Revenue Conclusion

We anticipate revenues sufficient to fund budgeted expenditure appropriations in FY 2023 and will monitor the ongoing economic reverberations of the COVID-19 crisis for any material changes.

Expenditures

The budget ordinance defines the operating budgets of the two general funds by department. It defines the operating budgets of the other budgetary and non-budgetary funds at the fund level, with a few funds (such as debt service) defined at more detailed levels. It defines the administrative accounts at the business unit level.

Investments

The budget began with FY 2022 baseline budget with additional investments recommended for approval through the budget process outline above. The FY 2032 budget includes significant improvements to departmental budgets.

The budget was initially projected with no inflation or other increases. During the process, adjustments were made as follows:

- Elimination of FY 2022 nonrecurring budgeted expenditures from the FY 2023 projections.
- Pay plan improvements implemented & other adjustments that occurred in FY 2022 were carried forward to FY 2023 during this fiscal year.
- Ensure sufficient funding is allocated to meet all debt service obligations.
- Focused departmental improvements were recommended that are in alignment with the budget priorities of: Education, Public Safety & Justice, Transportation, Affordable Housing, and Neighborhoods. Investments were evaluated on if they were critical to maintain current service, keep up with increased demand, improve the government's interface with citizens, improve internal efficiencies and/or provide a new or expanded service to the public. Investments were also evaluated on their contribution to improve equity.
- Administrative improvements for internal services funds were recommended in central administrative accounts of the two general funds, these funds will be allocated & distributed to departments' budgets based on need.
- Fringe benefits – Costs for active employees in the open benefit plans (FICA, medical, dental, life, and Metro pension) are carried in departmental budgets. Departmental fringe benefits will change during the year due to medical plan increases during the fiscal year and be distributed to departments' budgets based on need but are held in administrative accounts at the beginning of the fiscal year.

Metro Nashville and Its Budget

- Pay Plan Improvements- The budget funds a Cost-of-Living Adjustment (COLA), Open Range and Increment raises as well as several class adjustments, these improvements will be allocated to the impacted departments upon final budget approval. These improvements have been approved by the Civil Service Commission.
- Special Purpose Fund Adjustments- Adjustments for grant and other special purpose funds to meet expected revenue projections and reflect use of fund balance in FY 2023.

Expenditure numbers are presented in the budget ordinance, which is included at the end of this section, and in the three schedules of Appendix 1; more detail is presented in each department's "Financial" pages.

Expenditure Conclusion: The overall operating budget looks forward to a successful FY 2023 that maintains a stable fiscal foundation and meetings required expenditures, while enabling improved departmental operations and quality of life for Nashvillians.

The Capital Improvements Budget and Capital Spending Plan Process

Capital improvements (capital expenditures) are any expenditures requiring Council authorization regarding the acquisition, replacement, construction, renovation or modification to any equipment, land, building, public utility, public thoroughfare, or place of public activity; and, which has a useful life expectancy of ten years or greater.

Capital improvements are planned and authorized in a process that is related to, but independent of, the operating budget process.

The Capital Improvements Budget

As specified in § 6.13 of the Charter, the **Capital Improvements Budget (CIB)** must be prepared annually to "include a program of proposed capital expenditures for the ensuing fiscal year and the next five fiscal years thereafter..."

The capital improvements program is a tool for implementing long-range policies of the General Plan through timely scheduling of infrastructure and facilities in coordination with general development needs. The CIB is prepared annually by the Planning and Finance Departments.

Departments submit project requests through an internet-based budgeting system to the Planning staff. The Planning Department, Finance Director, and staff along with the Mayor review the CIB requests, edit as needed and then submit a Recommended CIB to Council by May 15th. The Council has 30 days to review, amend and approve by June 15th.

The CIB is strictly a planning document; it does not appropriate funds or authorize or approve any projects. The **Capital Spending Plan (CSP)** is where funding and approval to commence a project is authorized. The CIB document is available separately from the Planning Department web site.

The FY 2023 CIB will not be approved until after publication of this book. The FY 2022 CIB Ordinance was approved on June 15, 2021 [BL2021-752]. Tables and charts on the FY 2022 CIB are provided below and on the page that follows. Again, this legislation is just the long-range planning document. It does not appropriate funds or authorize or approve any projects. Capital projects are approved and funded through the Capital Spending Plan (CSP).

The FY 2022 Capital Spending Plan was approved on December 7, 2021 [RS2021-1201] in the amount of \$564,369,500. The FY 2021 Capital Spending Plan was approved on March 3, 2021 [RS2021-757] in the amount of \$481,610,000. Details on the FY 2022 and FY 2021 Capital Spending Plans are provided at the end of this section.

Areas of Emphasis

The Administration has announced six priorities for the capital program of Metro Nashville / Davidson County. (Any projects not falling within one of the other five priorities is captured within Effective Government.) For more details on the Mayor's priorities go to <http://www.nashville.gov/Mayors-Office.aspx>.

The six areas of emphasis:

- **Education** – (1) Early Childhood Education. (2) Nashville GRAD Program.
- **Neighborhoods and Community Engagement** – (1) Youth. (2) National Night Out Against Crime. (3) REAL Nashville Dialogue. (4) Community Beautification.
- **Housing** – (1) Affordable Housing – Barnes Fund. (2) Workforce Housing. (3) Income Limits. (4) Incentives. (5) Grants.
- **Public Safety and Justice** – (1) Community Oversight Board. (2) Body Camera Pilot Program. (3) Reducing Disparities.
- **Transportation, Infrastructure and Sustainability** – (1) Metro Transportation Plan. (2) Climate Change and Sustainability Initiatives. (3) Neighborhood Infrastructure.
- **Effective Government**

The alignment of the capital plan to the Administration's priorities is detailed on the following pages.

Capital Funding Sources

Metro has fourteen different types of proposed funding for capital projects.

The "Capital Improvement Budget Funding Sources" table [following page] and "Funding Type Distribution" graph on this page show the amounts estimated by type and year in the *2021-2022 to 2026-2027 CIB*.

Possible funding sources for specific projects include:

- Bond and note authorizations (described in Section J of this book) for the Debt Service funds, approved by the Council, including:
 - Approved General Obligation (B) and,
 - Proposed General Obligation (C) bonds and notes.
- Four Percent Reserve Fund (Fund 30003 in section J of this book) appropriations by the Council throughout the year, including:
 - Approved 4% (L) and,
 - Proposed 4% (M) funding.
- Grant operating budgets included in the operating budget, added grant contingency transfers, or Council resolutions denote funds as:
 - Federal (F) and,
 - State (G).
 - Approved Community Development (I) and,
 - Proposed Community Development (K).
- Revenue bond authorizations or operations for enterprise-type activities, approved in the budget or by Council resolution, including:
 - Approved Revenue (D),
 - Proposed Revenue (E) and,
 - Enterprise (H) funds.
- Other sources, including:
 - Miscellaneous funds (A) and,
 - Approved Miscellaneous funds (O), which, individually, do not comprise major funding categories, and
 - Operating budget funds (P).

The proposed funding for these requests is summarized on the following table and pie chart.

Financial Considerations

Metro's short- and medium-term capital requests, as identified by the individual departments, far exceed its capacity to raise funds to pay for those needs.

Financial projections determine the constraints for programming the projects according to a schedule that is fiscally and administratively practical. The Department of Finance annually develops two programs based on financial considerations:

- (1) The current debt level program assumes no change in the amount or distribution of tax rates. Projects scheduled in this program are either committed or are considered to have the highest priority in meeting community needs.
- (2) The essential needs program assumes additional revenues would be available to retire general obligation bonds, but total outstanding indebtedness would remain below limits set by Metro.

The scale of general obligation (GO) bond funding in the recommended program depends upon resources available under present tax levels but may reflect additional funding requirements to meet priority needs. In recommending a program whose funding would exceed present tax-level resources; the Planning Commission may advise the Mayor of estimated additional tax levy needed for debt service.

The Capital Spending Plan: Approval and Appropriation

The CIB is strictly a planning document; it does not appropriate funds, authorize spending or approve any projects.

The **Capital Spending Plan** is a compilation of projects from the CIB that have been selected by the Mayor, Finance Director, and staff for recommendation to the Council for approval and funding. The capital spending plan typically recommends \$200 million to \$400 million worth of projects that align with the Mayor's and Metro's areas of emphasis described on previous pages. The Capital Spending Plan selects, specifies, and recommends for funding the CIB projects to be developed.

Currently, Metropolitan Government of Nashville has no significant, non-recurring capital expenditures.

March 2020 Tornado and COVID-19 Contingency Funds – In a substitute filing, \$21.75 million in tornado funding as well as \$5.0 million in Covid-19 contingency funds were added to the FY 2020 Capital Spending Plan.

Highlights of the FY 2021-2022 and FY 2020-2021 Capital Spending Plans – The FY 2021-22 Capital Spending Plan [RS2021-1201] was approved on December 7, 2021, in the amount of \$564,369,500. The FY 2020-21 Capital Spending Plan [RS2021-757] was approved on March 3, 2021, in the amount of \$481,610,000. The plans align with the current Administration's priorities as follows:

FY 2021-22:

Education - \$134,200,000
Effective Government - \$56,006,000
Neighborhoods - \$139,785,000

Metro Nashville and its Budget

Operating Budget Impacts

Approved capital expenditures affect the budget in three ways.

- First, Operating Capital Reserve Fund expenditures are drawn from a reserve pool historically representing 4% of the locally generated revenues to the GSD General Fund. The Mayor's FY22 Recommended Budget increased the Operating Capital Reserve Fund to 5%.
- Second, debt service – the repayment of principal and interest owed on general obligation debt from the debt service fund – is an operating budget expenditure. The debt service budget is discussed in Section J of this book. Capital debt capacity is determined before any capital spending plan is proposed.
- Third, potential improvements may commit Metro to operating costs that will be reflected in future years' departmental operating budgets. These costs are considered in the process of considering and approving prospective capital improvements.

Operating costs for completed or soon-to-be-completed capital plan projects are identified in that respective department's operating budget section elsewhere in this budget book.

Most projects replace existing facilities and do not create additional operating costs.

Details, program descriptions, and estimated operating budget impacts of each prospective capital improvement project are noted in the *Capital Improvements Budget* (CIB) book available on the Planning Department's as well as the Finance Department's Capital Improvements webpages. The estimated operating budget impact for recently approved capital projects are noted in the tables presented below.

Summary

Capital projects are budgeted in a multi-step process. The CIB, approved around mid-June of each year, proposes more capital projects than the government can afford from all funding sources. It is from this CIB that the individual projects will be selected, approved, and funded in what is known as a Capital Plan or Capital Spending Plan. When the capital projects are approved and/or completed, their operation may or may not affect future operating budgets.

A flowchart of the CIB and Capital Spending Plan process, the estimated operating budget impacts of the FY 2021-22 and the FY 2020-21 Capital Spending Plans projects, and their approved project lists are presented on the following pages.

Again, currently, the Metropolitan Government of Nashville has no significant, non-recurring capital expenditures.

BILL NO. BL2022 -

**A bill to be entitled: The Budget Ordinance of the Metropolitan
Government of Nashville and Davidson County, Tennessee for
Fiscal Year 2023**

WHEREAS, Article 6 of the Metropolitan Charter provides for the preparation of the Annual Operating Budget of the Metropolitan Government and for its submission to the Council by the Mayor not later than May 1 of each year.

BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF
NASHVILLE AND DAVIDSON COUNTY:

ARTICLE I

The amounts hereafter set out in Section I and Section II shall constitute the estimated revenues and applicable prorating provisions for property taxes, and the Operating Budget for The Metropolitan Government of Nashville and Davidson County, and the said sums specified herein are hereby appropriated for the purpose of meeting the expenses for the General Services District (GSD) and the Urban Services District (USD), respectively, for the various departments, institutions, offices, and agencies of the Metropolitan Government, and for meeting the payments of principal and interest on the Metropolitan Government debt maturing during the fiscal year beginning July 1, 2022 and ending June 30, 2023 (hereinafter referred to as Fiscal Year 2023 and FY2023).

The informational summary sheets immediately following are summaries of the detailed estimated revenue sources and budget appropriations by funds for purposes and in amounts numerically itemized by departmental accounts in subsequent schedules of Section I and Section II.

In order to facilitate proper grant accounting, the Director of Finance is hereby authorized to transfer grant-related appropriations and estimated revenues from the general funds to existing or new grant-related special revenue funds at her discretion.

For the purpose of maintaining authorized position counts in Metro's enterprise business system, the Director of Finance is hereby authorized to adjust budgeted positions and full-time equivalents of the various departments and agencies of the Metropolitan Government so as not to exceed authorized budget allocations established in this ordinance.

The Director of Finance is hereby authorized to transfer funds as necessary to implement the Guaranteed Payment Plan program previously approved by the Metropolitan Council.

Pursuant to RS2021-794, the Director of Finance is hereby authorized to transfer funds and positions as necessary to implement the Memorandum of Understanding between the Department of Water and Sewerage Services and the Department of Public Works. For the purposes of the continued provisioning of services for the collection and disposal of solid waste as contemplated in Metropolitan Charter § 8.402, the Director of Finance is further authorized to allocate and transfer funds and positions as necessary as a result of any amendment to the Metropolitan Charter or action of the Council by resolution or ordinance concerning or impacting the provision of such services.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2023 any unencumbered and unexpended funds at June 30, 2022 for General Government Administration, Employee Benefits and Contingency, Economic Development, and Community Support.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2023 any unencumbered and unexpended funds at June 30, 2022 for appropriations made from benefit trust fund accounts.

The Director of Finance is hereby authorized to adjust the interest earnings of each account in the Metro Investment Pool to recover a pro-rata share of the costs of the Treasurer's investment and cash management programs.

For the purpose of providing funds in anticipation of various grant and other revenues, the Director of Finance is hereby authorized to enter into interfund loans between funds of the Metropolitan Government and between the Metropolitan Government and related but separate legal entities that are included in the Metropolitan Government's reporting entity, as may be permitted under the laws of the State of Tennessee.

Nashville General Hospital (NGH) serves as a safety net facility for the provision of acute medical care services to residents of Davidson County, Tennessee. NGH requires additional resources to provide health care services to the indigent, uninsured and Medicaid/TennCare patients in Davidson County; otherwise such services would be unavailable. An appropriation of \$52,038,000 is to be provided to the Hospital Authority, all of which is provided as part of this Fiscal Year 2023 operating budget with the following appropriation established for safety net expansion purposes: \$6,500,000. This safety net expansion appropriation shall be in the form of an intergovernmental transfer to the State of Tennessee as a match to secure federal funding. Such federal funding requires the approval of the Centers for Medicare and Medicaid Services (CMS). If CMS fails to approve the \$6,500,000 as a federal funding match, then the \$6,500,000 appropriation will be paid directly to the Hospital Authority. The Mayor is authorized to execute any and all documents necessary to complete the above-referenced transaction with the Federal and State governments.

As an express condition of the receipt of the Hospital Authority appropriation set forth herein, monthly, within 5 days of Hospital Authority Board review, the Hospital Authority shall provide electronic copies of the following:

- (a) the most recent month end budget to actual income statement;
- (b) the most recent cash flow statement showing each actual month beginning July 1, 2022 and showing each projected month through June 30, 2023;
- (c) the most recent month's balance sheet;
- (d) the most recent bank statements or other documentation from all Hospital Authority banks showing detailed deposit and withdrawal transactions;
- (e) aging reports with explanations for any amounts in dispute for accounts receivable, accounts payable and any recorded or unrecorded liabilities not included in accounts payable, including a comprehensive summary of each unpaid amount billed by Meharry Medical College;
- (f) the previous month's copies of the balance sheet;
- (g) the monthly actual and projected cash flow;
- (h) patient outcome documentation;
- (i) co-pays and deductibles collected at time of service upon intake; and
- (j) Nashville General Hospital department audits.

These records shall be submitted to the following:

- a. the Metropolitan Director of Finance;
- b. the Vice Mayor of the Metropolitan Council; and
- c. each member of the Metropolitan Council.

In the event adjustments are needed for internal service fund budgets by the Metro Council, the Director of Finance is authorized to adjust the affected operating budgets of internal service funds, special revenue funds, enterprise funds, and departmental operating budget accounts. The Director of Finance is authorized to adjust internal service fund budgets for purposes of incorporating pay plan adjustments as authorized by the Metro Council.

Within 5 business days of the closure of the ledger for each month, the Metropolitan Nashville Public Schools (MNPS) shall provide the following for the MNPS General Fund and special revenue funds and internal service funds managed by MNPS listed in Section 1, Schedule D of this ordinance:

- (a) the most recent month end budget to actual expense activity with monthly projections through June 30, 2023;
- (b) the most recent month end budget to actual revenue activity with monthly projections through June 30, 2023 for revenue accounts projected by MNPS;
- (c) the most recent cash flow statement showing each actual month beginning July 1, 2022 and showing each projected month through June 30, 2023;
- (d) any reported programmatic or funding changes in Basic Education Program;
- (e) any audit findings or legal determinations that could have a material impact on financial resources;
- (f) summary by grant of the amounts billed but not yet received;
- (g) summary by grant of the amounts expended but not yet billed to grantors; and
- (h) a report on the status of revenue allocations and expenditure status of any local, state, or federal funds made available to the MNPS for COVID-19 relief.

These records shall be submitted to the following:

- a. the Metropolitan Director of Finance;
- b. the Mayor's Office;
- c. the Vice Mayor of the Metropolitan Council; and
- d. each member of the Metropolitan Council.

For purposes of expediting disaster recovery efforts during the fiscal year, the Director of Finance is hereby authorized to expend funds up to \$5,000,000, per event. The Director of Finance will notify the Metropolitan Council when such emergency expenditures have been triggered. At such a time that the Finance Director has sufficient information available to provide an estimated financial need and has identified funding sources, a resolution shall be filed with the Metropolitan Council to appropriate these funds. In situations where reimbursement of certain expenses is expected from Federal Emergency Management Agency (FEMA) via grant funding from the Tennessee Emergency Management Agency (TEMA) funds, insurance proceeds and/or other identified funding sources, such reimbursements from federal and/or state grants shall be submitted to the Metropolitan Council for approval at the time the funds are awarded.

The Director of Finance is hereby authorized to carry forward and allocate remaining funds at June 30, 2022 and funds received during FY 2023 from Hotel Occupancy Tax Funds (30047 Hotel Occupancy 2007 1% Secondary TDZ Fund) enacted pursuant to Ordinance BL2010-727, as amended by BL2017-589, for the purpose of reimbursing expenses related to flood mitigation and the repair and renovation of the Grand Ole Opry House due to damages directly caused by the May 2010 flood.

The Director of Finance is hereby authorized to increase the allocation for the tourist promotion budget from Hotel Motel Occupancy Tax Funds (30044 Hotel Tourist Promotion) for the purpose of recognizing any revenue received in excess of budgeted revenues to support the direct promotion of tourism in accordance with TCA Title 7, Chapter 4.

For the purpose of obtaining adequate funds for its continued operation while awaiting the receipt of funds from federal grants, MTA is hereby authorized to borrow funds in a principal amount not to exceed \$20 million dollars at a rate of interest and such other terms to be determined at the discretion of MTA in accordance with its policies and procedures, (the evidence of such borrowing referred to as the "Note"). The Note shall mature not later than June 30, 2023. The principal of and interest on the amount of the Note may be secured by the pledge of the MTA's business assets, including accounts, accounts receivable, contract rights, inventory, furniture, fixtures, equipment, general intangibles, and personal property of all and every kind, wherever located and whether now existing or hereinafter acquired. MTA may take such other steps as are necessary to effectuate the Note and the purposes of this Resolution. The debt secured by the Note shall not pledge the credit of the Metropolitan Government of Nashville and Davidson County and shall be "without recourse" such that the Metropolitan Government of Nashville and Davidson County is not obligated with respect to the debt or the Note.

Internal Service Funds

Internal service funds are used by Metro Government to identify and account for costs incurred by one department in order to provide goods and services to other departments and agencies. For FY23, the Internal Service Funds that recover their budget through billings to departments will be Information Technology Services, which includes radio billings and General Services which includes Fleet Management and Surplus Property. The services provided by these funds will be funded by the General Fund. Below is a brief description of the services provided by each fund:

- Information Technology Service (ITS) – Infrastructure and support functions related to applications, voice and data connectivity and security, mail and access management, file storage, servers, technical help desk, data center operations, some radio communication services, and personal computing devices.
- Fleet Management (Fleet) – Fleet management, fuel services, and maintenance.
- Surplus Property – Handling and disposition of surplus property.

Below are two schedules that show the details of the FY23 billings and the FY23-FY22 budget change broken down by Internal Service Fund. Once the Budget Ordinance is adopted, the FY23-FY22 change for each internal service fee will be allocated to departmental budgets.

Internal Service Allocation Methods

To help explain how the remaining internal service charges are calculated the following schedules outline how the costs are allocated for each of the internal service funds. Included are the list of activities in each department; the basis on which the costs of each activity are allocated; the total number of allocation units; the total cost to departments; the resulting cost per unit, where applicable; and a brief narrative example of how the allocation works. All schedules are based on the FY23 Budget.

Budget Changes and Impact Highlights

Recommendation			Impact
Historic Archaeologist			
Salary and Fringe Funding	GSD	\$87,800 1.00 FTE	By adding an archaeologist position, it will provide better comprehensive assessments when it comes to archaeology-related historical resources. As a result of the addition, Historical Commission will become a better candidate for future archaeology related grants.
Historic Preservationist 1			
Salary and Fringe Funding	GSD	51,000 0.50 FTE	Increasing the current Historic Preservationist 1 from .5 FTE to 1 FTE, will allow the Historic Zoning Program to become more efficient by improving its services and reduce the backlog requests.
Office Cleaning Services			
Funding for Weekly Office Cleaning Services	GSD	25,000	By providing additional funding for weekly office cleaning services, it will allow staff to be able to fully focus their attention on their dedicated jobs.
Training			
Continued Education for Staff and Commissioners	GSD	5,100	Additional funding for continuing education will provide training for staff and/or commissioners. This funding allows priority status when applying to federal preservation grants and the opportunity to comment on Section 106 projects.
Special Purpose Fund Adjustment			
Grant Fund	SPF	(29,000)	To adjust budget for grants. This reflects a timing difference in grant accounting.

Budget Changes and Impact Highlights

Recommendation			Impact
Motor Vehicle			
Salary and Benefits	GSD	\$249,500 4.00 FTEs	Customer wait times have increased with increased demand for motor vehicle title and registration services at the main office and satellite branches. This funding will help to decrease that wait time and help to reduce workload as a result of mandated transactions shifting from State to County.
Self-Service Kiosk			
Advertising and Promoting	GSD	20,000	Self-service registration renewal kiosks give customers more renewal options and increased hours of operation. While the kiosks are conveniently located across Davidson County, they are under-utilized due to a lack of awareness. This funding will allow for advertising hours, locations and providing a quick tutorial on how to use and would encourage more residents to move toward this self-service technology and reduce customer wait times at the main office and satellite branches.
Postage Non-Recurring			
Additional Postage and Delivery	GSD	286,500	Additional one-time funding for the increased cost of distributing the new License Plates required by the State of Tennessee.
Equipment Lease			
New Postage Equipment	GSD	12,500	To ensure increased productivity and efficiency by reducing the amount of time staff members spend on bulk mailings.

Budget Changes and Impact Highlights

Recommendation			Impact
Internal Auditor 1			
Salary and Benefits	GSD	\$150,100 2.00 FTEs	To provide funding for two additional Internal Auditor 1 positions. This increase will allow the Office of Internal Audit more audit coverage to provide assurance that government services are being delivered, effectively, equitably, and efficiently.
Personnel Development			
Travel for Training and Seminars	GSD	6,000	The Metro Charter requires audits to be performed in accordance with Yellow Book Standards. This requires sufficient knowledge in the subjects being audited. This funding will allow staff to attend relevant and quality trainings while staying in compliance with the Metro Charter.
Building Lease Agreement			
Contractual Increase	GSD	15,300	Contractual increase for the leased office space.

49 Office of Emergency Management - At a Glance

Mission	The Nashville Office of Emergency Management is the City/County emergency management agency. We are the primary agency for disaster mitigation, preparedness, response, and recovery effort. We coordinate resources and incidents and assist other departments in day-to-day events, and during emergency or disaster time. In short, Nashville OEM is similar to FEMA, but a local agency, which is extremely beneficial to the community since all disasters happen locally.

Budget Changes and Impact Highlights

Recommendation			Impact
Special Masters to hear Orders of Protection in Domestic Courts			
Salary and Benefits	GSD	\$230,800 2.00 FTEs	Order of Protection requests must be handled without delay for the safety of persons in potentially dangerous domestic situations. This investment will ensure the Trial Courts can continue to resolve Order of Protection requests in a timely manner.
Additional Bilingual Court Interpreter			
Salary and Benefits	GSD	80,700 1.00 FTE	Federal and State statutes require that court interpreters be provided upon request. As demand increases, this funding will eliminate language barriers in the courtroom and help avoid delays in court proceedings.
Additional Bond & DUI Monitor			
Salary and Benefits	GSD	68,700 1.00 FTE	As an additional public safety measure, the Trial Courts have increased monitoring of persons accused of major felonies who are out on bond awaiting trial.
Grant and Special Fund Adjustments			
Operating Expenses	SPF	16,700	To adjust grant and special revenue funded programs, with minimal impact on performance.

Budget Changes and Impact Highlights

Recommendation			Impact
Food Services Contract			
Operating Expenses	GSD	\$72,100	To provide funding for the food service annual contract increase.
Security for Juvenile Court			
Juvenile Courthouse Security	GSD	44,500	Juvenile Court needs one additional contracted armed security guard to securely admit attorneys and partner agency staff through the employee side entrance. Facility security staffing managed by DCSO.
Armed Security Restructuring and Enhancement			
Additional Security Staff	GSD	1,867,000 39.00 FTEs	To address vendor staffing issues, armed security is being partially restructured by adding Metro staff and bringing part of the function in-house. This change will help support vendor-based staffing metro wide and enhance staffing at the Birch Building and Night Courts.

Budget Changes and Impact Highlights

Recommendation			Impact
9th Precinct			
Addition of 46 sworn positions and related uniform allowance	GSD	\$4,596,600 46.00 FTEs	This is the second of three incremental additions to bring the 9 th Precinct up to a full complement of 134 sworn positions by 2024. This allows MNPDP to build the 9 th Precinct without having to pull resources from other Precincts.
Body-Worn Cameras			
Addition of technical staff, sworn officers, software, and equipment	GSD	1,295,600 9.00 FTEs	Additional staff will increase capability to manage the administrative workload needed to provide timely processing of Body-Worn Camera recordings.
Behavioral Health			
Addition of one Police Crisis Counselor; increase in rent and operating expenses expanded caseloads	GSD	198,200 1.00 FTE	Addition of crisis counselor with Behavioral Health to provide more effective and timely caseload management for employees and their families. Anticipate additional space requirements as a result of the addition.
Crime Prevention & Analysis			
Addition of civilian FTEs as Professional Specialists to be experts on tactical, administrative, and strategic crime analysis	GSD	719,200 8.00 FTEs	These analysts will assist the department in identifying areas of focus using GIS processes to predict crime trends with the goal of crime reduction to improve the quality of life for all of Nashville's varying communities and ensure equitable dispersal of MNPDP's resources.
Compensation Equity			
Funding an adjustment to sworn officers' pay status	GSD	54,100	This reclassification is intended to provide better employee satisfaction and improve retention.
Technology			
Addition of technical advisor, equipment, and software to provide support for mobile applications.	GSD	948,800 1.00 FTE	To reduce time that vehicles are out of service for video installation or repair and to increase in-house capability to maintain MNPDP servers and software.
Property & Evidence			
Additional staff for the Property Room	GSD	219,500 3.00 FTEs	To decrease backlog by 25% and time that it takes for evidence to be processed.
Outreach			
Support for Grill Guardian Program	GSD	25,000	The Grill Guardian Program will continue to host neighborhood events and support other units in the department's efforts to enhance community outreach.
Rent, Supplies, & Asset Replacement			
Annual costs related to T7 Taser Certification Program; K9 & equestrian replacement and supplies; and increased ammunition costs	GSD	937,900	The T7 Taser Certification Program will provide a solution that will offer increased opportunity and training on De-Escalation Techniques. Will also provide for purchase of dogs for the K9 unit and cover costs related to K9s and mounted units.

Budget Changes and Impact Highlights

Recommendation			Impact
Uniform Allowance			
Funding for uniform allowance for the 47 sworn FTEs approved for FY22	GSD	23,500	Due to the unpredictability of policing, officers' uniforms inevitably suffer extreme wear and tear or damage. Providing funding for uniform allowance allows officers to replace uniforms as needed without having to come out of pocket. This also allows officers to maintain a professional appearance.
Non-allocated Financial Transactions			
Internal Service Charges*	SPF	3,800	Delivery of centrally provided services including information systems, fleet management, radio, and surplus property
Grant & Special Revenue Adjustment			
Various Expenses	SPF	(1,362,200)	To adjust grant and special revenue funded programs, with significant changes in DNA CEBR (Capacity Enhancement for Backlog Reduction), State Drug Enforcement, State Gambling Forfeiture, and COVID-19 2020 Emergency Supplement.
Supplemental Appropriation			
Non-recurring Expense	GSD	(3,150,000)	Adjustment for one-time FY22 Taser expense.
General Services District Total		\$5,868,400 68.00 FTEs	
Special Purpose Funds Total		(\$1,358,400)	
TOTAL		\$4,510,000 68.00 FTEs

47 Criminal Justice Planning - At a Glance

Mission The mission of Criminal Justice Planning is to provide system-wide criminal justice data and reporting products to various criminal justice departments and policymakers. The data provided assists them in making informed decisions in developing management strategies for the Davidson County criminal justice systems. Also, by arranging regular meetings with various criminal justice agencies as well as the executive offices of Metropolitan Government, Criminal Justice Planning provides a platform for open communication between these individuals.

Budget Changes and Impact Highlights

Recommendation			Impact
Staffing Modifications			
Establish Finance Manager Position	GSD	\$31,300	Changing the current classification to Finance Manager will enable Family Safety to recruit candidates with the skills and certifications needed to manage their highly complex and diverse funding and expense streams.
Pay Equity Adjustment	GSD	74,600	The class change to Finance Manager position will create pay inequity for OFS' leadership level positions. OFS has an outstanding leadership team that work at an executive level commiserate with the pay level of the aforementioned Financial Manager position.
Grant Programs Administrator	GSD	84,000 1.00 FTE	Grants constitute 52% of OFS' annual budget. This position will provide consistent monitoring and compliance for existing grants plus lead the efforts to research and apply for new grants.
Community-Based Crisis Advocate	GSD	69,300 1.00 FTE	Improving access of services to underserved and marginalized communities will ensure one-on-one immediate crisis assistance is accessible in a trauma-responsive, timely, and efficient manner. The plan is to locate this position in North Nashville in community centers, libraries, and/or partner non-profits.
Community-Based Crisis Advocate Bilingual - Spanish	GSD	69,300 1.00 FTE	Improving access of services to underserved and marginalized communities will ensure one-on-one immediate crisis assistance is accessible in a trauma-responsive, timely, and efficient manner. This position would be a native Spanish-speaking community-based advocate.
Community Outreach			
Funding for Nationally-Affiliated Survivor Committee	GSD	15,000	All certified family justice centers are required to have a survivor committee to ensure that survivor perspectives can inform and improve service provisions offered by Nashville's certified family justice centers.
Grant & Special Revenue Adjustment			
Adjustments to Improving Criminal Justices Response Grant & Enhancing Language Access Grant	SPF	(264,500)	To adjust Grant-funded programs that are due to expire on September 30 th 2022.

Budget Changes and Impact Highlights

Recommendation			Impact
Partners in Care (PIC)			
Epidemiologist 1	GSD	\$102,400 1.00 FTE	By expanding Partners in Care to an additional two precincts, there is a need for an Epidemiologist. With the added position, it will allow for collection of data and an overall analysis for evaluation of the program.
Behavioral Health Crisis Response Initiative	GSD	1,124,000	Expanding Partners in Care funding will provide immediate professional clinician services to individuals who are experiencing a mental health crisis. This will reduce the number of arrests for individuals who need mental health care. Expansion of pilot at North and Hermitage precincts to Central and South precincts.
Non-Law Enforcement Model	GSD	354,600 2.00 FTEs	With the addition of two Epidemiologists and funding to focus on Partners in Care, it will allow accurate measurement to take place to determine the impact and effectiveness of the PIC non-law enforcement model.
Epidemiologist			
Salary and Fringe Funding	GSD	109,600 1.00 FTE	By adding an additional Epidemiologist, it will allow the Health Department to focus on the overdose and substance abuse of the opioid crisis happening in Davidson County.
Woodbine Public Health Clinic			
Salary and Fringe Funding	GSD	145,900 2.0 FTEs	With the addition of a Public Health Nurse and an Interpreter at Woodbine Health Clinic, it will help reduce the patient wait time. By having an interpreter on staff, it will help prevent miscommunication, which will make the patient process faster.
Animal Care and Control			
Salary and Fringe Funding	GSD	341,300 6.00 FTEs	With the addition of six added Animal Care and Control positions (3 Animal Control Officers and 3 Kennel Assistants), it will allow the department to meet the current demand. This change will result in reduced response time and staffing to meet the current shelter needs.
Violence Interruption Pilot			
Salary and Fringe Funding	GSD	102,400 1.00 FTE	The addition of a Health Manager position will work closely with external organizations to provide training and evaluation for the Violence Interruption Pilot program. The pilot program is set to take place over the course of two years.
Sexual Health Clinic			
Salary and Fringe Funding	GSD	60,600 1.00 FTE	By adding an Office Support Specialist for the Sexual Health Clinic, it will provide a smoother process for patient flow. This addition will help manage the clerical area and paper chart system.

Budget Changes and Impact Highlights

Recommendation			Impact
Public Health Licensed Practical Nurse (LPN)			
Salary and Fringe Funding	GSD	121,100 2.00 FTEs	With two additional Public Health LPNs, it will help alleviate work on the increasingly high clinic volume. By adding these positions, it will help reduce overtime hours.
Public Health Administrator			
Salary and Fringe Funding	GSD	122,900 1.00 FTE	This position will work in coordination with the Mayor's Office. By adding a Public Health Administrator position, it will allow professional advice to be given regarding Nashville's healthcare system.
Food and Public Facilities			
Salary and Fringe Funding	GSD	194,200 3.00 FTEs	By adding three additional Environmental Health Specialist to the Division of Food and Public Facilities, it will allow the Division to keep up with the increase of number of inspections. It will help reduce the wait time for an inspection to occur.
Air Pollution Division			
Salary and Fringe Funding	GSD	207,500 2.00 FTEs	By adding funding to the Air Pollution Division, it will help keep up with inflation equipment costs. Adding two Environmental Health Specialist, will help maintain staffing levels and continue to meet all federal, state, and local responsibilities.
Increase Cost of Supplies & Goods			
Additional Funding	GSD	200,300	Additional funding for increase cost on supplies, due to inflation. Funding will help cover various supplies (vaccines, liability insurance, printing, janitorial, medical, and cleaning supplies).
Pay Equity Study			
Funding to Complete Study	GSD	35,000	One time funding for pay equity study, which is requested from the Board of Health. Conducting this study will allow an analysis of factors to take place to ensure pay matches education, experience, tenure, training, and performance.
Vehicle Emissions			
Adjustment to Vehicle Emissions	GSD	(289,000) (4.00 FTEs)	As of February 5, 2022, vehicle emissions testing is no longer required for Davidson County residents who are titling, registering, or renewing an existing vehicle registration.
Special Purpose Fund			
Special Purpose Funds	SPF	267,700 1.00 FTE	Alignment of projected expenses with forecasted revenue for special purpose funds. Additional Program Specialist to serve the Benefit Board.

Budget Changes and Impact Highlights

Recommendation			Impact
disABILITIES Expansion			
Salary and Fringe Funding	GSD	\$275,800 4.88 FTEs	By providing 4.88 additional FTEs and funding, it allows the disABILITIES program to further expand throughout the city. It provides adults with disabilities to have the same access to programs that they are otherwise limited to without this opportunity.
Greenway Park Police – Patrol Bike Unit			
Salary, Fringe, and Supplies Funding	GSD	1,063,000 14.00 FTEs	By adding fourteen positions (12 Park Police Officers and 2 Sergeants) and funding, it will allow a bike unit to be created that is fully dedicated to the Greenways patrol. As a result, this will provide a safer place for the community.
Staff for Greenway & Open Space Division			
Salary and Fringe Funding	GSD	549,600 5.00 FTEs	Adding five planning positions to Greenways and the Open Space Division will allow staff to be at a capacity where they can provide the work that is needed. These positions will manage GIS mapping, data collection, and monitor performance management.
Antioch Community Center			
Teen Program Staff – Salary and Fringe Funding	GSD	130,500 2.00 FTEs	With the addition of two Recreation Leader – Seniors, at the Antioch Community Center, it allows for further expansion of teen programs. It will also provide transportation needs to teens attending the programs.
Area Staff – Salary and Fringe Funding	GSD	60,600 1.00 FTE	By adding a Recreation Leader, it will allow the Antioch location to meet the current community demand of outdoor sports.
Napier Aquatics Staff			
Salary and Fringe Funding	GSD	235,600 3.50 FTEs	With the addition of 3.50 FTEs for aquatics staff (1 Special Programs Coordinator and 2.5 Recreation Leaders), it will allow the Napier Community Center Pool to be open year-round.
Mill Ridge & Ravenwood Parks			
Grounds Mowing Services and Supplies	GSD	270,700 6.00 FTEs	Partial year funding for the opening of Mill Ridge & Ravenwood Parks, there is a need for Maintenance & Repair Workers. Adding six positions, along with additional funding, allows Parks to maintain their sites with weekly mowing services and adjust to inflation costs.
Irrigation and Landscaping Services	GSD	56,800 2.00 FTEs	Partial year funding for the opening Mill Ridge & Ravenwood Parks, there is a need for irrigation and landscaping maintenance. By adding two Maintenance & Repair Workers, it allows parks to maintain their landscaping services, which includes the newly added parks.

Budget Changes and Impact Highlights

Recommendation			Impact
Maintenance Facility Repairs			
Positions and Supplies	GSD	418,000 2.00 FTEs	Adding two maintenance worker positions (1 Building Maintenance Lead Mechanic and 1 Plumber), it allows parks to keep up with repairs on aging facilities. Additional funding will be used to cover inflation costs on goods and services needed to help maintain the parks.
Percy Warner Golf Course Assistant Manager			
Salary and Fringe Funding	GSD	69,300 1.00 FTE	Currently, Percy Warner Golf Course does not have enough staff to meet operating hours. The addition of an Assistant Manager will ensure adequate staffing is available to meet operating hours.
Planning Division Staff			
Salary and Fringe Funding	GSD	427,000 4.00 FTEs	By adding four positions to the Planning Division (1 Assistant Director, 1 Planner, & 2 Technical Specialist), it allows for more efficient work to be done on capital projects.
Human Resource Expansion			
Salary and Fringe Funding	GSD	105,600 1.00 FTE	Adding a Human Resource Assistant position and funding, will allow the expansion of Parks' Human Resource department and safety needs to be addressed.
Maintenance & Repair Worker (M&R)			
Salary Adjustment	GSD	173,700	Salary adjustment will allow Parks to hire and adjust salary for M&R Worker at a minimum base pay of step 3. This will allow the M&R worker position to be comparable in salary to other position starting pays.
Additional Funding for FY22 positions			
Salary & Fringe Funding	GSD	652,400	Funding will provide the remaining funds needed for positions that were only funded half year in FY22.
Facility Operating Costs			
Vegetation Control	GSD	138,500	By adding additional funding, it will allow Parks to ensure they are purchasing the supplies needed to maintain their golf courses. It will provide Parks with the ability to purchase more environmentally friendly sustainable products.
Water – Utility Adjustment	GSD	130,000	With the shift of McCabe Golf Course originally on Richland Creek and now on Metro Water, it has caused an increase in water expense. The additional funding will provide Parks with the funds needed to cover the utility increase.
Pool Chemicals	GSD	50,000	One requirement for providing services to the community is adhering to the Health Department's standards. This funding will provide the necessary pool chemicals needed to ensure the water chemistry balance is where it is supposed to be.

Budget Changes and Impact Highlights

Recommendation		Impact	
Parthenon Security Services			
Contract Renewal Increase	GSD	19,000	As inflation costs have gone up, Metro has seen an increase on their security services contract. By providing additional funding, it will allow the Parthenon to have continued security services.
Special Purpose Funds Adjustment			
Special Purpose Funds	SPF	(\$510,600)	To adjust budget for grants and special purpose funds. This reflects a timing difference in grant accounting with no impact on performance.
General Services District Total		\$4,826,100 46.38 FTEs

Budget Changes and Impact Highlights

Recommendation			Impact
Equity and Restorative Practices Coordinator			
Salary and Fringe Funding	GSD	\$40,500 0.52 FTE	Funding to support the FTE increase of .48 to 1 FTE for Equity and Restorative Practices Coordinator. Increasing to a full-time position will allow further support of operations, and development of Equity programs.
Equity Related Programs			
Program Funds	GSD	25,000	By providing additional funding for Equity related programs, it will allow the programs to reach their target metric goals of both number of participants and program hours.
Cultural Institutions Investment			
Increase funding for Arts Grants	GSD	574,800	Increase of funding supports grants throughout Nashville arts nonprofits. This increase will support all metrics and ensure survival of arts and cultural nonprofits in Nashville continue.
Neighborhood Arts Investment			
Additional THRIVE funds	GSD	75,000	Additional funding investment allows for the expansion of THRIVE neighborhood arts programming to take place. It will expand direct arts programming in neighborhoods; creating a professional development generator fund.
Special Purpose Fund Adjustment			
Grant Fund	SPF	(287,400)	To adjust budget for grants. This reflects a timing difference in grant accounting.
General Services District Total		\$715,300 0.52 FTE	
Special Purpose Funds Total		(\$287,400)

Overview

Located in the heart of downtown sits the award-winning Music City Center, offering personalized customer service and easy accessibility. The 2.1 million square foot building sits just south of Broadway between 5th Avenue and 8th Avenue and features over 350,000 square feet of exhibit hall space with 32 loading docks to provide easy access for convention planners. The LEED Gold certified facility includes the 57,500 square foot Karl F. Dean Grand Ballroom, the largest grand ballroom in the state, along with the 18,000 square foot Davidson Ballroom. It also offers 90,000 square feet of meeting space, over 100 pieces of public art and a three-level parking garage with the capacity to hold 1,800 cars. At its tallest point, the building is 150 feet high and overlooks the Country Music Hall of Fame and Bridgestone Arena.

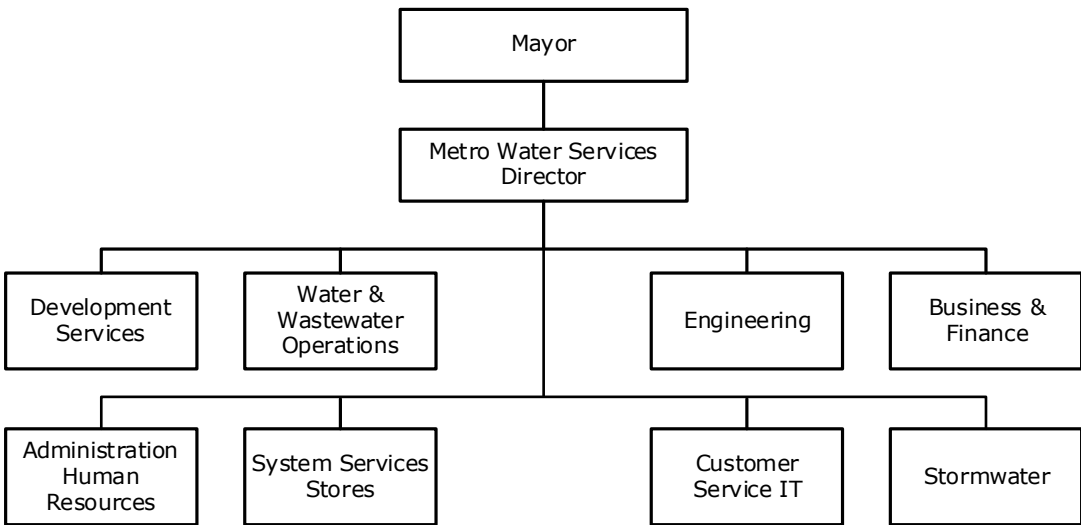

Music City Center embraces the local community as it attracts meetings and conventions to Nashville. During the first four years of operation, it saw record attendance, tourist traffic, tax revenue and hotel occupancy and since opening in May 2013, has generated over \$2.05 billion in direct economic impact. With the ability to compete for about 75-80 percent of nation's convention market, Music City Center can ensure ongoing success as it continues to attract business and convention travelers to Nashville.

Since its inception as City Hospital in 1890, Nashville General Hospital (NGH) has been a stalwart advocate for the citizens of Nashville and Davidson County. Initially opened to serve desperately ill patients or those who could not care for themselves, NGH has grown into a multi-service, technologically-advanced facility that provides emergency services and acute care as well as ancillary and ambulatory services.

In 1998, the hospital was relocated to the campus of Meharry Medical College. Today, NGH is Joint Commission accredited and is the principal teaching hospital for Meharry clinical training. Meharry's students encounter a broad range of medical-surgical experiences and are involved in community outreach and screening programs designed to foster early detection, improved health, and better understanding of general health related issues among the most underserved residents of Metropolitan Nashville and Davidson County.

With annual emergency room visits exceeding 30,000, and inpatient admissions greater than 2,400, NGH is an engaged and trusted community partner dedicated to better health and wellness for all segments of the community.

80 Metro Nashville Public Schools - At a Glance

Organizational Structure

Metro Nashville Public Schools is the second largest school district in Tennessee and the 45th largest school district in the nation, preparing more than 80,000 students to excel in higher education, work, and life. The district is an important economic engine of Nashville and Davidson County, as the region’s second largest employer. The district operates 159 schools across a 520-square mile service area. The governing body for Metro Schools is the Metropolitan Nashville Board of Public Education, a nine-member elected body.

OFFICE OF THE DIRECTOR AND CHIEF OF STAFF

The Board of Education hires a Director of Schools (known as a superintendent in other areas of the United States). The Director leads and is accountable for the district’s overall strategic direction, operations, teaching and learning programs and outcomes. The Director oversees the executive leadership team in service of the district’s strategic priorities. Also included in the Director’s Office is the Chief of Staff, who leverages the district’s resources to enact the director’s strategic vision to improve student achievement.

Additionally, the Chief of Staff oversees Government Relations; Diversity, Equity and Inclusion team; School Options; Board Relations; Family Information Center; Policy, Planning, and Project Management of the Director’s Initiatives; and Communications and Community Engagement. Communications and Community Engagement establishes and implements a variety of communication, public and parent engagement, and multi-media strategies to apprise MNPS stakeholders about day-to-day events and strategic priorities. Additionally, this department works to mitigate and resolve parent and community concerns.

DIVISION OF FINANCE, FACILITIES, & OPERATIONS

The Chief Operating Officer oversees the Facility Planning and Construction, Facility and Grounds Maintenance, and Facility Services. The Facilities Department plans and manages all aspects of capital planning, construction management, and building and grounds maintenance. Operations includes the district’s Transportation, Student Nutrition, Student Assignment and Technology & Information Services departments to promote smooth school operations by helping students arrive at school safely and on time, offering students nutritious meals, providing families school choices, and building a technology infrastructure and data warehouse to assist instruction. The Chief Financial Officer manages the efficient delivery of the district’s business practices, budget, and fiscal resources to support the smooth running of the district, its facilities, and its schools to support student achievement.

DIVISION OF HUMAN RESOURCES

Led by the Chief Human Resources Officer and General Counsel, this division leads, manages, and supports the recruitment, hiring, retention, and development of district employees; the project management for strategic HR initiatives, partnerships, and projects; and the administration of employee compensation, employee benefits, payroll, employee relations and workplace safety. Organizational development, HR operations, and talent strategy are offices within Human Resources. Metro Schools employs certificated teachers, principals, and principal supervisors; paraprofessionals; support personnel; bus drivers; maintenance and security personnel; and food service workers, among others. The General Counsel oversees the legal strategy for the district.

DIVISIONS OF ACADEMICS, SCHOOLS, SCHOOL IMPROVEMENT, STRATEGY & STUDENT SUPPORT

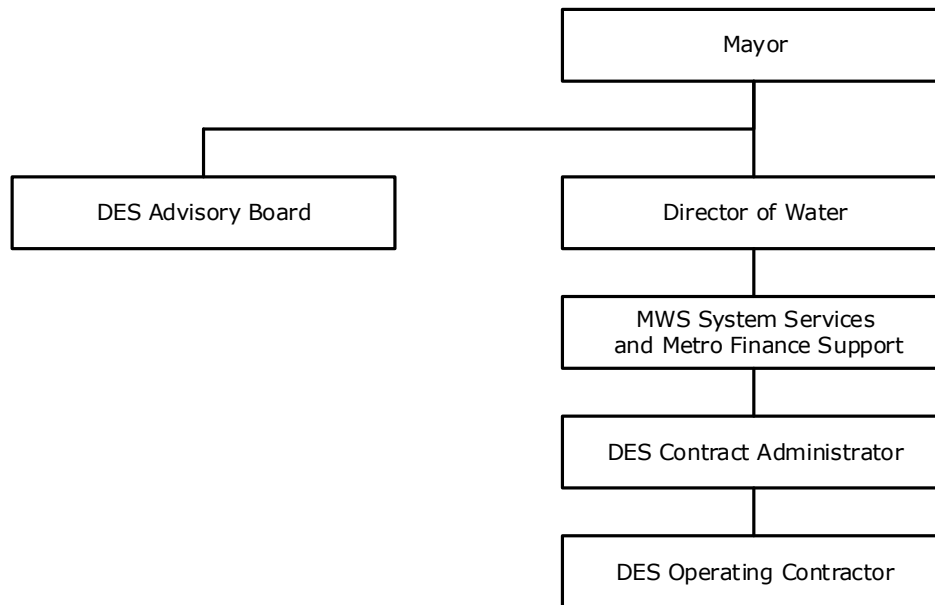

Overseen by the Chiefs of Academics and Schools, Innovation, Strategy, and Student Support Services, these divisions are responsible for the leadership, support, supervision, and evaluation of district schools. The Chief of Academics and Schools guides the Departments of Schools; Curriculum and Instruction; Exceptional Education; Athletics; Advanced Academics; and Pre-Kindergarten. This Division is responsible for the strategic project management and leadership of the district's instruction, curriculum, academic professional development, and academic programs along with strategically guiding assessment practices as well as the Research, Evaluation, and Assessment Office. Research, Assessment, and Evaluation oversees assessment scheduling, administration, and reporting, as well as district data collection and administration and a variety of research and evaluation priorities. Executive Directors provide day-to-day school support and oversight. The Department of School Improvement oversees the district's priority schools, charter schools, and magnet schools' assistance program. The School of Innovation is responsible for hiring school leaders, teachers, and staff with turnaround expertise to focus their work on a set of priority schools included in an Innovation Zone because they are engaged in intentional and substantial interventions to reverse their persistent low achievement. The Chief of Strategy oversees the district's federal and philanthropic funding to enact the district's strategic initiatives. The Student Support Services Department aligns resources including Community Achieves staff, social workers, behavior analysts, social and emotional learning staff, counseling, and attendance staff to provide services to students, schools and the community. The department also handles student health, student discipline, and numerous programs and initiatives in conjunction with community organizations and partners.

These accounts are administered by the Department of Finance and have no separate organization chart.

Important Note about the Budget: This Administrative department is made up of a group of various-purpose accounts that do not fall into other agencies' budgets. Revenues in this department include all general fund revenues not associated with other agencies, and are not directly related to the budgeted expenditures in this department. Because of this, the financial schedules presented in this section lists individual business units and expenditure information, rather than a summary of revenues and expenditures.

Budget Highlights FY 2022

The recommended budget services outstanding debt issues. Currently, Metro has approximately \$1,796,110,686 in un-issued general obligation bonds authorized for capital spending plans in Fiscal Years 2010 through 2022.

Overview

Debt Financing: Periodically, Metro borrows money to provide long-term financing for capital improvement projects that are included in the Capital Spending Plan by issuing (or selling) bonds and notes, which are written promises to repay the debt at certain times and with certain interest to bondholders/investors. The specific improvements to be financed are listed in the legislation that authorizes the debt. The proceeds from the sale of the debt are used to pay off commercial paper that provides short-term financing for those improvements.

Debt service is the process of repaying those bonds and notes, and their interest, over time to bondholders/investors. A portion of the principal is repaid each year between issuance and maturity. The maturity dates of bonds approximately matches the lives of the projects they fund. It is Metro policy to refrain from having to make balloon payments at any one time.

Metro does not issue long-term debt to finance operating expenditures or deficits.

Types of debt: Debt generally falls into the following categories:

- General obligation (GO) debt is payable from taxes, and is backed by the full faith, credit, and taxing power of the government. There is no legal limit to Metro's use of general obligation debt, although issuance requires passage of a Council resolution. Only general obligation debt is repaid from the three debt service funds (25104, 20115, and 28315).
- Revenue debt is often used to finance projects that will generate revenue. Part of the revenue generated by a project is used to service the debt on the project. It is accounted for through the enterprise or internal service fund that develops the capital project and receives its revenues.
 - Limited obligation revenue debt normally operates as revenue debt but is backed by certain non-property-tax revenues (defined in the bond covenants) in the event that there are not sufficient revenues to service the debts.

Interest earned by our bondholders/investors is generally held to be exempt from federal and Tennessee taxation.

Structure: Metro's outstanding debt takes three forms:

- Bonds - Long-term debt that usually matures over a period of 20-30 years.
- Notes - Shorter-term debt that is issued for three years, renewable for an additional two terms of three years each. The usual total maturity is 3 to 5 years.
- Commercial paper - Short-term general obligations with flexible maturities ranging from 1 to 270 days, issued as cash when needed in blocks of \$100,000 plus \$1,000 increments. Interest rates are usually lower than bond interest rates.

Notes and commercial paper often provide temporary financing and are retired by issuing longer-term bonds.

Many bonds have "call" provisions that allow Metro to redeem the debt before its scheduled maturity. Bonds are typically called and refunded by issuing new debt with similar maturity to lower the cost of debt. The lower interest costs save Metro money over the remaining life of the bond issue.

Legal Limitations: There is no legal debt margin limitation on GSD debt. Section 7.08 of the Charter limits the USD total net bonded indebtedness payable from USD ad valorem taxes, after deduction of sinking funds for the payment of principal, to 15% of the USD assessed valuation of taxable property. At June 30, 2021, the taxable property was valued at \$26.1 billion, so the 15% limit was \$3.92 billion. With only \$157 million of applicable debt (0.60% of valuation), the margin was \$3.76 billion.

Bond Ratings: Metro holds excellent investment-grade ratings from two independent rating agencies (Moody's Aa2 and Standard & Poor's AA). These ratings are based on both the city's financial health and available reserves for paying off debt. Each agency has its own rating methodology; ratings of the two agencies cannot necessarily be compared to each other. For explanations of the ratings, visit each agency's web site.

Debt Policies: The following guidelines are used in managing debt service funds:

- USD general obligation debt is subject to the legal limitation noted above.
- Debt is not issued above the capacity provided by current revenue sources (including property taxes at the current rate) plus anticipated normal growth; debt is not issued in anticipation of a not-yet-approved property tax increase.
- When planning future debt capacity, normal revenue growth is projected conservatively.
- The financing of an improvement will not exceed its useful life. In a multi-purpose bond package, the package maturities will reflect the mix of project lives funded by the package; the average life of the bonds cannot exceed the average life of the projects.
- General obligation issues are sold by competitive bid in a public offering; a bid sale is awarded to the bidder with the lowest true interest cost
- Bond issues may be considered for refunding when lower interest rates on the new bonds will result in a 3.5% or better aggregate present value savings over the old bonds. The term of the refunding bonds will not exceed the terms of the bonds being refunded. Refunding Bonds may be sold either by negotiated sale or by competitive bid public offering.

90 Debt Service Funds-At a Glance

Revenue Sources: Revenues for all three funds are detailed in the budget ordinance. The GSD and USD Debt Service Funds (funds 20115 & 28315) are funded primarily by a dedicated portion of the property tax levies. The GSD Debt Service Fund also receives \$3.2 million from the GSD General Fund (fund 10101) for stadium debt, and the Schools Debt Service Fund (fund 25104) receives substantial schools-related sales taxes.

Capital Expenditures and the Budget: The discussion of Capital Improvements in Section A of this book describes how these funds relate to the operating budget.

Recent Bond Issues: The Recent Bond Issues table summarizes recent bond issues. Note that only the general obligation issues are serviced through the GSD, USD, and Schools Debt Service funds; the revenue issues are serviced through non-tax sources. Future debt service requirements are listed on the next page.

Comparative Debt Statistics: The Comparable Debt Statistics table uses standard indicators to measure debt burden levels and trends.

Highlights from the Metropolitan Government of Nashville and Davidson County's Debt Management Policy

The purpose of the Policy is to provide written guidance about the amount and type of debt issued, the issuance process, and the management of the debt portfolio for the Metropolitan Government.

Introduction

The Metropolitan Government of Nashville and Davidson County (the "Metropolitan Government"): (1) identifies policy goals and demonstrates a commitment to long-term financial planning; including a multi-year capital plan; (2) improves the quality of decisions; and (3) provides justification for the structure of debt issuance.

Goals & Objectives

Debt policies and procedures are tools that ensure that financial resources are adequate to meet the Metropolitan Government's long-term financing objectives. In addition, the Policy helps to ensure that financings undertaken by the Metropolitan Government satisfy certain clear objective standards which allow the Metropolitan Government to protect its financial resources in order to meet its short-term financing and long-term capital needs. The adoption of clear and comprehensive financial policies enhances the internal financial management of the Metropolitan Government.

Purpose and Use of Issuance Process

Debt is to be issued pursuant to the authority of and in full compliance with provisions, restrictions and limitations of the Charter and the Constitution and laws of the State of Tennessee (including without limitation Title 9, Chapter 21, Tennessee Code Annotated, and Title 7, Chapter 34, Tennessee Code Annotated (together, the "State Debt Statutes"), pursuant to resolutions adopted by the Metropolitan Government.

Debt Capacity Assessment

During development and consideration of a capital-spending plan, impact of the resulting debt and debt service will be evaluated to determine appropriate level of debt to the overall financial position of the Metropolitan Government. To accomplish this evaluation, a calculation of the various metrics, will be performed on existing debt as compared to projected debt resulting from capital-spending plan. An analysis of historical financial trends and current and projected economic factors will be considered in evaluation of the appropriate level of debt to be approved in a capital-spending plan.

Federal Tax Status

1. **Tax-Exempt Debt** – The Metropolitan Government will use its best efforts to maximize the amount of debt sold under this policy using tax-exempt interest financing.
2. **Taxable Debt** – The Metropolitan Government will sell taxable debt when necessary to finance

projects not eligible to be financed with tax-exempt debt.

Legal Limitation on the Use of Debt

1. No Debt obligation, except as shall be repaid with the fiscal year of issuance, shall be sold to fund the current operation of any Metropolitan Government service or program.
2. The proceeds of any debt obligation shall be expended only for the purpose for which it was authorized.
3. Debt may only be issued pursuant to an authorized resolution of the Metropolitan Council.

Types of Debt

A. Bonds

Security- Pursuant to State Debt Statutes, the Metropolitan Government may issue general obligation bonds, which are direct general obligations of the Metropolitan Government payable as to both principal and interest from any funds or monies of the Metropolitan Government from whatever source derived. The full faith and credit of the Metropolitan Government is pledged to the payment of principal of and interest on all general obligations bonds. General obligation bonds may be additionally secured by a pledge of the revenues of one or more revenue-producing systems or facilities. Pursuant to State Debt Statutes, the Metropolitan Government may issue revenue bonds, which are limited obligations of the Metropolitan Government, payable solely from the revenues of one or more revenue-producing systems or facilities.

B. Short Term Debt

Pending the issuance of bonds to provide long-term financing, the Metropolitan Government may issue short term debt. Such debt shall be authorized by resolution of the Metropolitan Government.

These notes may be structured as:

- Bond Anticipation Notes
- Tax and Revenue Anticipation Notes
- Capital Outlay Notes

Debt Management Structure

The Metropolitan Government shall establish all terms and conditions relating to the issuance of bonds, and will invest all bond proceeds pursuant to the terms of the Metropolitan Government's Investment Policy.

- A. **Term.** The term of any debt (including refunding debt) used to purchase or otherwise obtain or construct any equipment, goods, or structures shall have a reasonably anticipated

90 Debt Service Funds-At a Glance

lifetime of use equal to or less than the average useful life of the project.

- B. Debt Service Structure.** Debt issuance shall be planned to achieve substantially level debt service over a twenty-year period (commencing immediately following the third year after issuance) unless otherwise specified in the authorizing resolution of the Metropolitan Council.
- C. Call Provisions.** When issuing new debt, the structure may include a call provision that occurs no later than ten years from the date of delivery of the bonds. Call features should be structured to provide the maximum flexibility relative to cost.
- D. Original Issuance Discount/Premium.** Bonds sold with original issuance discount/premium are permitted with the approval of the Metropolitan Council.

Balloon Debt

A. Introduction

The Metropolitan Government may, from time to time, consider the issuance of bonds that would now constitute "balloon indebtedness," as defined by Tennessee Code Annotated Section 9-21-134. Generally speaking, balloon indebtedness reduces the Metropolitan Government's future capacity to issue debt and its financial flexibility to meet future needs. The Metropolitan Government's preference is for the issuance of indebtedness that does not constitute balloon indebtedness, all in a manner consistent with this Debt Management Policy, and in the best interest of the Metropolitan Government and its taxpayers or ratepayers (as applicable).

B. Policy

It is the policy of the Metropolitan Government that the Metropolitan Government will strive to issue all future debt to provide funding for capital projects ("improvement bonds") with a principal amortization structure that does not constitute balloon indebtedness.

It is further the policy of the Metropolitan Government to maintain at all times a plan for managing any outstanding balloon indebtedness to mitigate its effects on the Metropolitan Government's future debt capacity and financial flexibility, taking into consideration the financial resources of the Metropolitan Government.

C. Issuance of Balloon Indebtedness

Unless the Metropolitan Council concludes, through the procedures outlined in (2) below, that a balloon indebtedness structure is in the public interest, all future improvement bonds will be structured so that principal amortizes in a manner that results in level or declining debt service, commencing no later than the fourth year following issuance.

D. Debt Affordability

The Metropolitan Government will manage any outstanding balloon indebtedness in a manner that mitigates its effects on the Metropolitan Government's future revenues by considering the following options, within its financial resources:

- Restructuring debt with accelerated amortization
- Early repayment of debt
- Delaying of capital projects, or funding capital projects with revenues, until capacity is available to issue debt structured with level or declining payments
- Such other actions available within its financial capacity to manage debt.

Refinancing Outstanding Debt

The Department of Finance and the Metropolitan Government's Financial Advisor shall have the responsibility to analyze outstanding bond issues for refunding opportunities. The Financial Advisor will regularly conduct an analysis of all refunding candidates to identify potential refunding candidates from the outstanding bond maturities. The Metropolitan Government will consider the following issues when analyzing possible refunding opportunities:

- Debt Service Savings
- Term of Refunding Bonds
- Bond Restructuring
- Escrow Structuring

Methods of Sale

Pursuant to State Debt Statutes, new money general obligation bonds must be sold at competitive sale. State Debt Statutes permit the Metropolitan Government to determine the method of sale for refunding bonds and revenue bonds. Following each sale of bonds, the Finance Department with the assistance of the Financial Advisor shall provide a report to the Metropolitan Council on the results of the sale.

- Competitive Sale
- Negotiated Sale
- Private Placement

Selection of Underwriting Team (Negotiated Transaction)

If there is an underwriter, the Metropolitan Government shall require the underwriter to clearly identify itself in writing, whether in a response to a request for proposals or in promotional materials provided to the Metropolitan Government or otherwise, as an underwriter and not as a financial advisor from the earliest stages of its relationship with the Metropolitan Government with respect to that issue. The underwriter must clarify its primary role as a purchaser of securities in an arm's-length commercial transaction and that it has financial and other interests that differ from those of the Metropolitan Government. The underwriter in a publicly offered, negotiated sale shall be required to provide

90 Debt Service Funds-At a Glance

pricing information both as to interest rates and to takedown per maturity to the Metropolitan Government or its designated official in advance of the pricing of the debt.

Credit Quality

The Metropolitan Government's debt management activities will be conducted to receive the highest credit ratings possible, consistent with Metropolitan Government's financing objectives.

Credit Enhancements

The Metropolitan Government will consider the use of credit enhancements on a case-by-case basis, evaluating the economic benefit versus the cost. Only when clearly demonstrable savings can be shown shall an enhancement- be utilized. The Metropolitan Government may consider each of the following enhancements as alternatives by evaluating the cost and benefit of such enhancements:

- Bond Insurance
- Letters of Credit
- Liquidity
- Use of Structured Products

Risk Assessment

The Finance Department will evaluate each transaction to assess the types and amounts of risk associated with that transaction, considering all available means to mitigate those risks. The Finance Department will evaluate all proposed transactions for consistency with the objectives and constraints defined in this Policy.

Transparency

The Metropolitan Government shall comply with the Tennessee Open Meetings Act, providing adequate public notice of meetings and specifying on the agenda when matters related to debt issuance will be considered. Additionally, all costs (including interest, issuance, continuing, and one-time) shall be disclosed to the citizens in a timely manner (see also Federal Regulatory Compliance and Continuing Disclosure)

Professional Services

The Metropolitan Government requires all professionals engaged to assist in the process of issuing debt to clearly disclose all compensation and consideration received related to services provided in the debt issuance process by the Metropolitan Government. This includes "soft" costs or compensations in lieu of direct payments.

Potential Conflicts of Interest

Professionals involved in a debt transaction hired or compensated by the Metropolitan Government shall be required to disclose to the Metropolitan Government

existing client and business relationships between and among the professionals to a transaction (including but not limited to financial advisor, swap advisor, bond counsel, swap counsel, trustee, paying agent, underwriter, counterparty, and remarketing agent), as well as conduit issuers, sponsoring organizations and program administrators and other issuers whom they may serve. This disclosure shall include that information reasonably sufficient to allow the Metropolitan Government to appreciate the significance of the relationships.

Debt Administration

A. Planning for Sale

Prior to submitting a bond resolution to the Metropolitan Council for approval, the Finance Department, with the assistance of the Financial Advisor, will present to the Metropolitan Council the purpose of the financing, the estimated amount of financing, the proposed structure of the financing, the proposed method of sale for the financing, members of the proposed financing team, and an estimate of all the costs associated with the financing.

In the case of a proposed refunding, proposed use of credit enhancement, or proposed use of variable rate debt, the Finance Department will present the rationale for using the proposed debt structure, an estimate of the expected savings associated with the transaction and a discussion of the potential risks associated with the proposed structure.

The Finance Department, bond counsel, financial advisor, along with other members of the financing team will prepare a Preliminary Official Statement describing the transaction and the security for the debt that is fully compliant with all legal requirements.

B. Post Sale

The Finance Department will present a post-sale report to the members of the Metropolitan Council describing the transaction and setting forth all the costs associated with the transaction.

The financial advisor will provide a closing memorandum with written instructions on transfer and flow of funds.

The Finance Department will establish guidelines and procedures for tracking the flow of all bond proceeds, as defined by the Internal Revenue Code, over the life of bonds reporting to the IRS all arbitrage earnings associated with the financing and any tax liability that may be owed.

The Finance Department, bond counsel, financial advisor, along with other members of the financing team will prepare an Official Statement describing the transaction and the security for the debt that is fully compliant with all legal requirements.

Federal Regulatory Compliance and Continuing Disclosure

A. Federal Tax Compliance

The Metropolitan Government has adopted Federal Tax Compliance Policies and Procedures regarding the administration of all of its tax-exempt and tax-advantaged debt. The Finance Department will comply with these Federal Tax Compliance Policies and Procedures, as they may be amended from time to time.

B. Investment of Proceeds

Any proceeds or other funds available will be deposited with the Metropolitan Treasurer's Office. The proceeds must be invested pursuant to the Metropolitan Government's investment policy and applicable provisions of State law.

C. Disclosure

In complying with U.S. Securities and Exchange Commission Rule 15c2-12, the Metropolitan Government will timely provide to EMMA certain financial information and operating data each year, and will provide notice of certain enumerated events with respect to the bonds, if material.

D. Generally Accepted Accounting Principles (GAAP)

The Metropolitan Government will prepare its financial reports in accordance with the standard accounting practices adopted by the Governmental Accounting Standards Board and with the accounting policies established by the Finance Department when applicable.

Overview

This fund (Fund 30003) is used to finance small-to-medium size capital expenditures for GSD General Fund departments. Four percent (4%) of all original monies collected by the GSD General Fund during any year is placed in this reserve fund and is kept separate and apart from other funds of the government. This separate fund can be used only for the purchase of equipment for any department of Metro and for repairs to any building owned by any department of the Metropolitan Government. Larger capital expenditures are financed using notes or bonds in the manner discussed in the "Debt Service Funds" section.

Revenues: Four percent (4%) of all original monies collected by the GSD General Fund (Fund 10101) are transferred to this fund. Administratively, the 4% is based on all GSD General Fund gross receipts except for revenues from other governments and certain other internal sources and transfer accounts.

The transfer of monies from the General Fund to the 4% Reserve Fund is in the budget as an expenditure account in the 01 Administrative section of the GSD General Fund.

Expenditures: This separate fund can be used only for GSD General Fund departments' expenditures for the purchase of equipment and for repairs to buildings.

Minimum Balance: Administrative policy is to maintain a \$500,000 balance in the fund at all times. The Council approved a policy of maintaining an additional \$500,000 balance in the fund, for a total balance of at least \$1 million.

USD Charter Provision: The Charter also allows the Council to establish by ordinance the same type of fund for the Urban Services District. This has not occurred.

Historical Information: The Charter originally required a five percent (5%) deduction from revenues. This was amended at an election held August 4, 1983 to four percent (4%).

Overview

The Central Business Improvement District (CBID) was established by Metro ordinance under the authority of State law to protect and restore the central business district to promote the public health, safety, and welfare of Nashville. (See Ordinance O98-1037, Metro Code 2.174.010 et seq. and TCA §7-84-101 et seq.)

Ordinance BL2004-1064 expired December 31, 2007. Ordinance BL2007-1312 extended the term of the CBID through December 31, 2017. Ordinance BL2017-580, approved March 8, 2017, extends the CBID term again.

The CBID is a district management corporation chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee for the purpose of administering the special assessment revenues and the activities within and for the district, the making of improvements within and for the district, and the provision of services and projects within and for the district.

The CBID has the power to acquire, construct or to maintain parking facilities, public improvements, and child care facilities; and to provide services for the improvement

and operation of the district, including promotion, advertising, health & sanitation, public safety, elimination of problems related to traffic and parking, security services, recreation, cultural enhancements, aesthetic improvements, furnishing music in public places, design assistance, and activities in support of business or residential recruitment, retention, and management development.

These services are provided to and in support of the Metropolitan Government, paid from revenues from the special assessment. These levels of service are in addition to, and not instead of, Urban Services District (USD) services.

The CBID Board of Directors is elected by and from district property and business owners who pay the assessment. The Board contracts with the Nashville Downtown Partnership to administer the CBID's operations.

The boundaries of the CBID are set by law. The district includes all properties shown within the shaded area in the map. BL2017-788 set the rate of levy at \$0.001294 per dollar of assessed valuation.

Overview

The Gulch Central Business Improvement District (GCBID) was established by Metro Ordinance under the authority of the state law to enhance the local business climate and help manage the area and ensure that it is clean, safe, and vibrant and will bring more people to the Gulch area of downtown Nashville to work, live, shop and play.

The GCBID is a district management corporation chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee for the purpose of administering within and for the GCBID district, the making of improvements within and for the district, and the provision of services and projects within and for the district.

The GCBID has the power to acquire, construct or to maintain parking facilities, public improvements, and child care facilities; and to provide services for the improvement and operation of the district, including promotion, advertising, health and sanitation, public safety, elimination of problems related to traffic and parking, security services, recreation, cultural enhancements, aesthetic improvements, furnishing music in public places, design assistance, and activities in support of business or residential recruitment, retention, and management development.

These services are provided to and in support of the Metropolitan Government, paid from revenues from the special assessment. These levels of service are in addition to, and not instead of, Urban Services District (USD) services.

The GCBID Board of Directors is elected by and from district property and business owners who pay the special assessment. The Board administers the GCBID's operations and services directly or by contract through the Nashville Downtown Partnership.

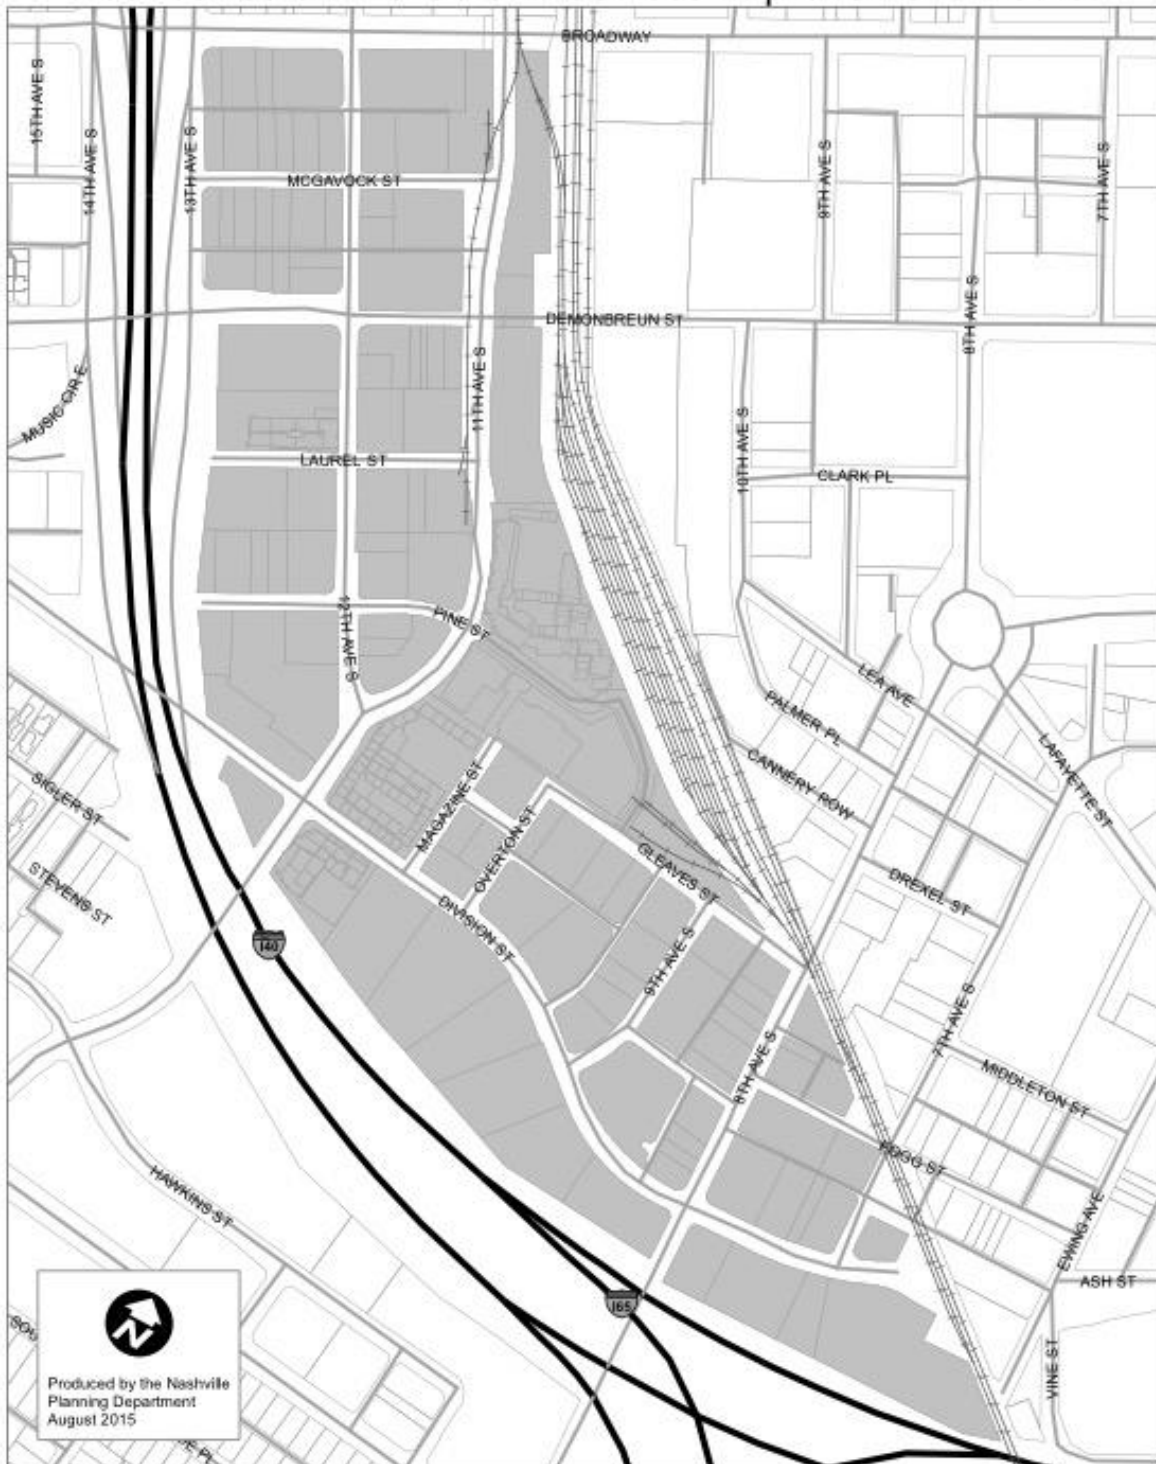

The boundaries of the GCBID are set by law. The district includes all properties shown within the shaded area in the map. Those properties are assessed a levy based on real property values.

Those funds are used to provide additional services within the GCBID. Ordinance BL2015-67, approved January 6, 2016, extends the current GCBID term until December 31, 2026. Ordinance BL2017-787 set the rate of levy at \$0.1081 per \$100 of assessed valuation.

GCBID's annual budget is approved as part of the Metro Nashville Government's annual operating budget.

Appendix 1: Financial Schedules

Appendix 1 presents financial information in different ways to facilitate comparison between departments and over time. It includes three schedules. Any schedule’s footnote references are described below.

SCHEDULE 1 - SUMMARY OF REVENUES AND EXPENDITURES

This schedule summarizes the revenues and expenditures of each of the six budgetary (primary tax-supported) funds, from actual FY2019 data through the FY2023 budget. It also shows how revenues and expenditures contribute to fund balances in each fund.

SCHEDULE 2 - DEPARTMENTAL BUDGET BY FUND TYPE

This schedule presents each department’s combined FY2023 expenditure budgets by fund type. This table allows you to view all expenditures for a department regardless of the fund type in which those expenditures are budgeted.

Note, however, that even though this table combines the budgets of various funds that a department uses, the budget of one fund usually cannot be commingled with or substituted for the budget of another fund, even within the same department.

SCHEDULE 3 - HISTORICAL EXPENDITURES

This schedule shows trends in expenditures and full-time equivalent positions (FTEs) for each department and fund, from FY2020 through FY2023.

* Gross total dollar amounts include duplications due to interfund transfers.

** MNPS position counts presented here reflect amounts for all MNPS funds and are pending Board of Education approval

Appendix 2: Glossary

The annual operating budget contains specialized and technical terminology. This glossary defines some of the more common and more important of these terms.

Term	Definition
Account Code	The combination of a business unit and object account that classifies all revenues and expenditures within a fund.
Accrual Accounting	A basis of accounting in which revenues are recognized in the period in which they are earned and become measurable, and expenses are recognized in the period incurred instead of when cash is received or spent. In such a system, revenue earned in June but received on July 10 is recorded as being received June 30.
Active Position	A position that is budgeted and funded, whether filled or not.
Actual	Actual (as opposed to budgeted) revenues and expenditures for the fiscal year indicated.
Accountability	The state of being answerable; it is demonstrated by being willing and able to tell taxpayers what they are getting for their money in terms of results.
Accounting System	The total set of records and procedures that are used to record, classify, and report information on financial status and operations.
Activity	An organizational process or system that converts inputs (money, staffing, technology, and other resources) into outputs (services and other things of value to customers, stakeholders, and citizens); the work performed by an organization to carry out a program for which it is responsible.
Adjusted Budget or Adjusted Final Budget	The final budget passed by the Council with detail adjusted by departments to show how they will operate within the fund.
Agency	See Department.
Allot	To divide an appropriation into amounts that may be encumbered or expended during an allotment period.
Allotment	A part of an appropriation that may be encumbered or expended during an allotment period.
Allotment Period	A period of time less than one fiscal year in length during which an allotment is effective. Metro generally uses quarterly allotment periods, although some departments use monthly allotments as a management tool.
Annual Budget	A budget for a fiscal year.
Annual Comprehensive Financial Report	The audited annual financial report of the government, showing financial position and results of operations for the fiscal year, along with schedules detailing other financial matters. The report is prepared in accordance with governmental GAAP, so it is not strictly comparable to the budget ordinance.
Appraise	To estimate value, particularly of property. If the property is valued for purposes of taxation, the term "assess" means the same thing.
Appraisal	A valuation of property based on current market values.
Appraisal Ratio	The ratio between the appraised value of property and its market value, or the appraised value as a percentage of the market value. A house appraised at \$80,000 with a current market value of \$100,000 has an appraisal ratio of 80%.

Appendix 2: Glossary

	(80,000/100,000). Using statistical techniques, the state recalculates appraisal ratios for the entire county every two years.
Appropriation	A legal authorization granted by the Council to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and time when it may be expended. Metro general fund appropriations lapse (expire) at the end of each fiscal year.
Appropriation Ordinance	An ordinance by which the budget appropriations are given legal effect, usually the budget ordinance.
Assess	To value property officially for the purpose of taxation.
Assessment	The portion of a property's appraised value that is taxed, determined by multiplying the appraised value of a property by its assessment rate. In Tennessee, Residential property is assessed at 25%, Commercial/Industrial property is assessed at 40%, and Personal property is assessed at 30%. For example, a Residential property appraised at \$100,000 has an assessment of \$25,000 (25% x \$100,000).
Assessment rate	The constitutional percentage that is multiplied by the appraised value to determine the assessment (25% of the appraised value for residential property, 40% for commercial).
Available (Undesignated) Fund Balance	The funds remaining from the prior fiscal year that are available for appropriation and expenditure in the current year.
Authorized Positions	Number of positions authorized in the final budget. This is not a formal part of the budget ordinance, but an implicit management tool to control salary expenditures. Some agencies and elected offices are subject to legal constraints on the numbers of authorized and filled positions.
Balanced Budget	All funds are required to balance. As such, total anticipated revenues must equal the sum of budgeted expenditures for each fund. Revenues are derived from four sources: current revenue charges, increases in existing revenue charges, new revenue sources, and unallocated reserves carried forward from prior years.
Baseline Budget	An estimate of the funding required to continue existing programs at the currently budgeted levels of service from one fiscal year to the next. It includes various adjustments made to the prior year's budget as appropriate for salary increments, pay plan, longevity, inflation, etc.
Bond	A written promise to pay a specified sum of money (the face value or principal amount) at a specified date or dates in the future (the maturity date) together with periodic interest at a specified rate. Metro issues (sells) bonds as one way to finance capital projects. Maturity dates may extend as far as twenty or thirty years after the bonds are issued.
Bond, General Obligation	A bond that is secured by the full faith, credit, and taxing power of the city.
Bond, Revenue	A bond that is paid from the earnings of an enterprise fund.
Bonded Debt	That portion of indebtedness represented by outstanding bonds.
Budget	A plan of financial operation containing an estimate of proposed expenditures for a given period (usually a fiscal year) and the proposed means of financing them. Since the budget process includes many "budgets," it is necessary to specify whether the budget being discussed is projected, recommended, final (approved by the Council), or current.

Appendix 2: Glossary

Budgetary Basis	This refers to the basis of accounting used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, cash, or modified accrual.
Budget Calendar	The schedule that is followed in preparing, adopting, and administering a budget.
Budgetary Control	The control or management of an organization in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenue.
Budgetary Fund	<p>Any of the primary tax-supported funds:</p> <ul style="list-style-type: none"> • GSD General Fund (10101), • USD General Fund (18301), • GSD Debt Service Fund (20115), • USD Debt Service Fund (28315), • GSD Schools Operating Fund (35131), and • Schools Debt Service Fund (25104). <p>The sum of the funds' expenditures, less transfers between them, is usually cited as the total size of the budget.</p>
Budget Message	The Mayor's message generally explaining the budget, describing its important features, outlining proposed financial policies, and explaining the reason for significant budgetary changes. This may take the form of a letter, speech, or presentation.
Budget Method	<p>A code that presents whether and how Metro budgets each fund. Common codes are:</p> <ul style="list-style-type: none"> • ANN - Annually budgeted governmental (except capital projects), enterprise, and internal service funds with a fiscal year that is the same as Metro's July 1 – June 30 standard. • MYB - Multi-year budgeted funds, often grants, whose fiscal year crosses Metro's July 1 – June 30 standard fiscal year and which typically are not included in this document. • NOB - Other funds whose spending is authorized by something other than the operating budget.
Budget Ordinance	The legal document that sets the annual operating budget for a fiscal year.
Budgeted Positions	The number of full and part time positions funded in June, plus the number of seasonal positions funded at any time in the fiscal year.
Budget Projection	A projection of revenues and/or expenditures for the coming fiscal year(s).
Business Unit	Generally, an eight-digit code that describes an organizational, programmatic, or service unit within a department and fund.
Comprehensive Annual Financial Report	See Annual Comprehensive Financial Report.
Capital Budget	A plan of proposed capital outlays and the means of financing them. Metro's Capital Improvements Budget (CIB) is compiled by the Finance Department and Planning Commission and approved by the Mayor and Council. It is only a planning document and does not authorize expenditures on its own.

Appendix 2: Glossary

Capital Improvements	Expenditures that are related to the acquisition, expansion, or rehabilitation of an element of the physical plant of the government; sometimes referred to as infrastructure.
Capital Outlays	Expenditures for the acquisition of capital assets such as heavy equipment, machinery, buildings, etc.
Capital Spending Plan	The annual process of selecting and funding a package of specific capital projects to be authorized by the Council.
Capital Program	A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or otherwise. It sets forth each project or other contemplated expenditure in which the government is to have a part and specifies the full resources estimated to be available to finance the projected expenditures.
CATV (Metropolitan Cable Television)	Special Committee is responsible for oversight of cable franchises in Nashville and Davidson County
CBID (Central Business Improvement District)	Established by Metro Ordinance in 1999, is an annual assessment, in the form of a tax, from the Nashville District Management Corporation, a 501 (c) (3), of privately owned properties within the CBID boundaries. The CBID includes 424 acres. The Nashville Downtown Partnership manages the programs that CBID property owners have prioritized. These initiatives include clean and safe services supplementing those provided by the Metro Government, landscaping, other public space management initiatives, downtown economic development (including business, retail and residential), and marketing downtown Nashville
Certified Tax Rate	After reappraisal, the property tax rate that equates total current property tax revenues to those of the previous year's receipts plus normal growth. TCA 67-5-1701 provides that reappraisals cannot by themselves increase Metro's revenues. So, for years in which a reappraisal is implemented, the certified rate forms a basis for gauging the amount of any tax increases. This assures that tax increases are not hidden within post-reappraisal tax rates but will be known to the public. The certified rate is calculated using state forms and guidelines and is approved by the state Board of Equalization and the Council.
CBER	The University of Tennessee's Center for Business and Economic Research, which has assisted the Department of Finance in forecasting certain revenues for the budget.
CBO	The federal Congressional Budget Office.
Class Code	A code number assigned to positions within the city's classification and compensation plan.
Commercial Paper	A form of note (q.v.) with generally a shorter term and more flexible terms of issuance and payment.
Component Unit	<p>An organization that is legally separate from Metro, but Metro has the ultimate financial responsibility for the organization (i.e. if there was financial trouble, Metro would have to step in). They are not generally presented as part of the overall Metro budget, either in the budget ordinance or in this book. Component units include:</p> <ul style="list-style-type: none"> • Nashville District Management Corporation • Sports Authority • Metropolitan Development and Housing Agency (MDHA) • Electric Power Board (Nashville Electric Service, NES) • Metropolitan Transit Authority (MTA) / WeGo • Metropolitan Nashville Airport Authority • Metropolitan Nashville Hospital Authority (General and Bordeaux Hospitals) • Emergency Communications District

Appendix 2: Glossary

	<ul style="list-style-type: none"> Industrial Development Board Gulch Business Improvement District, Inc. Convention Center Authority <p>More information on these component units is available in Note 1 of the Annual Financial Report.</p>
Constant or Real Dollars	The presentation of dollar amounts adjusted for inflation to reflect the real purchasing power of money as compared to a certain past point in time.
Contingency Account	Funds set apart to provide for unforeseen expenditures or for anticipated purposes of uncertain amounts.
Contingency for State, Federal, or Other Reimbursable Program Funds	An account in the budget ordinance that allows transfer of new, unbudgeted grants and other reimbursable funds into the general funds of departments' budgets without separate Council appropriation. It is budgeted in expenditure account 01101299.590000 and offset by estimated revenue in revenue object account 406100.
Continuation Budget	A budget at a level of funding required to maintain current service levels during the coming year.
Cost	<p>The amount of resources required for a business program, product, activity or service to produce an output, regardless of where the resources are accounted for:</p> <ul style="list-style-type: none"> Direct costs can be identified specifically with a particular final cost objective (e.g. direct service, program, or product) and usually appear in the budget of the program that provides the product or service. Indirect costs are incurred for a common or joint purpose benefiting more than one cost objective (e.g. direct service, program, or product) but are not readily assignable to the cost objectives specifically benefited; they may be found elsewhere in the budget of the department that provides the product or service, or in the budgets of other departments that support that department. Full cost or total cost is comprised of the allowable direct cost of the program, plus its allocable portion of allowable indirect costs, less applicable credits.
Cost Allocation Plan	The documentation that identifies, accumulates, and allocates or develops billing rates based on the allowable costs of centralized services. The costs of these services may be allocated or billed to users or funding sources (such as grantors). A departmental cost allocation plan allocates a department's central costs to its programs. A local government cost allocation plan, or LOCAP , allocates the costs of central governmental units to other departments and agencies within the government that the central units serve.
Current Year	The fiscal year in progress.
Debt Service	(1) Repayment of principal and interest on outstanding debt (bonds, notes, and commercial paper). (2) The amount of money required for such repayments.
Debt Service Fund	A fund established to account for the accumulation of resources for, and the payment of, debt service.
Deficit	(1) The excess of the liabilities of a fund over its assets. (2) The excess of expenditures over revenues (or, in proprietary funds, the excess of expense over income) during a fiscal period.
Department	The highest organizational and administrative unit with overall management responsibility for goals, objectives, divisions, operations, programs, and activities

Appendix 2: Glossary

	within a functional area. The word generally includes boards, commissions, agencies, and elected offices.
DES (District Energy System)	Provides heating and cooling services to multiple users, essentially taking the place of each building's self-contained HVAC unit. District energy plants are usually located in large urban areas and supply downtown customers. At the Metro Nashville DES facility, natural gas and electricity are used to produce steam and chilled water. The steam and chilled water are then distributed through a series of underground pipes to about 42 individual buildings in the downtown area. These buildings don't require boilers, furnaces, chillers or use fuel or electricity in water heaters; the DES does that work for them.
Direct Cost	See Cost.
Encumbrances	The commitment of appropriated funds to an unperformed contract for goods or services. It is an estimate of the expenditures that will result when the contracts are completed.
Enterprise Fund	A fund established to account for a business-like operation in which services are provided to non-Metro customers for a fee. Such fees or user charges cover most or all costs of the fund. Examples include the Convention Center Fund and the Farmers' Market Fund. See also internal service fund.
Estimated Revenue	The amount of revenue that is projected for collection during the fiscal year.
Expenditures	Decreases in net financial resources. Expenditures include current operating expenses that require the current or future use of net current assets, debt service, and capital outlays. This term designates the cost of goods delivered or services rendered, whether paid or unpaid, including expenses, provisions for debt retirement that is not reported as a liability of the fund from which it was retired, and capital outlays.
Fiduciary Fund	Fund containing resources held in trust for individuals or agencies outside of Metro Nashville and Davidson County government.
Final Budget	<p>The budget appropriations approved by the Council, usually based on:</p> <ul style="list-style-type: none"> the Mayor's recommended budget, a substitute budget containing changes to the Mayor's budget and replacing that budget, and/or amendments to one of the above. <p>Accounting statements in the Annual Financial Report prepared pursuant to GASB Statement 34 call this the "original budget."</p>
Fiscal Year	A twelve-month period of time to which the budget applies and at the end of which a governmental unit determines its financial position and the results of its operations. The Metro and state fiscal years begin July 1 and end June 30; the federal fiscal year runs October 1 to September 30.
Four Percent Reserve Fund	See General Fund Reserve Fund.
Fringe Benefits	Benefits to employees paid by Metro in addition to salaries, including Social Security (FICA), pension, life insurance, health insurance, workers' compensation, and unemployment compensation. Benefit costs for active employees are included in the departments' operating budgets, while other benefits in the general funds are grouped in the Employee Benefit accounts.
Full-Time Equivalent (FTE)	<p>A measure of effective authorized positions, indicating the percentage of time a position or group of positions is funded. For an individual position, 1.00 FTE is usually equal to 2,080 hours of work per year. FTE takes into account the number of hours per week and portion of the year the position is funded.</p> <p>$\text{FTE} = (\text{hours worked per week}/40) \times (\text{months funded}/12).$</p>

Appendix 2: Glossary

	A year-round full-time position has an FTE of 1.00. A full-time position funded for 6 months (1/2 year) has an FTE of 0.5, as does a 20 hours-per-week, 12-month position.
Function	A group of Metro departments that performs similar activities or delivers like services (e.g., the Law Enforcement function includes the Sheriff and Police Departments).
Fund	A set of interrelated accounts to record revenues and expenditures associated with a specific purpose. A fund has its own revenues, expenditures, assets, liabilities, and equity (fund balance). In Metro, revenues and appropriations cannot be transferred between funds during the fiscal year.
Fund Balance	Uncommitted cash or other liquid/cash convertible assets in excess of fund liabilities. The fund balance in any given fund is essentially what is left over after the fund's assets have been used to meet its liabilities.
GAAP <i>(Generally Accepted Accounting Principles)</i>	Nationally recognized uniform principles, standards, and guidelines for financial accounting and reporting, governing the form and content of many financial statements of an entity. GAAP encompasses the conventions, rules, and procedures that define accepted accounting principles at a particular time, including both broad guidelines and detailed practices and procedures. Governmental GAAP is determined by the Governmental Accounting Standards Board (GASB) and, to a lesser extent, by the Financial Accounting Standards Board (FASB), the American Institute of Certified Public Accountants, and other professional organizations.
GAGAS <i>(Generally Accepted Governmental Auditing Standards)</i>	Standards for conducting governmental audits as determined by the latest revision of the booklet <i>Government Auditing Standards</i> (the "yellow book") published by the Comptroller General of the United States through the GAO.
GAO	The Federal General Accounting Office.
GASB <i>(Governmental Accounting Standards Board)</i>	The oversight body that establishes governmental GAAP, equivalent to the private sector FASB.
GCBID <i>(Gulch Central Business Improvement District)</i>	A district management corporation chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee and by Metro Charter for the purpose of administering within and for the GCBID district. The GCBID has the power to acquire, construct or to maintain parking facilities, public improvements, and child care facilities; and to provide services for the improvement and operation of the district, including promotion, advertising, health and sanitation, public safety, elimination of problems related to traffic and parking, security services, recreation, cultural enhancements, aesthetic improvements, furnishing music in public places, design assistance, and activities in support of business or residential recruitment, retention, and management development.
General Fund	The general operating funds are used to account for all resources except those required to be accounted for in another fund. Metro has separate general funds for the General Services District and the Urban Services District.
General Fund Reserve Fund (Four Percent Reserve Fund)	A capital projects fund for relatively small or short lived capital expenditures. Four percent of the gross original GSD general fund revenue is deposited into this fund. These funds are appropriated by resolution in the capital spending plan for the purchase of equipment or repairs for any department funded by the GSD General Fund.
General Obligation (GO) Debt	Bonds and notes used to borrow money, backed by the full faith, credit, and taxing power of the Metropolitan Government. Compare to Revenue Debt .

Appendix 2: Glossary

GFOA (<i>Government Finance Officers Association</i>)	Represents public finance officials throughout the United States and Canada
Governmental Fund	A fund used to account for the acquisition, use, and balance of expendable financial resources and the related current liabilities except those accounted for in proprietary funds and fiduciary funds. Governmental funds include general, special revenue, debt service, and capital projects funds.
Grant	A contribution by a government or other organization, generally to support a particular program or activity. Any receipts from any state or federal agency and certain nonprofit organizations are considered grants unless specifically excluded by the Division of Accounts.
Grant Match	Costs or in-kind services required to match grantors' shares of grant program costs.
GSD (<i>General Services District</i>)	One of the two primary tax districts. This district encompasses all of Davidson County. See also Services Districts. See also Urban Service District.
Impoundments	Executive decisions not to spend (obligate or expend) monies budgeted and appropriated by the Council. There are two types of impoundments. <ul style="list-style-type: none"> • Administrative impoundments are simple holding allotments of funds; the funds remain in the department's appropriation but are not available for expenditure. • Charter impoundments are actual reductions of budget appropriations in accordance with §6.09 of the Charter.
Independent Audit	An audit conducted by auditors who are independent of the government. The annual audit is conducted by one or more public accounting (CPA) firms.
Indirect Costs	See Cost .
Infrastructure	The basic installations and facilities necessary for the continuance and growth of the city, such as roads, schools, transportation, utilities, and similar systems.
Internal Service Fund	A fund established to finance and account for goods and services furnished by one department to another department on a cost reimbursement basis so that the original fund capital remains intact. Examples include the Fleet Management and the Information Technology Services funds.
JIS (<i>Justice Integration Services</i>)	Provides a combination of desktop support, network services, and application development and support to Metro Nashville Justice Agencies so they can manage and use shared information to improve the administration of justice for the Nashville community
Lapse	The automatic termination of an appropriation, except for indeterminate or continuing appropriations, or as otherwise provided by law. Any unexpended balance of an appropriation and the authority to spend it lapses at the end of the fiscal year.
Levy	In reference to the budget as a whole, either the total amount of taxes due or (sometimes) the tax rate. In reference to a specific piece of property, the amount of tax due on that property.
Liability	Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed or refunded at some future date. The term does not include encumbrances.

Appendix 2: Glossary

Line-Item Budget	A budget that is presented entirely or primarily based on objects of expenditure. The Metro budget ordinance and supporting detail are prepared on a line-item basis.
Line of Business	A group of programs with a common purpose that produce key results for citizens.
LOCAP	See Cost Allocation Plan .
Longevity	Monetary payments to Metro employees who have been in the employment of Metro for a minimum of five years. Per resolution RS2001-642, these payments range from a minimum of \$110 after five years of service to a maximum of \$935 for twenty or more years. The payment of longevity pay and longevity pay supplement for employees of the Metropolitan Government of Nashville and Davidson County, including employees of the Metropolitan Board of Health, is repealed for fiscal year 2021. Longevity pay and longevity pay supplement will be reinstated and paid beginning fiscal year 2022.
Long Term Debt	Debt that matures more than one year after it is issued.
Major Fund	Major funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds.
Mayor's Recommended Budget	The budget proposed to the Council by the Mayor.
MDHA <i>(Metro Development and Housing Agency)</i>	Responsible for providing affordable housing opportunities in a safe environment.
Measures	Statistical or workload data that quantifies the activities, outputs, or outcomes of program activities and expenditures.
Mission	A clear, concise purpose for an entire agency, focusing on the broad, yet distinct, results that it will achieve for its customers.
MNPS <i>(Metro Nashville Public Schools)</i>	Provides public education services for early learning through high school
Modified Accrual Basis	<p>The basis of accounting in which revenues are recognized when they become both measurable and available to finance expenditures of the current period. Expenditures are recognized when incurred, i.e., when the related fund liability is incurred, except for:</p> <ul style="list-style-type: none"> * inventories of materials and supplies, which may be considered expenditures either when purchased or used; * prepaid insurance and similar items, which need not be reported; * accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but larger-than-normal accumulations must be disclosed in the notes to the financial statements; • interest on special assessment indebtedness which may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and • principal and interest on long-term debt are generally recognized when due. <p>All governmental funds and expendable trust funds are accounted for using modified accrual accounting; internal service and enterprise funds utilize full accrual</p>

Appendix 2: Glossary

	accounting similar to that found in private sector businesses. The CAFR has more information on this subject and its use in Metro.
MSA (Metropolitan Statistical Area)	A group of relatively freestanding but socially and economically linked metropolitan area counties, usually as a central city surrounded by non-metropolitan counties. The Nashville MSA included Davidson, Cheatham, Dickson, Robertson, Rutherford, Sumner, Williamson, and Wilson Counties. The new Nashville-Davidson-Murfreesboro MSA, designated by the Federal Office of Management and Budget, adds Macon, Trousdale, Smith, Cannon, and Hickman Counties.
MTA (Metro Transit Authority)	Metro Transit Authority provides public transportation services for Nashville and Davidson County
NORBeRT (Nashville Operations Revenue Budget Review Tool)	The Metropolitan Government's budget preparation system.
Note	A form of debt that is shorter in term than bonds and often used for short-term capital project financing in anticipation of a future bond package with terms more advantageous for the government. TCA 9-21-505 provides that, "notes shall be issued for a period not to exceed two (2) years from the date of issue; provided, that with the approval of the state director [of local finance] the notes may be extended or renewed for not more than two (2) additional periods not exceeding two (2) years each."
Object Account	A code that describes a specific expenditure or revenue item.
Objective	A desired, specific, output oriented accomplishment that can be achieved within a given time frame. Its achievement advances both the activity and organization toward a corresponding goal.
OMB (Office of Management and Budget)	A unit of the Metro Department of Finance. When modified by the word "federal," a unit of the executive branch of the United States government.
OMB Circular A-87	The Federal OMB circular that describes allowable and unallowable costs for calculation of federal grant costs.
OMB Circular A-128	The Federal OMB circular that describes the procedures for audits of grants under the Single Audit Act.
OPEB (Other Post Employee Benefits)	Any retirement benefits a public employee is promised other than his or her pension. Benefits under the OPEB umbrella include anything from life insurance premiums to post-retirement healthcare costs to deferred compensation arrangements.
Open Position	See Vacant Position .
Operating Budget	A plan of current expenditures and the proposed means of financing them. The annual operating budget is the primary means to control most of the financing, spending, and service delivery activities of a government. The use of annual operating budgets is required by Section 6.01 of the Charter.
Ordinance	Legislation that is approved on three readings by the Council and signed by the Mayor.
Original Revenues	The revenues from which 4% is transferred to the General Fund Reserve Fund (Four Percent Reserve Fund) . This includes all revenues to the GSD General Fund except transfers; interdepartmental payments and receipts; federal and state

Appendix 2: Glossary

	financial assistance (except Medicaid and Medicare payments); and compensation for loss, sale, or damage to property.
Overdraft	The amount by which requisitions, purchase orders, or audited vouchers (i.e., expenditures and encumbrances) exceed the current allotment to which they are chargeable. This creates a negative balance in the unencumbered allotments.
Part Time Employee	For the purpose of budgeting, a part time employee is any employee who regularly works less than 40 hours per week. This interpretation differs from that used by the Employee Benefit Board (less than 20 hours per week) or Human Resources Department (less than 32 hours).
Pay Plan	A schedule of each classification used by the Civil Service Commission, along with the pay grades, rates, ranges, and longevity-based steps for each class.
Performance Budget	A budget that focuses on activities rather than line items. Expenditures are related to workload and performance measures to assess the efficiency of services, and budget decisions incorporate measurable performance of activities and work programs. A performance budget may also incorporate other bases of expenditure classifications, such as character and object class, but these are given a subordinate status to activity performance.
Performance Indicators	Specific quantitative measures of a division's, program's, or activity's work performed or results obtained toward meeting an objective. They measure demand, workload, efficiency, effectiveness, quality, achievement, or outcomes.
Permanent Fund	Fund containing resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the program for which it was created.
Position	A tracking unit representing the authority to hire an employee; may be full-time (funded all day every workday), part-time (funded less than all day every workday), or seasonal (full- or part-time for only a portion of the year, with that portion recurring annually).
Position Headcount	The number of authorized positions funded by a budget. As used in Metro budgeting, this is the sum of positions that are: <ul style="list-style-type: none"> • Full-time and funded in June, plus • Part-time and funded in June, plus • Seasonal, regardless of months funded.
Prior Year	The fiscal year immediately preceding the current year.
Prior-Year Encumbrances	Obligations from previous fiscal years in the form of purchase orders, contracts or salary commitments.
Product	A countable deliverable that a customer receives from the agency. It is something that one or more customers receive, not processes the agency performs. "Circulating library books" is a process, a library book checked out is a product, and "library book check outs" is an output or demand measure of what is delivered to customers
Program	A group of services with a common purpose or result.
Program Budget	A budget where expenditures are based primarily on programs of work related to the goals and objectives of an organization and secondarily on character and object.
Property Tax	An <i>ad valorem</i> (value based) tax levied on real and personal property according to the property's assessed valuation and the tax rate.

Appendix 2: Glossary

R12	The government's integrated financial and administrative computer system. R12 encompasses most budgeting, accounting, purchasing, payroll, human resources, and benefit activities for Metro.
Reappraisal	A county wide revaluation of real property based on current market values. See Certified Tax Rate
Reserve	An account used to indicate that a portion of a fund's assets are legally restricted for a specific purpose and is, therefore, not available for further appropriation or expenditure.
Revenue	Funds that the government receives as income to support expenditures.
Revenue Code	A numerical code used to break down revenues into definable areas such as taxes, licenses, user fees, etc.
Revenue Debt	Bonds and notes used to borrow money, backed only by certain revenues (usually from the project built with proceeds from the debt) and not the full faith and credit of the government.
Revenue, Nonrecurring	Revenues that are not expected to repeat over time and generally should not be used to support ongoing expenditures.
Satellite Cities	The smaller cities and towns totally or partially in Davidson County that were incorporated prior to Metro being formed in 1963. These smaller cities receive some Metro county-wide GSD services but also provide their own city services instead of or in addition to GSD services. Their citizens pay the GSD property tax rate plus any rate set by the satellite city. The information presented in this book does not include any revenues, expenditures, or services of the satellite cities themselves. Satellite Cities are Berry Hill, Belle Meade, Oak Hill, Goodlettsville(partially) and Forest Hills, Ridge Top(partially)
Services Districts	The two districts established by state law and the Charter for budgeting and administering services within the Metro Government. The General Services District (GSD) is all of Davidson County. The Urban Services District (USD) is the former City of Nashville plus annexed areas within the GSD; it receives more services in return for paying a higher property tax rate.
Single Audit Act	The federal law requiring a comprehensive government wide audit of all federal financial assistance. In Metro, this is performed as an integral part of the annual independent audit.
Special Revenue Fund	A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or for major capital projects) that are legally restricted to expenditure for specified purposes. Examples are the Schools General Purpose Fund (35131) and the General Fund Four Percent Reserve Fund (30003).
Stakeholder	Any person or entity that has an interest in the activities or objectives of an organization, including such groups as citizens, customers, suppliers, and regulators.
Strategic Goal	A significant result to be achieved by an agency over the next two to five years.
Structural Balance	The situation in which recurring revenues are sufficient to finance expected expenditures for the foreseeable future.
Subledger	An optional additional level of detail for account codes. It is typically used to identify a revenue source or the fund number of an interfund transfer. For example, the number of the resolution that approved a grant might be entered as the subledger for the grant revenue account code.

Appendix 2: Glossary

Subsidiary	An optional additional level of detail for account codes. It is used to add more detailed information below the object account level.
Supplemental Appropriation	A resolution appropriating funds (increasing budget authority) above and beyond previously approved levels.
Target Budget	A budget built by adjusting detailed budget items to a departmental total, instead of building the total budget by adding together detailed line-item projections.
Tax Levy	The total tax dollars assessed on property, calculated by multiplying the tax rate per one hundred dollars by the tax base. The term can also refer to the tax rate itself.
TCA	Tennessee Code Annotated, state law.
Transfer, Budget	A transfer of an unused portion of an appropriation to another purpose or activity within a department's budget.
Transfer, Operating	All interfund transfers other than residual equity transfers (which are nonrecurring or non-routine transfers of equity between funds), quasi-external transactions, reimbursements, loans, or advances. The typical operating transfer is a legally authorized transfer from a fund receiving revenue to another fund through which the resources are to be expended. The budget treats this as if it were an expenditure of the first fund and revenue to the second.
Unencumbered Allotment (unencumbered balance)	The portion of an allotment not yet expended or encumbered. The focus of budgetary control, as §6.08 of the Charter provides that, "... no expenditure shall be made or encumbrance created, but in pursuance of an allotment, and within the otherwise unencumbered balance of such allotment."
Unencumbered Appropriation	The portion of an appropriation not yet expended or encumbered.
Unexpended Allotment	The portion of an allotment not yet expended.
Unexpended Appropriation	The portion of an appropriation not yet expended.
Unreserved Fund Balance	The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.
USD (Urban Services District)	One of the two primary tax districts in Davidson County. This district pays a higher property tax rate. The USD tax covers the more extensive services provided to property owners, such as garbage pickup, streetlights and sidewalks provision not provided to those in the General Service District.
Vacant Position	A position that is active (available and funded) but unoccupied.
Working Capital	A financial measure which represents the amount of day-by-day operating liquidity available to the government.

Appendix 3: The Law and the Budget

Many of the government's financial affairs are set by the Metropolitan Charter and other laws, resolutions, and rules. Budget-related sections of some of those documents are reproduced below, beginning with Article 6 of the Charter. Other sections of the Charter and laws may delegate finance-related powers and responsibilities to other departments. Text in *italics* summarizes certain long sections.

METROPOLITAN CHARTER ARTICLE 6 - THE BUDGETS AND FINANCIAL MATTERS

Section 6.01. Fiscal Year. -- The fiscal year of the metropolitan government shall begin on the first day of July of each year and shall end on the thirtieth day of June next following. Said fiscal year shall constitute the budget year and the year for financial accounting and reporting of each and every office, department, institution, activity and agency of the metropolitan government; but the aforesaid provision shall be in addition to, and not in lieu of, any accounting and reporting required of any official or agency by state or federal laws.

Section 6.02. Preparation of Annual Operating Budget. -- The director of finance shall obtain from all officers, departments, boards, commissions and other agencies for which appropriations are made by the metropolitan government, or which collect revenues for such government, such information as shall be necessary for him to compile the annual operating budget; and it shall be the duty of all such officers, departments, boards, commissions and agencies to furnish the director such information as he may require at such time or times and in such form as the director may prescribe.

Not later than March 1st prior to the end of each fiscal year, said director shall distribute to each of the agencies identified in the preceding paragraph all forms necessary for the preparation of the operating budget for the succeeding fiscal year. Such forms shall be returned to the director with the information desired not later than two months prior to the end of the current fiscal year. On the basis of the information so received and otherwise secured by him, said director shall prepare and transmit to the mayor a proposed operating budget for the next fiscal year of the kind and scope set forth in section 6.03 hereof. In preparing the proposed budget, the director may revise, as he may deem necessary, the estimates or requests made by the various officers, departments, boards, commissions and agencies, but any such agency shall be entitled to a hearing before the director with reference to any contemplated changes in its budget requests or estimates.

Section 6.03. Scope of the Annual Operating Budget. -- Section I of the annual operating budget shall apply only to the general services district and shall deal with those services and functions appertaining to the general services district, as set out by this Charter, or by ordinance of the council.

Section II of the annual operating budget shall apply only to the urban services district and shall deal with those services and functions appertaining to such urban services district, as set out in this Charter, or by ordinance of the council.

Each of the above described sections of the annual operating budget shall contain with respect to each of the operating funds of the metropolitan government to which they are applicable:

- (a) An estimate of the unencumbered fund balance or deficit at the beginning of the ensuing fiscal year, and the amount of any reserves for designated purposes or activities includable in the operating budget.
- (b) A reasonable estimate of revenues to be received during the ensuing year, classified according to source; but the estimated revenues from current and from delinquent property taxes shall not exceed the percentage of the total receivable from each such source collected during the last completed fiscal year; or the current fiscal year.
- (c) Proposed expenditures for each organizational unit and activity in accordance with the established classification of accounts, including those capital outlays which are to be financed from the revenues of the ensuing year, and including all debt service requirements in full for such fiscal year payable from such fund.

In no event shall the total proposed expenditures from any fund exceed the total anticipated revenues plus the estimated unappropriated surplus, or fund balance, and applicable reserves and less any estimated deficit at the end of the current fiscal year.

Section 6.04. Review and Revision of Operating Budget by Mayor; Submission to Council; Budget as Public Record; Distribution of Copies. -- The mayor shall review the operating budget submitted to him or her by the director of finance and may make any revisions in such budget as he or she may deem necessary or desirable, before it is submitted to the council for consideration.

Not later than May 1st, the mayor shall submit to the metropolitan council the operating budget as approved by him or her in the form and with the contents specified in Section 6.03 hereof, together with a message explaining such budget, describing its important features, and outlining the proposed financial policies of the metropolitan government for the ensuing fiscal year and setting forth the reasons for any significant changes in policy or budgetary allocations. The mayor shall further provide the following:

- (a) performance and efficiency measurements, as determined by the director of finance, for departments, boards, commissions and other agencies for which appropriations are made by the metropolitan government. The director of finance shall have discretion to omit those departments, boards, commissions and other agencies whose functions, duties and/or responsibilities are not conducive to quantifiable performance and efficiency measurements;

Appendix 3: The Law and the Budget

(b) the total principal amount of debt of the metropolitan government then outstanding, excluding those items set forth in subsection (E) herein;

(c) a comparison of such total principal amount of debt to the total principal amount of debt outstanding as of the same date of the previous calendar year (expressed in both dollar and percentage terms);

(d) a calculation of debt per capita, based on such total principal amount of debt and the population of the metropolitan government, as most recently published; and

(e) a summary of the total amount of authorized but unissued general obligation bonds for which short term debt has been issued in the form of commercial paper, bond anticipation notes, or capital outlay notes; and a summary of all debt authorized pursuant to an initial general obligation bond resolution for which no short term debt has been issued.

(f) As used herein, the term "debt" shall include only (i) general obligation indebtedness and (ii) indebtedness which does not constitute general obligation indebtedness but which is payable from and/or secured by a pledge or other commitment of all or any portion of the metropolitan government's general fund; in either case, whether such indebtedness is in the form of bonds, notes, commercial paper, or other instrument.

The mayor shall promptly cause copies of the budget and the budget message to be prepared for distribution to interested persons, and a summary of the budget shall be published in each of the daily newspapers in the area of the metropolitan government. The operating budget, as well as the capital improvements budget hereinafter provided for, the budget message, and all supporting schedules shall be public records in the office of the metropolitan clerk and shall be open to public inspection.

Section 6.05. Hearings by Council. -- After the council shall have passed the budget ordinance on first reading, it shall hold hearings on the proposed operating budget, as well as on the capital improvements budget as provided in section 6.13 hereof, but the hearing on the capital improvements budget shall be heard prior to those on the proposed operating budget, and the hearings on either budget may be adjourned from time to time. Budget hearings shall be advertised in a daily newspaper of general circulation published in the area of the metropolitan government at least seven days prior to the date or dates set for the beginning of such public hearings.

Section 6.06. Action by Council on Operating Budget. -- After the conclusion of the public hearings, the council may amend the operating budget proposed by the mayor; except, that the budget as finally amended and adopted must provide for all expenditures required by law or by other provisions of this Charter and for all debt service requirements for the ensuing fiscal year as certified by the director of finance. Neither shall the council alter the estimates of receipts or other fund availability included in the budget document except to correct errors and omissions, in which event a full explanation shall be spread on the minutes of the council. In no event shall the total appropriations from any fund exceed the estimated fund balance, reserves and revenues, constituting the fund availability of such fund.

The council shall finally adopt an operating budget for the ensuing fiscal year not later than the thirtieth day of June, and it shall be effective for the fiscal year beginning on the following July 1st. Such adoption shall take the form of an ordinance setting out the estimated revenues in detail by source and making appropriations according to fund and by organizational unit, purpose or activity as set out in the budget document. If the council shall fail to adopt a budget prior to the beginning of any fiscal year, it shall be conclusively presumed to have adopted the budget as submitted by the mayor.

A copy of the adopted budget, certified by the metropolitan clerk, shall be filed in the office of the director of finance.

The amount set out in the adopted operating budget for each organizational unit, purpose or activity shall constitute the annual appropriation for such item, and no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriation, or allotment thereof, to which it is chargeable. This shall not preclude the impoundment of funds or additional appropriations as provided herein.

Section 6.07. Property Tax Levies. -- The council shall levy an annual tax on real and personal property and merchants' ad valorem in the general services district, and the tax levy ordinance shall be the next order of business of the council after the adoption of the operating budget. The tax rate set by such ordinance shall be in two (2) parts; the general tax rate and the school tax rate.

The general tax rate set by such ordinance shall be such that a reasonable estimate of revenue from the levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated with the exception of the amount appropriated for schools and to provide in addition, a reasonable amount of working capital for each of the several funds.

The school tax rate set by the ordinance shall be such that a reasonable estimate of revenue from the levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated for schools and to provide in addition, a reasonable amount of working capital.

After the council has approved the annual operating budget of the urban services district, said council shall determine and declare the amount of revenue which must be produced from a tax levy upon the real and personal property and merchants' ad valorem within the urban services district. The urban council shall thereupon convene and it shall have a mandatory obligation by resolution to levy a property tax adequate with other available funds to finance the budget for urban services,

Appendix 3: The Law and the Budget

as determined by the council; subject, however, to the requirements of section 1.04 of this Charter with respect to the tax on property in the newly annexed areas.

The willingness and ability of citizens to bear the burden of tax increases should always be considered. Therefore, notwithstanding any provisions above, real property tax rates shall not exceed the maximum rates approved by the voters of the county in a referendum. Such referendum may be authorized either by the mayor or by a majority vote of the council no more than once each calendar year pursuant to Tennessee Code Annotated section 2-3-204. The referendum shall read "The maximum real property tax rates for Davidson County shall be increased to:" followed by a list of rates. Voters shall be provided the two choices of FOR and AGAINST. The real property tax rates in effect as of November 7, 2006, shall be the maximum rates allowed until the first referendum occurs.

Section 6.08. Allotments of Appropriations. -- All appropriations contained in the current operating budget shall be allotted by the director of finance on a quarterly basis, and it shall be his duty to make such allotments promptly at the beginning of each quarter of the fiscal year. Such allotments shall be based upon estimated needs, and in the determination of such need the director of finance may require all spending agencies to submit allotments requests on such forms as he may prescribe. Such allotments shall constitute authorizations for expenditure or encumbrance, and no expenditure shall be made or encumbrance created, but in pursuance of an allotment, and within the otherwise unencumbered balance of such allotment.

Section 6.09. Impoundment of Funds. -- Upon certification of the director of finance that the revenues or other resources actually realized with respect to any fund are less than was anticipated and are insufficient to meet the amounts appropriated from such fund, it shall be the duty of the mayor to impound such appropriations as may be necessary to prevent deficit operation.

Section 6.10. Additional Appropriations. -- The metropolitan council may make appropriations in addition to those contained in the current operating budget, at any regular or special meeting called for such purpose, but any such additional appropriation may be made only from an existing unappropriated surplus in the fund to which it applies.

Section 6.11. Transfer of Appropriations. -- On request of any department head, and with his consent, the mayor may transfer the unencumbered balance of any appropriation, or any portion thereof, for any purpose or activity to the appropriation for any other purpose or activity within the same department, but the same shall not be available for encumbrance or expenditure until it shall have been allotted by the director of finance.

At the request of the mayor, but only at the end of any quarter of the fiscal year, the council may by resolution approved by a majority of the membership of the council transfer the unencumbered balance of any appropriation, or any portion thereof, to another appropriation within the same section of the budget and within the same fund. However, the council shall not make transfers of appropriations at any time between the general services district and the urban services district, or transfer moneys from any operating fund to another fund. Provided, however, that this stipulation shall not apply to the discharge of obligations existing between governmental agencies financed from one fund and those financed through another fund, nor to the transfer of moneys from operating funds to agency or trust funds, covering collections to be expended through such agency or trust funds, nor to the transfer of the unappropriated surplus in bond funds to the debt service funds set up to retire such bond, nor to such other transfers between funds as may be authorized by law.

Section 6.12. Lapse of Appropriations. -- All unencumbered balances of appropriations in the current operating budget at the end of the fiscal year shall lapse into the unappropriated surplus or reserves of the fund or funds from which such appropriations were made.

Section 6.13. Capital Improvements Budget. -- The director of finance shall obtain annually from all officers, departments, boards and commissions and other agencies requesting funds from the metropolitan government for capital improvements, such information as the planning commission shall require to enable it to prepare the capital improvements budget. This data shall be delivered to the planning commission not later than four months prior to the end of the fiscal year. The capital improvements budget shall include a program of proposed capital expenditures for the ensuing fiscal year and the next five fiscal years thereafter, accompanied by the report and recommendations of the metropolitan planning commission with respect to the program. Section I of the capital improvements budget shall present proposed general services district projects. Section II shall present proposed urban services district projects. The mayor shall submit the capital improvements budget to the council not later than May 15th and shall recommend those projects to be undertaken during the ensuing fiscal year and the method of financing them, noting the impact on the debt structure of the metropolitan government and shall include in the appropriate current operating budget any projects to be financed from current revenues for the ensuing fiscal year.

The council shall have power to accept, with or without amendment, or reject, the proposed program and proposed means of financing. The council shall not authorize an expenditure for the construction of any building, structure, work or improvement, unless the appropriation for such project is included in its capital improvements budget, except to meet a public emergency threatening the lives, health or property of the inhabitants, when passed by two-thirds vote of the membership of the council. The capital improvements budget must be acted upon finally by the council not later than the fifteenth day of June following its submission.

The mayor may submit amendments to the capital improvements budget at any time during the year, accompanied by the recommendation thereon of the planning commission, which amendments shall become effective when adopted by a two-thirds vote of the membership of the council.

Appendix 3: The Law and the Budget

Section 6.14. General Fund Reserve. -- From all original moneys collected during any year, before making a budget ordinance, there shall be deducted four (4%) percent of the gross amount of the general fund revenue of the general services district, which sum shall be placed in an account to be known as the general fund reserve and shall be kept separate and apart from other funds of the metropolitan government.

The mayor and council may by resolution make appropriations from said funds for the purchase of equipment for any department of the metropolitan government or for repairs to any building owned by any department of the metropolitan government; provided, however, that no appropriations shall be made from this fund to any department not deriving its operating funds from the general fund budget.

From all moneys collected during any year, and after making provisions for the four (4%) percent of the gross amount of the general fund revenue that shall establish the general fund reserve of the metropolitan government, there shall be next provided a sufficient amount, not to be less than fifty thousand (\$50,000) dollars, to be placed in and constituted the metropolitan government advance planning and research fund for the use of the metropolitan planning commission of the metropolitan government in the preparation, in advance, of plans for capital projects, and for the making of such studies and the doing of such research as is by the metropolitan planning commission deemed necessary in the performance of the duties and responsibilities given it by the Metropolitan Charter and general law. No expenditures shall be made from said fund except by resolution of the metropolitan planning commission, and in no case shall expenditures be made therefrom for the payment of budgetary items or matters not concerned with research and advance planning. The resolution of the metropolitan planning commission as to capital projects shall precisely define the projects concerned and amounts expended in the planning of such projects shall be provided for in the financing of construction of same and, upon the commencement of construction, the metropolitan government advance planning and research fund shall be repaid those sums and moneys expended from it in the advanced planning of such project. From all moneys collected during any year, and after the making of provision for the four (4%) percent of the gross amount of the metropolitan government's general fund revenue flowing into the general fund reserve of the metropolitan government, there shall next be provided a sufficient amount, as of the first day of each fiscal year, to bring the unencumbered balance on hand in the metropolitan government advance planning and research fund created herein to the minimum sum of fifty thousand (\$50,000) dollars.

By ordinance, the council may create a contingent reserve fund not to exceed four (4%) percent of the general fund revenue of the urban services district. The mayor and council may by resolution make appropriations from said fund for the purchase of equipment for any department of the metropolitan government or for repairs to any building owned by any department of the metropolitan government which equipment or buildings are used primarily for the furnishing of services herein defined as urban services; provided, however, that no appropriations shall be made from this fund to any department not deriving its operating funds from the general fund of the urban services district current operating budget.

Section 6.15. Post Audit. -- The council shall provide annually for an independent audit of the accounts and other evidences of financial transactions of the metropolitan government and of its every department, office and agency. The audit shall be made by an accountant or an accounting firm, the members of which have no personal interest, direct or indirect, in the fiscal affairs of the metropolitan government or of any of its departments, offices, or agencies. The designated accountant shall be a certified public accountant, or, if an accounting firm is employed, the members thereof shall be so certified and thoroughly qualified by training and experience in governmental accounting to perform the audit.

The independent audit shall be made by a firm chosen by a three-member audit board. This board shall consist of the presiding officer of the council, the chairman of the finance committee of the council, and the chairman of the metropolitan board of education.

The audit may be conducted on a quarterly or continuing basis and the final report of the annual audit shall be completed as soon as practicable after the close of the fiscal year, and in no event later than four months after the close of the fiscal year. The audit report shall be available to the public and to the press.

The council may at any time order an examination or special audit of any department, office or agency of the government.

ARTICLE 5 - METROPOLITAN COUNTY MAYOR AND VICE MAYOR

Section 5.04. Mayor's veto power; veto of items in appropriations and budget. -- The mayor is authorized to approve or to disapprove ordinances and resolutions adopted by the council and no ordinance or resolution shall become effective without his approval except as herein provided. Every ordinance or resolution adopted by the council shall be presented to the mayor for his or her consideration. If he or she approves, he or she shall sign the same, and it shall become effective according to the terms thereof. If he or she disapproves, he or she shall return the same to the council without his or her signature, which return may be accompanied by a message indicating the reasons for his or her disapproval. Any resolution or ordinance so disapproved shall become effective when subsequent to its return it shall be adopted by two-thirds (2/3rds) of all the members to which the council is entitled, with the ayes and noes and the names of the councilmen voting for and against the same entered on the minutes. Every resolution or ordinance shall become effective unless the same be approved or disapproved by the mayor and returned to the council at or prior to the next regular meeting of the council occurring ten (10) days or more subsequent to the date when the same was delivered to his or her office for consideration.

The mayor, while approving other portions of an ordinance, may reduce or disapprove the sum of money appropriated by any one or more items, or parts of items, in any ordinance appropriating money, except for debt service, employee benefits or independent audits, such power to be exercised with return of the ordinance to the council within the time prescribed for disapproval of ordinances generally, accompanied by written explanation of the reasons for disapproval or reduction. The one

Appendix 3: The Law and the Budget

or more items or parts of items disapproved or reduced shall be void to the extent that they have been disapproved or reduced unless any such item or parts of items so disapproved or reduced shall be restored to the ordinance in the original amount and become effective by adoption by the council according to the rules and limitations prescribed for the passage of other ordinances over the mayor's veto.

ARTICLE 9 - PUBLIC SCHOOLS

Section 9.04. Same - Duties; referendum as to school budget.

Subsection 3 of this lengthy section, not reproduced here, provides a process for the Metropolitan Board of Public Education (MBOE) to initiate a referendum to levy additional property taxes for schools.

Section 9.11. No diversion of funds. -- No funds which have been appropriated for the use of, or transferred to, the metropolitan school system shall be diverted from that use for any other purpose.

Section 9.12. Transfer of school funds within school budget. -- The board shall have power at any time to transfer funds within the major items of its budget. It shall also have power to make transfers of funds to, from or between major items in its budget, provided such transfers are not inconsistent with the general law.

Section 9.13. Transfers to school fund from general funds; borrowing money. -- The metropolitan council by resolution approved by the mayor, may transfer funds to the school fund from the general fund or general accounts of the metropolitan government, or may issue short term anticipation notes to provide such funds if in its judgment it is necessary and proper to provide temporary advances or transfers for the maintenance and operation of the schools. Such temporary advances or transfers shall be repaid or restored out of school funds during the ensuing year.

OTHER RELATED ARTICLES

Section 13.05. Duties of metropolitan employee benefit board. -- In addition to other duties imposed by this Charter or by general law, it shall be the duty of the board to:

...(f) Advise the mayor and the council of the anticipated financial requirements of each employee benefit plan adopted by the metropolitan government, as well as the retirement plans listed in Section 13.09 (a)–(c) of this article so that such financial requirements shall be included in the budget and tax levy ordinances for the ensuing fiscal year.

METROPOLITAN COUNCIL RULES OF PROCEDURE (2019-2023)

Rule 7 - Committee referrals -- All resolutions, and all ordinances upon their first reading, must be referred to the appropriate committee(s) of the Council by the Vice Mayor. The Vice Mayor may delegate this responsibility to the Clerk.

The committee assignment shall be indicated on the Council agenda. No vote will be taken on any resolution or on any ordinance on third and final reading until a committee has made a recommendation regarding the legislation.

The committee to which an ordinance or resolution has been referred shall make a report to the Council at the next regular meeting after its referral.

Rule 14 – Certification by Director of Finance on funds availability requirement -- Upon the filing of any ordinance or resolution requiring the appropriation or expenditure of money, the Director of Finance shall be afforded a period of twenty (20) days to furnish a statement to the Council certifying the availability of funds. No committee may consider the legislation until such time as the Director of Finance or a Divisional Director of the Finance Department has furnished such statement, or twenty (20) days has elapsed since the legislation filing.

Rule 15 - Capital Improvements Budget -- By October 31 of each year, members of Council shall submit all of their Capital Improvements Budget requests for the ensuing fiscal year to the Council Office for review by the Department of Finance, Planning Department, and implementing departments in order to identify costs, timeline and alignment with the General Plan. By December 16 of each year, a report of the reviewed requests shall be prepared by the Planning Department for review by the Budget and Finance Committee and Planning & Zoning Committee. Prior to the Capital Improvements submittal date established by the Director of Finance, the Budget and Finance Committee and Planning & Zoning Committee shall hold at least one joint meeting to prioritize Capital Improvement Budget requests on behalf of the Council in order to submit the requests in the format and timeline established by the Director of Finance for the Capital Improvements Budget development for the ensuing fiscal year. No Capital Improvements Budget requests shall be considered by the Council unless submitted in accordance with this rule.

Rule 21 – Legislation concerning appropriation of funds -- The Council's consideration of any resolution which issues, determines to issue, or otherwise approves any bond or other debt obligation shall be subject to the following requirements:

1. No such resolution shall be considered during the pendency of any ordinance adopting the Annual Operating Budget of the Metropolitan Government;
2. Following initial introduction, the resolution shall be deferred for at least one (1) Council meeting to allow for thorough consideration;
3. The resolution, or an attachment thereto, shall include the following information:
 - (a) the total amount to be financed;
 - (b) each of the purposes of the amount to be financed;

Appendix 3: The Law and the Budget

- (c) for each purpose, the portion of the total amount to be financed being allocated for that purpose;
- (d) for each purpose, a description with reasonable specificity of any subparts or categories within that purpose, and the portion of the total amount to be financed being allocated for each subpart or category;
- (e) the Capital Improvements Budget project number related to the proposed purpose, subpart, or category (if available);
- (f) identification of where the proposed purpose appears (if at all) on the Metro Council's CIB Project Prioritization List.

No resolution or ordinance proposing to expend or appropriate funds or to authorize the borrowing of funds for capital improvements projects (including the issuance of bonds or notes) shall be considered by the Council unless and until said legislation shall list the projects to be funded and the estimated cost of each project. Additionally, no such resolution or ordinance shall be considered if the department, agency or office benefiting from the appropriation or expenditure has failed for thirty (30) or more days to respond to a request for information submitted by the Council or any committee of the Council.

Rule 36 – Motion to reconsider -- A motion to reconsider a vote of the Council on any ordinance or resolution can be entertained only on a final reading and an affirmative vote and then only when the following have been complied with:

- (a) The maker of the motion to reconsider must have voted with the prevailing side.
- (b) The motion to reconsider must be made before the next order of business.
- (c) Not less than four (4) members of the Council must second the motion, and these four members need not have voted with the prevailing side.

Such motion, properly made and seconded, must be considered and finally acted on at the next regular meeting of the Council or at a special meeting called for that purpose. Such motion shall not be debatable prior to its consideration and final action.

No statement that a member is proposing to offer a motion to reconsider at a later meeting is to be entertained by the Council.

Rule 39 – Special rules on consideration of operating budget ordinance -- At any meeting wherein the operating budget for the ensuing fiscal year is being debated on third reading, the following provisions shall apply, any rule contained in these rules to the contrary notwithstanding:

No motion to amend the operating budget or a substitute operating budget ordinance may be entertained by the Council, unless such amendment or substitute budget has been submitted to the Budget and Finance Committee for a recommendation.

A second substitute budget ordinance may not be amended but must be acted upon as filed and presented.

A motion to table the budget ordinance or a motion for the previous question on the budget ordinance cannot be made until members have been allowed at least thirty minutes for debate.

A motion to table a substitute budget ordinance cannot be made until members have been allowed at least fifteen minutes for debate.

A motion to table an amendment to either the budget ordinance or a substitute budget ordinance cannot be made until members have been allowed at least five minutes for debate.

Rule 41 - Amendments to legislation and substitute legislation -- Except for zoning matters, budget, revenue service charges, economic development incentive ordinances or tax ordinances, no ordinance may be amended or substituted after second reading. No motion to amend the Capital Improvements Budget for the ensuing fiscal year, with the exception of the deletion of projects, shall be entertained by the Council unless such amendment was submitted in compliance with Rule 15.

Written copies of all amendments or substitutes to resolutions and ordinances, other than substitute resolutions awarding the sale of Metropolitan Government debt by public bid, must be distributed to all members not later than 9:00 a.m. on the Monday preceding a Tuesday regular meeting of the Council prior to any action being taken upon such matters by the Council or by any committee to which the matter has been referred. Distribution shall be made by electronic mail to all members, on-line posting on the Council website, and placement of hard copies on members' chamber desks.

FINANCIAL MANAGEMENT RESOLUTION

In 1991, the Council passed a financial management resolution that set policy for the government in two areas: minimum fund balances to be maintained in the two general funds and the Schools fund and restricting the use of non-recurring revenue to fund recurring expenditures.

RESOLUTION NO. R89-959

A resolution affirming the mayor's financial management policy on the maintenance of fund balances and the use of nonrecurring funds. *(adopted November 21, 1991)*

WHEREAS, it is deemed to be in the best interest of the Metropolitan Government to maintain sufficient reserves in the GSD and USD general funds and the Schools operating fund to protect against unforeseen circumstances; and

WHEREAS, several sources have recommended the adoption of a formal policy dealing with fund balance; and

Appendix 3: The Law and the Budget

WHEREAS, Resolution No. R89-828 requested that the Vice Mayor appoint a five member committee of the Metropolitan Council to work with the Director of Finance to establish budgetary guidelines; and

WHEREAS, the Director of Finance has submitted a proposed policy dealing with maintenance of fund balance and the use of nonrecurring funds, which has been approved by the Mayor; and

WHEREAS, said policy has been reviewed and approved by the special Council committee.

NOW, THEREFORE, BE IT RESOLVED by the Council Of The Metropolitan Government Of Nashville and Davidson County:

SECTION 1: That the Metropolitan Council goes on record supporting, to the extent of its authority, the attached Financial Management Policy which has been implemented by the Mayor.

SECTION 2: That this Resolution shall take effect from and after its adoption, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

FINANCIAL MANAGEMENT POLICY

Maintenance of Fund Balance and Restriction of Use of Non-Recurring Revenue:

It shall be the policy of the Metropolitan Government of Nashville-Davidson County to maintain sufficient reserves in fund balances, to protect the financial position of this government in the event of unexpected emergencies or unforeseen downturns in revenue collection. Based on input from various sources it is hereby established that an amount equal to 5% of the three operating funds' budget (the GSD and USD General Funds and the General Purpose School Fund) shall be maintained in fund balance as a reserve.

It is the intention of the Metropolitan Government of Nashville-Davidson County to achieve these reserves by the conclusion of fiscal year 1993. In order to accomplish this goal, it is the intent to make no appropriation of fund balance in the three operating funds until such time as fund balances equal 5% of that fund's operating budget. In addition, all alternatives to increase fund balances will be explored, including implementation of the efficiency study recommendations where possible; revenue raising options; ongoing review of services and service levels; and utilization of expenditure controls.

It shall also be the policy of the Metropolitan Government of Nashville-Davidson County to refrain from using nonrecurring revenue to fund ongoing operations of the three operating funds. Nonrecurring revenue shall be those funds not normally accrued to the benefit of the operating funds each year, including transfers from special, enterprise, and internal service funds. Any nonrecurring revenue received shall be utilized to fund activities which do not require ongoing funding or to build reserves.

DEBT MANAGEMENT POLICY

Purpose and Use of Debt Issuance:

Debt is to be issued pursuant to the authority of and in full compliance with provisions, restrictions and limitations of the Charter and the Constitution and laws of the State of Tennessee (including without limitation Title9, Chapter 21, Tennessee Code Annotated, and Title 7, Chapter 34, Tennessee Code Annotated (together, the "State Debt Statutes")), pursuant to resolutions adopted by the Metropolitan Council.

1. Debt may be issued for public purposes of the Metropolitan Government as permitted by the State Debt Statutes.
2. Debt may be used to finance capital projects authorized by resolutions of the Metropolitan Council and to fund costs of issuance, capitalized interest and debt service reserves, all as set forth in the resolution(s) of the Metropolitan Council.
3. Debt may only be used to fund operating expenditures when such debt is repaid in the fiscal year issued.
4. Bonds may be issued to refinance outstanding debt.

TENNESSEE CODE ANNOTATED 9-1-116 Programs and services limited to extent funds available.

(a) Notwithstanding any other provision of the law to the contrary, availability of programs and services to people in this state shall be limited to the extent that funds are appropriated by the general assembly or the appropriate governing body of a political subdivision.

(b) No person shall be entitled to ... any program or any services provided by or through the state, its departments, agencies or political subdivisions unless funds remain available for such program or service from moneys appropriated for that purpose by the general assembly or the appropriate governing body of a political subdivision.

G. Notwithstanding Section 5.04.140 of the Metropolitan Code of Laws, when the director of public property administration determines that there is a parcel of property acquired through the delinquent tax-sale process established in Tennessee Code Annotated § 67-5-2501 et seq. and no department nor any affordable or workforce or any similar housing agency has any use for the parcel, the director is authorized, with the approval of the metropolitan council, to sell such property, and the proceeds shall be deposited into the Barnes Fund for Affordable Housing. Such proceeds shall not be construed as prohibiting other appropriations to the Barnes Fund separate from the annual operating budget ordinance of the metropolitan government from available revenue sources. This is intended to provide additional funding to the Barnes Fund above and beyond the annual funding provided in the operating budget each year.

Appendix 4: Welcome to Nashville!

From the very beginning, Nashville grew out of a foundation built on music. Being known as Music City USA and Home of the Grand Old Opry has attracted visitors from around the world. And Nashville is proud of its musical roots, but Nashville is more than music. Nashville has a growing economy, well-educated population, diverse neighborhoods, and culture. Located in the heart of middle Tennessee, Nashville is home to more than 703,900 residents. According to the Nashville Chamber of Commerce, Nashville's economic market encompasses 10 counties and a population of more than two million making it the largest Metro area in a five-state region. Nashville is home to numerous colleges and universities, and is a major center for the transportation, healthcare, banking and investment, and technology industries. Nissan North America, Bridgestone Americas, Mitsubishi Motors North America, HCA Healthcare, Alliance Bernstein and iHeartMedia all call Nashville home.

Unique Neighborhoods and Infrastructure Information

Nashvillians often identify themselves by their neighborhood or their part of the community. VisitMusicCity.Com has compiled a description of each one of our unique neighborhoods to assist visitors in finding the perfect location to stay when one either rents an Airbnb or is looking for their forever home.

The Gulch

Just south of downtown lies this once-abandoned industrial area that's undergone an urban revitalization in recent years sparking an intoxicating new energy. The exceedingly walkable LEED-certified community is teeming with boutique hotels, high-rise condos, instagrammable murals, shops, live music venues, breweries, and diverse culinary offerings spanning everything from biscuits and Nashville Hot Chicken to Detroit-style pizza, traditional ramen, and Indian food.

Belmont/Hillsboro Village

Conveniently located near Vanderbilt and Belmont Universities, Hillsboro Village is a collection of shops, boutiques, and restaurants perfect for a day's stroll. Adjacent to Hillsboro Village is the Belmont area, which is home to Belmont University, a historic home, shops, and some great eating.

West End/Elliston Place

The epicenter of West End is Centennial Park, one of Nashville's premier urban parks located adjacent to Vanderbilt University and home to a full-scale replica of the Parthenon in Greece. Just up the way is Elliston Place where some of the city's most storied rock clubs can be located – hence the microneighborhood's "Elliston Place Rock Block" nickname – as well as several eclectic dining options. Further south down West End is Belle Meade, a wealthy residential community known for its stately homes including two historic properties that can be toured by visitors: Belle Meade Plantation and Cheekwood Estate & Gardens.

SoBro

The south side of downtown Nashville's Broadway is called SoBro. Unlike its neighbor North of Broadway up the hill, this area is known for all things new – the city's sprawling convention center, live music venues, major hotel brands, boutique properties, restaurants, bars, and even the just under 15-year-old Schermerhorn Symphony Center designed to look like it's been there for decades.

Berry Hill

At first glance, Berry Hill looks like a purely residential neighborhood until you realize funky independent shops, restaurants, recording studios and music publishers occupy many of the homes. Technically its own city, Berry Hill is treated as a distinct neighborhood of Nashville and is located just south of Downtown beyond Eighth Avenue South.

Germantown

Named for the European immigrants who first settled here in the mid-19th century, Germantown is a historic community on the National Register of Historic Places located just a few blocks northwest of downtown Nashville. The area is home to the Tennessee State Museum and Bicentennial Capitol Mall State Park, local boutiques and many of Nashville's most critically acclaimed restaurants making it a culinary destination in its own right.

Green Hills

Considered one of the most desirable areas to live in Nashville, Green Hills is an affluent suburban enclave known for upscale brands and boutiques. Hidden within an inconspicuous strip mall is the famed Bluebird Cafe, home to both established and up-and-coming songwriters.

Midtown/Vanderbilt

Sandwiched between downtown, Music Row, West End and Hillsboro Village is Midtown, an area adjacent to the prestigious Vanderbilt University. Here, students, music industry folks and business executives converge with visitors in the neighborhood's many chef-driven restaurants and bustling bars. Its walkability, multitude of hotel options and proximity to both downtown and other unique neighborhoods make it an exceptionally convenient area to stay in Nashville.

Airport/Donelson

The Nashville International Airport isn't the only thing to experience in Donelson, located just 10 miles east of downtown. Diverse eateries and interesting attractions including Andrew Jackson's Hermitage, home of the 7th US president, can be found here and in the surrounding areas. Budget-friendly hotels abound within proximity of the airport, making it a convenient place to stay during a visit to Nashville.

8th Avenue/Melrose

Eighth Avenue and Melrose, just south of downtown and the Gulch, is home to some of the best antique shops in town. Refuel after digging for a one-of-a-kind find at one of the areas many budget-friendly corner cafes, chef-driven restaurants, and family-friendly eateries.

Appendix 4: Welcome to Nashville!

Downtown Nashville

The sound of Nashville reverberates from the city's downtown core where honky-tonks play world-class live music 365 days a year, historic buildings have been reimaged into music attractions, boutique hotels, art galleries, and chef-driven restaurants, and newly constructed hotels, eateries, music venues, and attractions pop up all over.

12South

A half-mile stretch along 12th Avenue South called the 12South neighborhood with a vintage clothing store on one end, a gourmet restaurant on the other, and many unique Nashville businesses in between. One of the most walkable neighborhoods in Nashville, 12South is a shopping and dining destination full of restaurants, coffee houses, bakeries, bars, and boutiques featuring local designers and makers.

Opryland/Music Valley

Just ten miles east of downtown and seven miles north of the Nashville International Airport is Music Valley where world-class country music entertainment, family-friendly dining establishments, and bargain shopping can be found. This area is home to the Grand Ole Opry, Opry Mills shopping center, Gaylord Opryland Resort and Convention Center, SoundWaves, and some fantastic country-music themed attractions and restaurants.

Wedgewood-Houston

Wedgewood-Houston "WeHo" neighborhood is located a few blocks south of downtown Nashville with borders defined by Houston Street to the north, Wedgewood Avenue to the south, Eighth Avenue South to the west and Fourth Avenue South/Nolensville Pike to the east. The proximity to downtown, relatively affordable rents and real estate prices, and the number of old warehouses, factories and garages have attracted artists, musicians and entrepreneurs to open restaurants, distilleries, breweries, galleries, studios and workshops in the area. Look for major growth in the years to come: Apple Music's Nashville office and a SoHo House Hotel are slated to open here soon.

North Nashville

Located a few miles from downtown, North Nashville is a neighborhood steeped in rich history. Home to three historically black universities, Fisk University with its famed art galleries and Fisk Jubilee Singers, Meharry Medical College, and Tennessee State University, North Nashville has long been the hub of the city's black community. Jefferson Street is known for its musical past, once the epicenter of Nashville's thriving R&B and jazz scene. Today, visitors can explore the shops, bars, and restaurants lining Buchanan Street.

Marathon Village

A cluster of buildings that formerly housed Marathon Motor Works in the early 1900's makes up the area known as Marathon Village just minutes from downtown. Today, a creative community of unique retail, business and entertainment facilities reside here, including a bourbon distillery, gourmet confectionary and Antique Archaeology, home base for the American Pickers show on the History Channel.

Music Row/Demonbreun/Edgehill

This neighborhood is considered the heart of Nashville's entertainment industry. Nestled within homes and buildings are the recording studios from which your favorite songs came to be. Including everything from Elvis Presley's "How Great Thou Art" (recorded at Historic RCA Studio B) to Foo Fighters' "Congregation" (recorded at Southern Ground Nashville).

East Nashville

Located across the Cumberland River from downtown Nashville is the stomping ground of Nashville's creative class, attracted to the area's culturally diverse and eclectic vibe and historic homes dating back to the early 1900s. In the early aughts, East Nashville helped put Nashville on the map as a culinary destination with beloved restaurants like Margot Cafe & Bar and Marche Artisan Foods, a reputation the neighborhood maintains today. Locals frequent the many dive bars, craft cocktail joints, coffee shops, and vintage stores sprinkled throughout the neighborhood.

Sylvan Park

Southwest of downtown Nashville lies the quaint and quiet neighborhood of Sylvan Park, a largely residential area brimming with locally-owned restaurants, bars and shops that have stood the test of time. The neighborhood's main thoroughfare is Murphy Road that ends at McCabe Park where locals and visitors alike enjoy McCabe Golf Course and the surrounding Richland Creek Greenway. The Nations and West End neighborhoods flank either side of Sylvan Park.

Appendix 4: Welcome to Nashville!

Creative Music History

- **Ryman Auditorium:** When you walk through the doors of historic Ryman Auditorium, one thing becomes clear right away: this isn't just another nightly music venue, and it's so much more than a daytime tourist stop. This place is hallowed ground. This is the exact spot where bluegrass was born—where Johnny Cash met June Carter, where souls were saved, and a slice of history was nearly lost. It was right here that country music found an audience beyond its own back porch, and countless careers took off as deals were signed on napkins and paper scraps backstage. This is a building where anything is possible: a soul can find redemption, a crumbling building can find salvation, and an unknown kid with a guitar can find his or her name in lights.
 - Website: <https://ryman.com/>
- **The Grand Ole Opry:** The stage that showcases the past, present, and future of country music. For 95 years, the radio show has been the home to the art form's growth and change, from the first broadcast in the National Life Building on WSM's Barn Dance in 1925 to the move into the new Opry House in 1974, and now to audiences across the globe on Circle TV and host to the 55th Annual ACM Awards in 2020. The Opry remains the platform that connects artists and fans to the music they love.
 - Website: <https://www.opry.com/>
- **Country Music Hall of Fame and Museum:** This organization seeks to collect, preserve, and interpret the evolving history and traditions of country music. Through exhibits, publications, and educational programs, the museum teaches its diverse audiences about the enduring beauty and cultural importance of country music.
 - Website: <https://countrymusichalloffame.org/>
- **National Museum of African American Music:** This is the only museum dedicated to preserving and celebrating the many music genres created, influenced, and inspired by African Americans. The museum's expertly-curated collections will share the story of the American soundtrack by integrating history and interactive technology to bring the musical heroes of the past into the present.
 - Website: <https://nmaam.org/>
- **Tootsies Orchid Lounge:** A honky-tonk bar located in Nashville, Tennessee behind the Ryman Auditorium. Tootsie's has three stages that host live local talent each night covering modern day country music artists such as Jason Aldean, Taylor Swift, and other popular country music artists, as well as original work. Some of its early famous first customers were Willie Nelson, Patsy Cline, Mel Tillis, Kris Kristofferson, Waylon Jennings, Roger Miller and numerous others country musicians. According to www.tootsies.net, Willie Nelson received his first songwriting gig after singing at Tootsie's.
 - Website: <http://www.tootsies.net/>
- **The Johnny Cash Museum:** This establishment opened in April 2013 in Nashville, Tennessee, to honor the life and music of the country superstar often referred to as the "Man in Black." It houses the world's largest collection of Johnny Cash memorabilia and artifacts, including a stone wall taken from his lake house in Hendersonville, Tennessee, and is officially authorized by Cash's estate.
 - Website: <https://www.johnnycashmuseum.com/>
- **George Jones Museum:** Though temporarily closed due to the Nashville Christmas Bombing of 2020, the George Jones museum focuses on the man and legend of Country Music. George Jones had more country songs on the Billboard chart and more top 40 songs than any country artist in history. His influence is heard everyday through the biggest country music artists. Experience his legacy and see George Jones memorabilia up close and personal in one of Nashville's best museums. Watch performances, listen to some of his many hits, and immerse yourself in George's powerful story.
 - Website: <https://georgejones.com/museum/>
- **Printer's Alley:** A famous alley in a well-hidden corner of downtown. The alley takes its name from the early connection to the Nashville printing and publication industry. In the 1940's, the alley became a center of the city's nightclub and entertainment district through its reputation for late-night jazz music sessions and loose interpretation of the liquor laws of the period.

Creative Community: Parks, Galleries, and History

Nashville's municipal park system was established in April of 1901. The first park in the system was Watkins Park. This was closely followed by the acquisition of Federal Park (grounds of the Customs House) and then Centennial Park in 1902. In 1963 the first Metropolitan Board of Parks and Recreation was appointed in accordance with the Metro charter. The Metro charter authorizes this board to employ a director of parks and to supervise, control, and operate the park and reservation system of the metropolitan government.

Appendix 4: Welcome to Nashville!

When thinking about how “Strength” and “Creativity” found a foothold in Music City, there are many other aspects for visitors and residents to view. Below you will find a few of points of interest that are often visited during the months of April and October when Music City comes to life with a variety of outdoor events and attractions.

Galleries & Museums include:

- **Cheekwood Botanical Gardens and Museum of Art** is a 55-acre botanical garden and historic estate in Nashville, featuring art galleries, seasonal festivals, and breathtaking wedding venues.
 - Website: <http://www.cheekwood.org>
- **Fisk University Galleries** maintains a permanent collection of over 4,000 objects that span three centuries of art history. Paul Cezanne, Pablo Picasso, Alexander Calder, Georgia O’Keefe, and Alfred Stieglitz are just a few of the acclaimed artists represented in the collection. A Bible presented to President Abraham Lincoln by free black of Baltimore in 1864 is in the Special Collection.
 - Website: <https://www.fisk.edu/galleries>
- **Frist Art Museum** hosts touring exhibitions from some of the most prestigious collections in the world, as well as award-winning shows organized in-house.
 - Website: <http://www.fristcenter.org>
- **Adventure Science Center** is a 44,000 square foot science and technology center featuring more than 175 hands-on exhibits focused on biology, astronomy, physics, earth science, weather, and space. Its non-profit dedicated to delivering dynamic learning experiences that open minds to the wonders of science and technology.
 - Website: <http://adventuresci.org>
- **The Parthenon** is a full-scale replica of the original Parthenon in Athens, Greece. It was designed by architect William Crawford Smith and built in 1897 as part of the Tennessee Centennial Exposition. The plaster replicas of the Parthenon Marbles found in the Naos are direct casts of the original sculptures, which adorned the pediments of the Athenian Parthenon dating back to 438 B.C. The originals of these powerful fragments are housed in the British Museum in London. The Parthenon also serves as Nashville’s art museum. The focus of the Parthenon’s permanent collection is a group of 63 paintings by 19th and 20th century American artists donated by James M. Cowan.
 - Website: <http://www.nashville.gov/Parks-and-Recreation/Parthenon.aspx>
- **Tennessee Performing Arts Center** is a nonprofit organization dedicated to leading with excellence in the performing arts and arts education, creating meaningful and relevant experiences to enrich lives, strengthen communities, and support economic vitality. Its three performance halls are named after the three U.S. Presidents that hailed from Tennessee. The Center is home to The Nashville Ballet, The Nashville Opera, and The Tennessee Repertory Theatre. In addition to its operations, the Center hosts a series of touring Broadway shows and special engagements.
 - Website: <http://www.tpac.org>
- **Tennessee State Museum** is a 137,000-square-foot building includes a Tennessee Time Tunnel chronicling the state’s history by leading visitors through the museum’s permanent collection, a hands-on children’s gallery, six rotating galleries, a digital learning center, and a two-story Grand Hall. Exhibitions include significant artifacts related to the state’s history, along with displays of art, furniture, textiles, and photographs produced by Tennesseans. The museum’s Civil War holdings consists of uniforms, battle flags, and weapons.

Appendix 4: Welcome to Nashville!

Historic sites in or near Nashville include:

- **The Battle of Nashville/Fort Negley** features exhibits, monthly activities, annual events and self-guided tours of Fort Negley Park. As the largest inland stone-fortification built during the Civil War, Fort Negley stood as the centerpiece of Union occupation of Nashville. The 4,605-square-foot, \$1 million facility includes a small multipurpose theater, exhibit space, meeting room, staff spaces, public restrooms, and an outdoor plaza. Admission to Fort Negley is free.
 - Website: <http://www.bonps.org/fort-negley>
- **Belle Meade Plantation** is a historic mansion that is now operated as an attraction dedicated to the preservation of Tennessee's history, architecture, hospitality, and equestrian legacy. Guests can enjoy Historic Tours, Family Tours, Wine & Food Pairings, Bourbon Tastings, and Chef-Inspired Food & Wine Pairings.
 - Website: <http://www.bellemeadeplantation.com>
- **The Hermitage** was the home of Andrew Jackson, our nation's 7th President. From Jackson's initial purchase and major remodeling through a devastating fire and restoration, the mansion has endured to be visited by millions today.
 - Website: <http://www.thehermitage.com>
- **Travelers Rest** is the oldest historic house museum open to the public in Nashville. Our primary mission is history education, and we serve more than 12,000 children and adult visitors each year. Our programs and events cover 1,000 years of history, from Mississippian period Native American settlement through the 19th century using the cultural resources John Overton's 1799 home.

GDP Price Index data reflects prices in the domestic economy. State & Local data reflects the price of goods purchased by state & local governments (not specifically Metro). CPI data reflects the price of a market basket of goods and services bought by urban consumers.

The GDP Price Index and GDP State & Local Government Purchases reflect base year change from 2012.
The percentage change in prices from one year to another is the difference in indices for those years divided by the index for the earlier year. Increases must be compounded, not simply averaged, across multiple years.

Appendix 6: Pay Grades and Rates

This table presents Civil Service* and non-Civil Service pay grades used by many departments, each grade's minimum and maximum annual salaries, number of steps in grade, and number of months at each step. It does not include other positions whose salaries are set by state law or by letter of agreement.

Financial Trend Monitoring System Indicators

While COVID-19 is no longer directly impacting the economy domestically by way of rising case levels and shelter at home orders, the pandemic’s residual impact is without question still being felt today. Concepts such as vaccine emergency use authorizations and herd immunity no longer dominate the headlines, having been replaced with sustained inflationary levels at 40-year highs, rising interest rates and looming recession concerns. Given the economic fluidity at present, and by virtue of this report’s central focus on audited historical data, it is important to note that what follows did not form the primary basis of FY 2023’s recommended budget. What follows is a review of recent historical trends.

When managing municipal finances, it is important to understand past financial trends and their effects on the present and future. To accomplish this, Metro has developed a Financial Trend Monitoring System (FTMS). This system is based on the FTMS developed and outlined by the International City/County Management Association (ICMA) in its *Evaluating Financial Condition – A Handbook for Local Governments*, but slightly modified to meet the needs of Metropolitan Nashville and Davidson County.

The trend system consists of measurable factors that reflect and influence Metro’s financial condition – its ability to finance current services on a continuing basis. These factors include the national economy, population levels, federal and state mandates, the local business climate, and the internal fiscal policies of the local government.

This evaluation reviews financial data from the general funds of the General Services District (GSD) and the Urban Services District (USD) for the ten-year time period extending from FY 2012 to FY 2021.

Revenue Indicators

The revenue indicators reflect Metro's ability to produce sufficient revenue to support current service levels, meet existing obligations, and plan for future initiatives.

Trends in Revenue Sources

Description: This graph reveals trends for the largest sources of revenue received by Metro, grouped into seven categories: total revenue, property taxes, sales taxes, fees & user charges, revenue from other governments, fines forfeits and penalties, and other fees and charges. The composition of these revenues helps determine the Metropolitan Government's potential dependence on any one specific revenue source in order to respond to changing economic situations and service demands.

Commentary: Total revenue grew by approximately 69.4% between FY 2012 to FY 2021, which represents an increase of 28.9% percentage points relative to the previous rolling ten-year period. This jump comes on the heels of the first decrease experienced by Metro during the period, highlighting the detrimental impact of COVID-19. The drop was the result of two consecutive quarters of contraction, ending in Q2 2020, in which the country experienced an historically unprecedented decline in annualized GDP, as it fell by 31.2%. This dramatic and swift downward swing was the result of stay-at-home orders that swept the nation, resulting in business closures that brought economic activity to an abrupt halt. For perspective, the largest quarterly drop during the Great Recession was 8.4%, one of the many staggering economic reverberations dealt by the pandemic. Despite the financial floor created by the Great Recession during the beginning of the 10-year period being examined, and the growth that occurred throughout nearly the entirety of the timespan, the pandemic induced slowdown shifted optics with respect to this growth during separate five-year periods ranging from 2012 to 2021, as it would require decisive action from leadership to safeguard against economic uncertainty. During the first half, from 2012 to 2016, Metro’s revenues grew by 20.6%, followed by accelerated growth of 35.7% over the remainder of the period. As can be seen in the chart above, this spike towards the end of the period can be attributed to higher property tax collections, the result of a rate increase in FY 2021. The decision to increase the property tax rate was made necessary by considerable unknowns regarding the longevity of the pandemic induced downturn, coupled with dwindling cash and fund balances. It is important to note that the rate increase occurred at a time when many revenues were experiencing double digit percent decreases, to include some that had fallen by nearly ¾ due to the pandemic.

The predominant source of revenue is property taxes, which increased by approximately 70.2% between 2012 and 2021. This growth was driven by two separate rate increases, the first occurring in FY 2013, with the second taking place in FY 2021, in response to the pandemic. FY 2013’s increase was followed by a reappraisal that same calendar year that lowered the rate for the following fiscal year, where it remained, until dropping to a historically low level in FY 2018, where it remained until FY 2021’s increase. Despite the bump to ensure continuity of services during the pandemic, Metro’s rate remained nearly a dollar lower than the average rate over the previous quarter century and highly competitive

Appendix 7: FTMS

relative to other major cities in Tennessee. Not to be dismissed as a factor in Metro's property tax revenue growth is the role that sustained levels of high demand for commercial and residential development has played, driving new construction and value appreciation annually. While the pandemic significantly impacted activity taxes, various economic indicators such as population growth, unmet demand due to low inventory, as well as shifting preferences related to work from home opportunities, suggest a continuation of this trend going forward.

Supportive of the argument that growth in the underlying tax base has also contributed meaningfully to higher revenue collections, is the notable increase of 78.6% in total assessed value within the GSD during the 10 years examined. This increase was the result of two reappraisals that resulted in value appreciation of over 36% each, with 2017's being roughly 49%. State law mandates that revenues tied to the reappraisal of existing property remain the same, irrespective of increases in property values. This is achieved by offsetting reductions in the certified tax rates, ensuring that the reappraisal serves its intended purpose, equalization based on current market value. This revenue neutrality requirement creates stability in the source, which is beneficial given its proportion relative to the overall budget. The rate increases are detailed in the property tax discussion in Section A of this book.

Intergovernmental revenues (funds received from other governments) increased by 34.4% from 2012 to 2016, primarily due to reduced collections early in the period. Relative to revenues from all other sources, this category's percentage of overall revenue essentially held flat until about 2015, as absolute annual dollar amounts remained flat. Since then, there has been an upsurge of 62.1% over the last five years, which points to economic recovery that began in 2021, driven by a rebound in collections of state shared revenues, to include: state sales taxes, increased gas and fuel rates due to the IMPROVE Act in 2017 and revised distribution of telecom revenue that greatly benefitted local governments. Since the recession, Metro has taken steps to ensure that it is not overly dependent on revenues from other governmental entities due to the volatility of available funds. These steps include being judicious in funding programs that align with Metro's organizational priorities and implementing a hiring freeze program that provided greater financial oversight of personnel expenses.

Local option sales tax is the primary source of elastic revenue because it responds to changes in inflation and the economic base. The total sales tax rate in Davidson County is 9.25%. To fund education, in FY 2002 a 1.0% increase to all items except unprepared foods (4% plus local option) put the state portion of the sales tax rate at 7.0%, plus the 2.25% local option rate levied by Davidson County. During the 10-year period being discussed, Davidson County has experienced a remarkable 84.7% increase in local option sales tax. This figure is more than double that of the previous rolling 10-year period, which experienced considerable impact from the pandemic. After falling by roughly \$28.4M in FY 2020, local option rebounded considerably in FY 2021, with YoY growth of \$54.7M.

Overall, collections of fees and user charges have increased approximately 37.4% between FY 2012 and FY 2021, despite experiencing a decrease of 5.2% during

the last five years of the period, as many fees remained low due to COVID restrictions and lingering fear.

Analysis: Understanding the various stages and associated defining characteristics of the business cycle is beneficial in determining the underlying components of growth in Metro's revenue sources and performance implications going forward. Following the Great Recession, which immediately preceded the timeframe being examined, the economy had been in a period of expansion for over 10 years, which ended abruptly due to the pandemic. This period had been marked by, among other indicators: GDP growth, new housing construction and value appreciation, increased consumer confidence and low unemployment; and can be traced in the previously prominent upward trend of total revenue. Benefitting from these economic strengths, as well as state level changes in rates and Metro's population growth are intergovernmental revenues, as this growth often determines the basis for allocation among municipalities. Fees and user charges and local option sales tax revenue had also both shown typical post-recession growth, the result of the aforementioned increase in consumer confidence and higher discretionary income. However, accompanying the pandemic, a sharp contraction in economic activity and subsequent revenue collections has altered Metro's previously well-established financial footing. The pandemic's impact has far exceeded the presence of potential threats to the viability of certain revenue sources that had already inherently existed; the result of natural ties to the state and national economy in general, policy and administration changes at all three levels, as well as uncertainty with respect to the stability of revenues reliant on the tourism industry in particular. Despite this, the stability afforded by Metro's appreciating property values, federal stimulus and consumption shifts played critical roles in helping to reduce some of the pandemic's impact experienced to end FY 2020. These same variables were critical in the recovery that began in FY 2021, as an economy that suddenly found itself flush with cash was eager to regain a sense of normalcy following government mandated lockdowns. This led to tremendous pent-up demand, with consumers spending their way out of the pandemic via higher reserves.

Property Tax

Description: Metro relies heavily on the property tax as its single largest revenue source. In FY 2021, the property tax constituted approximately 57.3% of all general fund revenue collected by Nashville Metropolitan Government.

Appendix 7: FTMS

Commentary: The property tax, a comparatively stable funding source, should mirror the effects of inflation to ensure that dollars collected have consistent buying power year to year. For the analysis period, the current buying power of the property tax revenue has varied from a low of \$443.3M in FY 2012 to a high of \$754.8M in FY 2021. Since FY 2012, as the total revenue generated has increased by roughly \$311.4M, constant buying power has failed to keep pace, increasing only \$84.6M.

Analysis: The graph displays property tax revenue in both current and constant dollars to show the effect of inflation on revenue. The noticeable upswing in FY 2021 can be attributed to the rate increase, the first since FY 2013, made necessary by the pandemic. Prior to this, and despite FY 2018's rate decrease of more than \$1.00, the chart above illustrates the impressive growth in assessed property values across Metro.

Appraised Property Value

Description: Appraised value of property measures the market value of taxable real, personal, and public utility properties in Metro. Ideally, market and appraised values are the same – indicated by an appraisal ratio of 1.00. When a gap exists between market and appraised values, some property owners are paying less than a fair share of property taxes while others may be overburdened with taxes on properties of declining values. Appraised values and appraisal ratios (the state-estimated ratio between appraised and market values, updated every two years) are presented in Section A of this book.

Commentary: Regular reappraisals should help keep appraised values balanced with market values. All taxable real property is appraised every four years by Metro's

Assessor of Property, ensuring that there is equitable distribution across the entire tax base.

Analysis: The total assessed value of property increased steadily for much of the period, before considerable appreciation associated with favorable market conditions and 2017's reappraisal created a significant upswing. This surge resulted in growth of 78.6% from FY 2012 to FY 2021. Over the same period, total estimated property value increased 103.1%, highlighting the disparity that existed in the final year before 2021's (FY 2022) reappraisal, as a direct result of considerable market appreciation. This is counter to these two figures typically nearly matching; in this ideal scenario, the market is being fairly and accurately represented for citizens and they also benefit in increased service offerings, the result of the precise assessment of the tax base. A number of factors, either in isolation or in combination, could be the source of the difference, to include: natural variance as the inherent byproduct of explosive growth in the market, the impact of commercial development and related incentive packages, adjustments to assessed values that are linked to a greater number of appeals or citizens utilizing property tax relief programs at a higher rate. Metro has elected to undertake a four-year reappraisal cycle in an effort to keep property values in line with current market values as well as maintain equalization throughout the county. Appraised values are generally within 90% of market values.

Uncollected Property Taxes

Description: Each year, a portion of assessed property taxes remain uncollected due to a variety of reasons. An increase in this percentage can indicate an overall decline in local government's economic health. Delinquent and back property tax collections form a significant portion of annual property tax revenue. The largest portion of delinquent taxes consists of the prior year's assessments.

Analysis: Apart from FY 2021, uncollected property tax levels have consistently hovered between just over \$4.0M to \$5.4M, falling to \$2.6M in FY 2020. However, as shown above, a considerable spike occurred in FY 2021, the result of Metro's decision to discontinue the practice of selling the delinquent receivable to a third party at yearend, which had occurred since the mid-2000's. This was made possible by Metro's improved cash reserves.

Delinquent Property Tax Receivables

Appendix 7: FTMS

Commentary: Prior to FY 2021, delinquent property tax receivables had generally exhibited a downward trend overall. However, as was the case with uncollected property taxes in the previous section, delinquencies spiked in FY 2021. Similarly, this can be attributed to Metro's decision to no longer sell the delinquent receivable at year-end, opting instead to collect outstanding taxes in-house. Going forward, FY 2021's level will stabilize given the change in approach.

Analysis: Various factors, such as property tax rate increases or significant market appreciation, changes in the economic landscape, and even variability in the collection process itself have the potential to impact the volume of delinquencies. Despite appearance to the contrary given FY 2021's deviation from the previous practice, conscious effort on the part of Metro to ensure that uncollectable balances have been accounted for has contributed to lower delinquency levels than that of the preceding decade.

Elastic Revenue

Description: Elastic revenue refers to revenue that responds to changes or fluctuations in inflation and the economy. In this study, the elastic revenue analyzed is the local option sales tax.

Commentary: In FY 2012, elastic operating revenues were roughly \$91.1M. Outside of a reversion to the previous allocation basis in FY 2016, the result of 2015's spike, this revenue increased in every year during the ten examined, apart from one, FY 2020. For perspective on the pandemic's impact, the drop experienced in FY 2020 represents a decline nearly equal to FY 2016's level, despite there not being a change in the source's allocation basis.

Analysis: During periods of increased inflation, a high percentage of sales tax revenue compared to total revenue helps maintain purchasing power. The category's growth, which began modestly in 2012, expectedly trails, but still mimics the slow recovery and subsequent expansion of the economy. While this growth occurred at both the national and state levels, it at times has been outpaced locally by Nashville's economy. If not for considerable growth in other operating revenues, this category's performance would not appear to be nearly as artificially suppressed as the graph suggests. Also contributing to growth is the proliferation of out-of-state and internet sales tax collections as a result of voluntary compliance due to looming statutory changes. The spike observed in FY 2015 is the result of fund allocation adjustments and not representative of the actual continued growth of the underlying source itself. The precipitous drop shown in FY 2020 represents the first true decrease over the period, a direct result of the pandemic's historic economic impact. As can be seen, this was immediately followed by recovery in FY 2021, although, relative to total operating revenues, Metro's elastic revenue has not returned to FY 2019's level. This is due to FY 2021's property tax rate increase and subsequent increased collections.

Intergovernmental Revenue

Description: Intergovernmental revenue consists of funds from federal, state, and other governmental entities, and non-profit groups. Often these funds are designated for specific uses. Too much dependence on intergovernmental revenue is risky; if funds are withdrawn, the local government may need to fill the gap or reduce services provided by the funding.

Commentary: Intergovernmental revenue, following fairly steady growth prior to the Great Recession, declined considerably in FY 2010 in relation to total revenue and has remained comparatively flat for the majority of the period, ranging from roughly 9.9% to 13.0%, the latter occurring in FY 2020 and FY 2021, following very little movement in the four preceding years. In part, this is due to increased property tax collections, which increased the percentage of revenue raised by the property tax relative to other sources. Along with this, during several of the years being examined there were reductions in intergovernmental transfers from state and federal sources due to budget reductions at the state level and shifting of resources out of federal grant programs. These revenues have started

Appendix 7: FTMS

to slowly trend upward since FY 2012, as fiscal tightening at the federal and state levels has lessened. As is the case for many Metro’s revenues, FY 2020’s increase is tied to the effects of COVID, and the downward pressure it applied on Metro’s local revenues. Its reduction relative to overall revenues led to the marginal increase of this category.

Analysis: For context, from FY 2007 to FY 2009 a sizeable spike in intergovernmental revenue occurred, which could be attributed to an inflow of federal stimulus funds, the cumulative measures of which later became known as the American Recovery and Reinvestment Act in 2009. Since then, the category’s contribution to Metro’s total revenue figure has leveled off to nearly prerecession levels and has remained consistent. As previously touched on, increases in state shared taxes have occurred as a result of one of the longest periods of economic expansion in recent history, only to be matched by spikes in other sources as well, lessening the category’s bottom-line impact.

Revenue Benchmarks

Revenue benchmarks serve as important symbols of the flexibility found in spending restrictions within the Metropolitan Government. These trends may reveal implementation of cost controls or fiscal policies.

Restricted Revenue

Description: Restricted revenue is legally designated for a specific use, often spelled out in state or federal laws, bond covenants, or grant contracts. Specifically, restricted revenue includes revenue from other governments and governmental agencies, excluding the state income tax allocation and the state sales tax funds.

An increased percentage of restricted revenue as a percentage of total operating revenues can hinder the government’s ability to modify spending priorities in response to changing service needs and demands.

Commentary: The restricted revenue graph exhibits similarities to the overall trend that is illustrated in the intergovernmental revenue graph, declining to its lowest point of 4.7% in FY 2013 before recovering. Since then, except for FY 2015, the category has increased, exceeding its previous high for the period, 8.4% in FY 2020, this past year at 9.1% for FY 2021. This is further evidenced by absolute growth of 103.8% over the last five years. Comparatively, the previous rolling five-year

period increased 63.8%. However, this growth is to be expected following the decline in intergovernmental revenue related to the fiscal crisis of 2009 and the subsequent reduction of federal grant revenue. It is important to note that the state sales tax allocation and the income tax on dividends and interest are not included in the restricted revenue calculation.

While specific-use revenues allow local governments the opportunity to expand certain programs, it is a good idea to keep the percentage relatively low so that a government does not become overly reliant on funding from sources that cannot be guaranteed from year to year. However, as a percentage of total revenues, restricted revenues is at its highest point of 8.4% since the end of the Great Recession.

One-Time Revenue

Description: A one-time or temporary revenue source is one that is not expected to be a continuous funding source, such as the allocation of a portion of fund balance reserve, a one-time grant or gains from the sale of assets.

Continual use of one-time revenue to balance the budget may indicate that the revenue base is not sufficient to support current service levels. For this study, a one-time revenue source refers to funds that are appropriated from fund balance. Consecutive years of decreases in fund balance can serve as a warning signal, indicating a decrease in the availability of critical reserves often relied upon during economic downturns.

Analysis: This graph illustrates the budgeted amount of fund balance, as well as what was ultimately appropriated, to cover expenditures during the year. It demonstrates that while Metro has budgeted for the use of fund balance during much of the time period, it has managed to increase reserves rather than utilize these dollars in all but three years.

Commentary: The global economic crisis in 2008 significantly impacted local revenue, triggering declines in total revenue for the following two years. Initially, the recession limited Metro’s ability to build fund balance. These reserves did not stabilize until FY 2013, attributable to the property tax rate increase that same year. After nearly four years of budgeted increases in fund balance appropriations, a decrease in available reserves limited its budgeted amount in 2019. However,

Appendix 7: FTMS

despite being budgeted, actual fund balance usage has varied, with accumulations, rather than the use of, occurring from 2011 to 2016, as well as 2019 and 2021. 2017 and 2018 utilized fund balance, but both fell short of requiring the budgeted amount, with this trend reversing in 2020 due to the pandemic. Declining reserves relative to Metro's operating expenditures, met with the uncertainty surrounding the pandemic, led to FY 2021's property tax rate increase. The decision to increase the rate was not made lightly, with replenishment of Metro's fund balances and cash reserves factoring into the equation.

Revenues per Capita

Description: This indicator assumes that services and revenues will increase proportionately with growth in the population and that the level of *per capita* revenue will stay at least constant in real terms. The population of Davidson County has grown by 8.4% since 2012.

Commentary: Adjusting for inflation, revenue per capita decreased 1.4% year-over-year during FY 2020; marking the first time this occurred since an indiscernible dip occurred in FY 2014. In looking at performance in separate five-year periods, the effects of the COVID induced recession becomes apparent, as growth in the previous five-year period ending FY 2020 totaled 2.0%, compared to 19.5% from FY 2017-2021. In terms of current dollars, revenue per capita saw a lesser decrease of 3.8% in FY 2020, compared to a decline of 4.4% in inflation adjusted dollars. Both experienced double digit growth of roughly 20.0% in FY 2021.

Analysis: Fluctuations in revenues per capita can be attributed to a steadily increasing population and the lasting effects of the economic downturn just prior to the first few years being examined, as well as the pandemic's recent impact. Prior to FY 2021's property tax growth, fiscal recovery has been a gradual process, with revenues per capita hitting its lowest point in FY 2012, at \$522. During the 10-year period, inflation adjusted revenues have grown 32.0%, compared to inflation adjusted expenditure growth of 3.2%.

Expenditures per Capita

Description: This indicator assumes that changes in *per capita* expenditures reflect fluctuations in the population and compares changes to the rate of inflation. The graph compares nominal (current dollar) and real (constant dollar) data.

Commentary: The graph illustrates that between FY 2012 and FY 2021, actual expenditures per capita in constant dollars increased by 3.2%. In current dollars, expenditures *per capita* have increased at a quicker pace since FY 2017, totaling \$1,385 most recently, resulting in an increase of 4.0% over the duration.

Analysis: The graph illustrates that in current dollars, Metro's expenditures per capita have grown steadily since FY 2014, but in a fiscally responsible manner relative to revenue growth.

A dip in expenditures per capita in both current and constant dollars occurred prior to FY 2012, attributable to the preceding recessionary period and subsequent slow recovery during the same timeframe. A property tax increase in FY 2013 allowed for the restoration of selected expenses following expenditure cuts that were implemented in previous years. An uptick in revenue from other sources, to include local option sales and various state shared taxes has allowed for an expansion in services during the same period. A recognizable correlation exists when comparing current revenues and expenditures per capita since FY 2012, with the exception of FY 2020's understandable reversal due to the virus. Of note is FY 2021's decrease in both current and constant terms, the result of a concerted effort on Metro's part to be opportunistic in achieving cost efficiencies when possible.

Operating Deficits

Description: An operating deficit occurs when current expenditures exceed current revenues. This does not necessarily mean that the budget will be out of balance, since reserves from prior years may be used to cover the difference. However, credit rating firms regard a current year operating deficit as a minor warning signal. Two consecutive years of such deficits indicate that current revenues are not supporting current expenditures and require more attention.

Appendix 7: FTMS

Commentary: Two or more consecutive years of operating fund deficits present a “red flag” with respect to the financial health of Metro Government. While there is some variability over the last ten years, only three resulted in operational deficits of 3.9%, 3.0% and most recently, 1.7%; these finishes occurred in FY 2017, FY 2018 and FY 2020, respectively. These minimal deficits can be attributed to the planned use of fund balances to balance the operating budget, as well as FY 2020’s need to cover revenue losses. Metro managed to reduce fund balance need in FY 2020 by virtue of strong revenue growth prior to the onset of the pandemic, as well as through the implementation of cost efficiency measures in response to it, to include departmental targeted savings and a quickly enacted hiring freeze. FY 2021’s considerable spike can be attributed to Metro’s property tax growth, a quicker than anticipated pandemic recovery, and a Year over year drop in operating expenditures.

Fund Balances

Description: Fund balances can be thought of as reserves. Since some fund balances may be designated for specific projects, it is necessary to differentiate between reserved and unreserved fund balance. Unreserved fund balance is the indicator in this case. Unreserved fund balances enable a government to meet future emergencies. A warning sign occurs when unreserved fund balances decline as a percentage of operating expenditures. This may show an inability to fund emergencies.

Commentary: Fund balance, as a percentage of operating expenditures, improved favorably in FY 2019,

before falling in FY 2020 in response to the pandemic. Metro’s financial management policy pertaining to fund balance had previously established a 5.0% threshold for its three tax-supported operating funds, while state law only requires 3.0% for schools. Following difficulties in FY 2020 associated with the use of nonrecurring revenues and its impediment to a structurally balanced budget, only further exacerbated by the pandemic, management’s sentiment regarding appropriate fund balance levels has shifted. This change is evident in FY 2021’s growth, the result of an intentional decision made by leadership to better align with GFOA’s recommendation of holding not less than 2-3 months of operating revenues in reserves. Despite the noticeable increase, meeting this recommended threshold means that there is still work to do. Nevertheless, the pandemic reinforced the criticality of Metro’s efforts.

Liquidity

Description: Liquidity measures a government’s ability to pay its short-term obligations. Insufficient liquidity will make a government insolvent. In these graphs, liquidity is determined by taking current assets and dividing by current liabilities – a measure known in financial analysis as the current ratio and depicted in the graph below. The quick ratio, shown in the second graph below, takes this a step further by taking the most liquid of assets and dividing them by current liabilities. In this case, it is determined by dividing cash and cash equivalents by accounts payable and accrued payroll.

Appendix 7: FTMS

Commentary: Over the period of analysis, liquidity, as measured by the current ratio, has ranged from a low of 206.5% in FY 2020 to a high of 459.9% in FY 2021. This ratio indicates that Metro has current asset coverage that is greater than four times the requirements of its most immediate obligations. Despite the recent positive turn around, it is worth noting that prior to FY 2021, Metro's liquidity was declining, highlighting the need for the stability gained through property tax growth.

A positive quick ratio indicates that Metro has adequate cash reserves for immediate unexpected needs. The trend illustrated above shows an increase for over half of the ten-year period, with FY 2018's decrease the result of higher than anticipated cash spend. Property tax revenues that fell short of budget in FY 2018 were partially responsible for the decrease, as revenues declined relative to payroll enhancements.

Analysis: Credit rating firms consider liquidity of less than 100% to be a negative factor, which has not occurred over the time period. A positive liquidity position indicates that Metro is not overextended in its financial obligations with current liquidity at more than 5.3 times that recommended level.

Demographic Trends

Municipal fiscal health is related to citizen needs and available resources that are often reflected in economic and demographic indicators.

A greater variety of current demographic information is presented in Appendix 4, "About Nashville."

Population: Population growth has a significant impact on Metro's ability to generate and capture revenue as well as the cost to provide services. Despite a recent pandemic-related blip, the population of Davidson County has increased steadily over the past decade, from 649,619 in 2012 to 703,953 in 2021, an increase of 8.4%.

Unemployment: Over the past decade, Davidson County has maintained low unemployment rates that are parallel to, but generally lower than, national and state-wide figures. The county's unemployment rate during the last decade has ranged from a low of 2.5% in 2019 to a high of 8.0% in 2020, compared with a range of 3.4% to 7.5% for the state and 3.7% to 8.1% nationally during the same periods.

Unemployment rates at the local, state, and national level had previously been on the decline since 2014, following consistently high levels as a result of the global fiscal economic crisis that took hold between 2009 and 2010. Prior to FY 2020, active fiscal policy on the macroeconomic level by the Federal Reserve, decisive action by the U.S. government and nearly ten years of economic expansion resulted in favorable unemployment levels during the last few years of the analysis. The temporary recession created by the pandemic brought with it a number of economic ramifications, and in many cases at record levels. Among these, the labor force was decimated, as the state's record low unemployment of 3.3% ballooned to 15.5% in the span of one month, the result of nearly 400,000 Tennesseans finding themselves out of work. Likewise, a January 2020 to January 2021 comparison of Davidson County's unemployment rate reveals an increase of nearly twice the former's level, indicative of the relative size of Metro's service-providing sector, which has been slowest to recover. These factors are the driving forces in the sudden, and steep, increases illustrated in the chart for FY 2020. As recovery from the pandemic took hold in FY 2021, unemployment levels for all three began to decline.

Despite COVID's decisive economic downturn, going forward, Davidson County's steady economic base is likely to continue to be healthy due to its economic diversification and higher-than-average concentration of jobs in education, health care, and professional and technical services. These industries are prominent on the national level and are projected to experience high growth rates over the next decade and beyond.
