October 21, 2022

TO: All Members of the Film & Television Industry
Members of the Nashville Metropolitan Council
The Nashville Convention and Visitors Corporation
The Nashville Area Chamber of Commerce

FROM: Councilman Robert Swope
Nashville Metropolitan Council

In anticipation of the creation of a Nashville Film & Television Advisory Board, I invite you to a community meeting to discuss the filing of the pending legislation herein attached.

The NFTB Community meeting will be held at 5:00 pm on November 10, 2022 in the Jury Assembly Room on the ground floor of the Historic Metro Courthouse, One Public Square. Parking is available in the Public Square parking garage on James Robertson Parkway, which is under the courthouse.

I welcome all members of the film and television industries to join me in discussing the most appropriate and useful path forward in creating a governing board, and discuss the particulars of the office that will be created to assist all of us locally, and solicit national and international partners within our industry.

I look forward to seeing you on the 10th!

A handwritten signature in blue ink, appearing to read "Rob Swope", with a horizontal line underneath.
