

In the opinion of Bass, Berry & Sims PLC, Nashville, Tennessee, Bond Counsel, based on existing law and assuming compliance with certain tax covenants of the Metropolitan Government, interest on the Commercial Paper Notes (as hereinafter defined) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Internal Revenue Code of 1986, as amended) for the purpose of computing the alternative minimum tax imposed on corporations for tax years beginning after December 31, 2022. For an explanation of certain tax consequences under federal law which may result from the ownership of the Commercial Paper Notes, see the discussion under the heading "TAX MATTERS" herein.

SUMMARY OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT

The following is a summary of certain provisions of the Letter of Credit and of the Reimbursement Agreement. This summary does not purport to be comprehensive or definitive and is subject to all of the terms and provisions of the Letter of Credit and of the Reimbursement Agreement, to which reference is hereby made. Capitalized terms used in this summary but not otherwise defined herein have the respective meanings given to such terms in the Letter of Credit or the Reimbursement Agreement.

General

The Letter of Credit and the Reimbursement Agreement contain various provisions, covenants, and conditions, certain of which are summarized below. The Letter of Credit supporting the Commercial Paper Notes is available solely to pay the maturing principal of and accrued interest due on the maturity date of the Commercial Paper Notes. Terms not otherwise defined in this "SUMMARY OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT" and this Offering Memorandum will have the meanings ascribed thereto in the Letter of Credit or the Reimbursement Agreement.

The Letter of Credit permits, and the Issuing and Paying Agency Agreement requires, the Issuing and Paying Agent, on behalf of the Metropolitan Government, to request the Initial Bank to honor properly

presented and conforming Drawings (as defined in the Letter of Credit) under the Letter of Credit to provide the funds to pay principal of and accrued interest on the Commercial Paper Notes upon the maturity thereof. All Reimbursement Obligations (as defined in the Reimbursement Agreement) under the Reimbursement Agreement will be evidenced by a single Bank Note (the “Bank Note”) issued by the Metropolitan Government to the Initial Bank. The Letter of Credit shall expire at 5:00 p.m., New York City time, on the date (the “Termination Date”) which is the earliest of: (i) December 14, 2027, as such date may be extended in accordance with the terms of the Letter of Credit (the “Stated Expiration Date”), (ii) the date of payment of a Drawing, not subject to reinstatement, which when added to all other Drawings honored under the Letter of Credit which were not subject to reinstatement as provided in the Letter of Credit, in the aggregate equals the principal component of the Stated Amount (as defined below) on the date of issuance of the Letter of Credit as adjusted pursuant to the terms and conditions of the Letter of Credit; (iii) the date on which the Initial Bank receives a termination certificate from the Issuing and Paying Agent indicating that it has accepted an Alternate Credit Facility (as defined in the Reimbursement Agreement), in compliance with the Issuing and Paying Agency Agreement, the Commercial Paper Notes Resolution and the Reimbursement Agreement (after the Initial Bank honors any properly presented and conforming Drawing, if any, on such date); (iv) the date on which the Initial Bank receives a termination certificate from the Issuing and Paying Agent indicating all the Commercial Paper Notes are wholly defeased or no Commercial Paper Notes remain outstanding under the Issuing and Paying Agency Agreement or the Commercial Paper Notes Resolution and the Metropolitan Government has notified the Initial Bank that it does not intend to issue any additional Commercial Paper Notes and desires to terminate the Letter of Credit in accordance with terms of the Reimbursement Agreement; or (v) the earlier of (a) the 10th calendar day (or if such date is not a Business Day, the immediately succeeding Business Day) after the date on which the Issuing and Paying Agent receives from the Initial Bank a Final Drawing Notice (as defined in the Reimbursement Agreement), and (b) the date on which the Drawing resulting from the delivery of the Final Drawing Notice is honored under the Letter of Credit. All Drawings under the Letter of Credit shall be paid from immediately available funds of the Initial Bank.

“Stated Amount” means, as of any date, the maximum amount which by the terms of the Letter of Credit is available to be drawn under the Letter of Credit as of such date. As of the date of issuance, the Letter of Credit shall be in the original stated amount of \$217,753,425 (calculated as the sum of the maximum principal amount of the Commercial Paper Notes supported by the Letter of Credit (i.e., \$200,000,000 plus interest thereon at a maximum rate of twelve percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a year of 365/366 days and the actual number of days elapsed).

Conditions Precedent to Each Issuance

No Commercial Paper Notes shall be issued unless on the date of such issuance, each of the following conditions precedent shall have been fulfilled in a manner satisfactory to the Initial Bank (or waived by the Initial Bank in writing): (a) that all representations and warranties of the Metropolitan Government in the Reimbursement Agreement and each other Related Document (as defined in the Reimbursement Agreement) and, each certificate or other writing delivered to the Initial Bank pursuant to the Reimbursement Agreement or the Related Documents on or prior to the date of such issuance shall be correct on and as of such date as though made on and as of such date, except to the extent a representation or warranty relates specifically to an earlier date (in which case such representation or warranty shall be true and correct as of such date), and no Event of Default or Default shall have occurred and be continuing on such date or would result from such issuance, (b) all conditions precedent for the issuance of the Commercial Paper Notes under the Reimbursement Agreement, the Commercial Paper Notes Resolution and the Issuing and Paying Agency Agreement shall have been satisfied, (c) the Commercial Paper Notes Resolution shall be in full force and effect, (d) no registration, notice, qualification or other filing is required to be made with any Governmental Authority (as defined in the Reimbursement Agreement) in connection

with the issuance of the Commercial Paper Notes or, if required to be made, has been or will be made prior to the date of such issuance, (e) the Initial Bank shall not have given a Stop Order (as defined in the Reimbursement Agreement) or Final Drawing Notice, (f) after the issuance of the Commercial Paper Notes, the aggregate principal amount of all Reimbursement Obligations and all Commercial Paper Notes that will be outstanding immediately after such issuance (and after giving effect to the application of proceeds of such issuance and the Reimbursement Obligations) will not exceed the Stated Amount, and (g) the maturity date of any such Commercial Paper Notes will not occur later than the Business Day immediately preceding the Stated Expiration Date. Unless the Metropolitan Government shall have previously advised the Initial Bank in writing that one or more conditions set forth in clauses (a), (b), (c), (d), (f) and (g) above have not been satisfied, the Metropolitan Government shall be deemed to have represented and warranted that on the date of such issuance or authentication of any Commercial Paper Note the above conditions have been satisfied.

Events of Default and Remedies under the Reimbursement Agreement

The occurrence of any of the following events (including the expiration of any specified time) shall constitute an “Event of Default” under the Reimbursement Agreement unless waived by the Initial Bank in writing:

(a) the Metropolitan Government shall fail to pay (i) any principal of or interest on any Reimbursement Obligations or the Bank Note when due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) (other than payments on the Bank Note due solely as a result of acceleration caused by the Initial Bank pursuant to the Reimbursement Agreement), (ii) any Facility Fee (as defined in the Reimbursement Agreement) or any other amount payable under the Reimbursement Agreement or under the Fee Letter (as defined in the Reimbursement Agreement) and, in the case of such Facility Fee or other amount, such failure shall continue for a period of three (3) Business Days from the date such obligation was due; (iii) interest on any Commercial Paper Notes when due; or (iv) the principal of any Commercial Paper Indebtedness (other than the Commercial Paper Notes) when due;

(b) any representation, warranty, certification, or statement made by the Metropolitan Government in the Reimbursement Agreement, any other Related Document or in any certificate, financial statement, or other document delivered pursuant to the Reimbursement Agreement or any Related Documents shall have been incorrect or untrue in any material respect when made or deemed to have been made;

(c) the Metropolitan Government shall fail to perform or observe certain specified covenants set forth in the Reimbursement Agreement;

(d) the Metropolitan Government shall fail to perform or observe any other covenant, agreement, or condition contained in the Reimbursement Agreement, the Bank Note or any other Related Document (other than as addressed by any other Event of Default in the Reimbursement Agreement) and such failure, if capable of being remedied, shall remain unremedied for thirty (30) days after the earlier to occur of (i) the date on which the Metropolitan Government has actual knowledge thereof or (ii) written notice thereof shall have been given to the Metropolitan Government by the Initial Bank; *provided, however*, such breach shall not constitute an Event of Default after such thirty (30) day period for such period of time as, in the judgment of the Initial Bank, the Metropolitan Government is diligently pursuing a cure or correction of such failure and has provided the Initial Bank with a written plan for curing or correcting such failure, but in no event shall such period extend more than ninety (90) days after the occurrence of such default;

(e) one or more final unappealable judgments or orders, issued or rendered by a Government Authority (as defined in the Reimbursement Agreement) of competent jurisdiction, for the payment of money in excess of \$10,000,000, individually or in the aggregate, shall be issued or rendered against the Metropolitan Government or the System and payable from all or any portion of the Revenues (as defined in the Reimbursement Agreement), and such judgment or order shall continue unsatisfied, unbonded, undismissed and unstayed for a period of sixty (60) days;

(f) the Metropolitan Government shall fail to pay when due and payable (i) any principal of or interest on any Special Revenue Debt (as defined in the Reimbursement Agreement) (including, in each case, without limitation, any principal or sinking fund installments), and such failure shall continue beyond any applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation of or concerning the Special Revenue Debt; or any failure to pay the principal of or interest on any Special Revenue Debt under any indenture, contract or instrument providing for the creation of or concerning such Special Revenue Debt shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such failure to pay the principal of or interest on any Special Revenue Debt is to accelerate, or to permit the acceleration of, the maturity of such Special Revenue Debt or (ii) any principal of or interest on any other Debt (as defined in the Reimbursement Agreement) (other than as referred to in clause (i) of this paragraph (f)) of the Metropolitan Government having a principal amount in excess of \$1,000,000 and such failure shall continue beyond any applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation thereof or any other default under any indenture, contract or instrument providing for the creation of or concerning such other Debt, or any other event, shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such default or event is to accelerate, or to permit the acceleration of, the maturity of such other Debt;

SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES

General

All capitalized terms used within this Offering Memorandum not otherwise defined herein shall have the same meanings ascribed to them in the Commercial Paper Notes Resolution as set forth in **APPENDIX A** attached hereto. See “**APPENDIX A – CERTAIN DEFINITIONS CONTAINED IN THE COMMERCIAL PAPER NOTES RESOLUTION**” attached hereto.

The Commercial Paper Notes and the Bank Note are payable primarily from the proceeds of the water and sewer revenue bonds in anticipation of which the Commercial Paper Notes are being issued.

The principal of and interest on the Commercial Paper Notes and the Bank Note shall constitute and be limited obligations of the Metropolitan Government, payable from and secured solely by a pledge of Revenues of the System, subject to the application thereof pursuant to the terms of the Water and Sewer Bond Resolution (including without limitation to the payment of Operation and Maintenance Expenses) and subject to the prior pledge of the Revenues in favor of the Senior Lien Bonds. The pledge of Revenues in favor of the Commercial Paper Notes and the Bank Note is on parity with the pledge of Revenues in favor of the Extendable Notes.

The Water and Sewer Bond Resolution, which authorizes the issuance and sale of the Senior Lien Bonds, also requires the Metropolitan Government to maintain rates at all times sufficient to provide for the payment of all Operation and Maintenance Expenses, debt service on the Senior Lien Bonds and the payment of interest on the Commercial Paper Notes and the Extendable Notes. Unless the payment of the principal of the Commercial Paper Notes otherwise shall be provided for or on behalf of the Metropolitan Government from proceeds of other Commercial Paper Notes or other available moneys, on or before the respective maturity dates thereof, the Metropolitan Government shall, to the extent and as permitted by law, provide for the issuance, sale and delivery of water and sewer revenue bonds or other obligations of the Metropolitan Government (or otherwise obtain governmental financing) in an amount sufficient to provide for the payment of the outstanding principal of the Commercial Paper Notes at maturity.

All amounts payable to the Bank under a Facility (other than with respect to the principal of and interest on the Bank Note) shall be payable from the Revenues of the System, subject to the provisions of the Water and Sewer Bond Resolution and, if and to the extent permitted by the Act, secured by a pledge of Revenues of the System on parity with the Commercial Paper Notes and the Bank Note.

The Commercial Paper Notes do not constitute a debt or liability of the Metropolitan Government for which there is a right to compel the exercise of the taxing power of the Metropolitan Government.

Remedies and Rights of Holders

The Commercial Paper Notes, when duly issued will constitute a contract between the Metropolitan Government and each registered owner of the Commercial Paper Notes. Any registered owner or owner(s) of the Commercial Paper Notes, including a trustee or trustees for the registered owners, shall have the right, in addition to all other rights: (a) by mandamus or other suit, action or proceeding in any court of competent jurisdiction to enforce his or her rights against the Metropolitan Government and the Metropolitan Council and any officer, agent or employee of the Metropolitan Government, including, but not limited to, the right to require the Metropolitan Government and the Metropolitan Council and any proper officer, agent or employee of the Metropolitan Government to carry out the covenants and agreements as set forth in the Commercial Paper Notes Resolution and to perform its and their duties under the applicable provisions as set forth under the Act; and (b) by action or suit in equity to enjoin any acts or things which may be unlawful or a violation of the rights of such registered owners of the Commercial Paper Notes.

DESCRIPTION OF THE COMMERCIAL PAPER NOTES

General

The Commercial Paper Notes will be dated as of their respective dates of issuance and will bear interest from the dated date thereof. The Commercial Paper Notes: (i) will bear interest payable at maturity at a rate not to exceed twelve percent (12%) per annum, or the maximum rate permitted by applicable law, calculated on the basis of a year consisting of 365/366 days and the actual number of days elapsed; (ii) will mature on a Business Day not later than 270 days after their respective dates of issuance or one Business Day prior to the Termination Date of the Reimbursement Agreement, whichever is earlier; and (iii) when issued, will be sold at a price not less than 100% of the principal amount thereof.

The Commercial Paper Notes will be issued in denominations of \$100,000 or any integral multiple of \$1,000 in excess thereof and, when issued, will be in book-entry-only form and registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York, (“DTC” or the “Depository”). For a description of the book-entry-only system, see “DESCRIPTION OF THE COMMERCIAL PAPER NOTES – Book-Entry-Only Commercial Paper Notes” herein.

The Commercial Paper Notes shall be numbered in such manner as the Issuing and Paying Agent shall determine and shall be issued on such dates and otherwise have such terms and conditions, all as shall be specified by an Authorized Officer of the Metropolitan Government through communicating such intent to the Issuing and Paying Agent, as provided in the Issuing and Paying Agent Agreement.

Both principal of and interest on Commercial Paper Notes shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts. Except in the case of Book-Entry Commercial Paper Notes, principal of and interest on Commercial Paper Notes shall be payable upon presentation and surrender thereof at the Office of the Issuing and Paying Agent.

Book-Entry Commercial Paper Notes

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC and the Metropolitan Government does not make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

DTC will act as securities depository for the Commercial Paper Notes. The Commercial Paper Notes will be issued as fully-registered securities registered in the name of Cede & Co., DTC's partnership nominee, or such other name as may be requested by an authorized representative of DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market instruments that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between accounts of Direct Participants. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants" and, together with the Direct Participants, the "DTC Participants"). The DTC Rules applicable to its Participants are on file with the SEC. More information about DTC can be found at www.dtcc.com.

Purchases of Commercial Paper Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Commercial Paper Notes on DTC's records. The ownership interest of each actual purchaser of each Commercial Paper Note (a "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Commercial Paper Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Commercial Paper Notes, except in the event that use of the book-entry system for the Commercial Paper Notes is discontinued.

To facilitate subsequent transfers, all Commercial Paper Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Commercial Paper Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Commercial Paper Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Commercial Paper Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Commercial Paper Notes may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the

Commercial Paper Notes, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Commercial Paper Notes may wish to ascertain that the nominee holding the Commercial Paper Notes for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Issuing and Paying Agent and request that copies of the notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Commercial Paper Notes unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Metropolitan Government as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Commercial Paper Notes are credited on the record date, as identified in a listing attached to the Omnibus Proxy.

Principal of, premium, if any, and interest payments on the Commercial Paper Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Metropolitan Government or the Paying Agent and Registrar on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants or Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct Participant or Indirect Participant and not of DTC, the Issuing and Paying Agent or the Metropolitan Government, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of, premium, if any, and interest on the Commercial Paper Notes, as applicable, to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC is the responsibility of the Metropolitan Government or the Issuing and Paying Agent. Disbursement of such payments to Direct Participants will be the responsibility of DTC and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Commercial Paper Notes at any time by giving reasonable notice to the Metropolitan Government or the Issuing and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Commercial Paper Notes certificates are required to be printed and delivered.

The Metropolitan Government may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Commercial Paper Notes certificates will be printed and delivered to the Holders of the Commercial Paper Notes.

THE ABOVE INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY ONLY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE METROPOLITAN GOVERNMENT AND THE DEALER BELIEVE TO BE RELIABLE, BUT THE METROPOLITAN GOVERNMENT AND THE DEALER TAKE NO RESPONSIBILITY FOR THE ACCURACY THEREOF. NEITHER THE METROPOLITAN GOVERNMENT NOR THE ISSUING AND PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS, BENEFICIAL OWNERS OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS FOR (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (B) DISTRIBUTION OF CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN THE COMMERCIAL PAPER NOTES; (C) THE PAYMENT BY DTC OR BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OR REDEMPTION OR

PURCHASE PRICE OF, OR INTEREST ON, ANY COMMERCIAL PAPER NOTES; (D) THE DELIVERY OF ANY NOTICE BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (E) THE ELECTION OF THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE COMMERCIAL PAPER NOTES; OR (F) ANY CONSENT GIVEN OR ANY OTHER ACTION TAKEN BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT.

So long as Cede & Co., as nominee for DTC, is the registered owner of the Commercial Paper Notes, references herein to the registered owners of the Commercial Paper Notes shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the Commercial Paper Notes.

LITIGATION

At the time of the original delivery of the Commercial Paper Notes, the Director of Law of the Metropolitan Government, will furnish a certificate stating that there is no litigation then pending, or to his knowledge threatened, affecting the corporate existence or boundaries of the Metropolitan Government, or the titles of its officials to their respective offices, or the validity of the Commercial Paper Notes or the power of the Metropolitan Government to set rates and collect revenues from the System to pay the Commercial Paper Notes.

TAX MATTERS

Federal Taxes

Bass, Berry & Sims PLC, Nashville, Tennessee, is Bond Counsel for the Commercial Paper Notes. Their opinion under existing law, relying on certain statements by the Metropolitan Government and assuming compliance by the Metropolitan Government with certain covenants, is that interest on the Commercial Paper Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and interest on the Commercial Paper Notes is not treated as an item of tax preference in calculating the alternative minimum tax imposed on individuals under the Code; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Code) for the purpose of computing the alternative minimum tax imposed on corporations for tax years beginning after December 31, 2022.

The Code imposes requirements on the Commercial Paper Notes that the Metropolitan Government must continue to meet after the Commercial Paper Notes are issued. These requirements generally involve the way that Commercial Paper Note proceeds must be invested and ultimately used. If the Metropolitan Government does not meet these requirements, it is possible that a Commercial Paper Note holder may have to include interest on the Commercial Paper Notes in its federal gross income on a retroactive basis to the date of issue. The Metropolitan Government has covenanted to do everything necessary to meet these requirements of the Code.

A Commercial Paper Notes holder who is a particular kind of taxpayer may also have additional tax consequences from owning the Commercial Paper Notes. This is possible if a Commercial Paper Notes holder is:

- an S corporation,
- a United States branch of a foreign corporation,
- a financial institution,
- a property and casualty or a life insurance company,
- an individual receiving Social Security or railroad retirement benefits,
- an individual claiming the earned income credit or
- a borrower of money to purchase or carry the Commercial Paper Notes.

If a Commercial Paper Notes holder is in any of these categories, it should consult its tax advisor.

Bond Counsel is not responsible for updating its opinion in the future. It is possible that future events or changes in applicable law could change the tax treatment of the interest on the Commercial Paper Notes or affect the market price of the Commercial Paper Notes. See also “Changes in Federal and State Tax Law” below under this section.

Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel on the federal income tax treatment of interest on the Commercial Paper Notes, or under State, local or foreign tax law.

State Taxes

Under existing law, the Commercial Paper Notes and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Commercial Paper Notes during the period the Commercial Paper Notes are held or beneficially owned by any organization or entity, or other than a sole proprietorship or general partnership doing business in the State of Tennessee and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Commercial Paper Notes in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

Changes in Federal and State Tax Law

From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Commercial Paper Notes or otherwise prevent holders of the Commercial Paper Notes from realizing the full benefit of the tax exemption of interest on the Commercial Paper Notes. Further, such proposals may impact the marketability or market value of the Commercial Paper Notes simply by being proposed. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to Commercial Paper Notes issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Commercial Paper Notes. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Commercial Paper Notes would be

impacted thereby. Purchasers of the Commercial Paper Notes should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Commercial Paper Notes, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

In such capacity, we have examined the law and such certified proceedings and other documents as we deemed necessary to render this opinion, including, but not limited to, Resolution No. RS2022-1845 (the “Resolution”) authorizing the issuance and sale of the Notes. As used herein, the term “Notes” shall also mean any Rollover Commercial Paper Notes (as defined in the Resolution) issued for the purpose of paying the principal of the Notes. The terms used herein, but not defined herein, shall have the respective meanings given such terms in the Resolution.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify such facts by independent investigation.

Based on the foregoing, we are of the opinion, as of the date hereof, as follows:

1. The Notes have been duly authorized, executed and issued in accordance with the constitution and laws of the State of Tennessee and are valid and binding obligations of the Metropolitan Government, enforceable in accordance with their terms.
2. The Resolution authorizing the Notes has been duly and lawfully adopted, is in full force and effect and is the valid and binding agreement of the Metropolitan Government enforceable in accordance with its terms.
3. The Notes constitute limited obligations of the Metropolitan Government, payable from and secured solely by a pledge of the revenues of the Metropolitan Government’s water and sewer system, subject to costs of operating the system and subject to prior pledges of such revenues in favor of (a) the Metropolitan Government’s Water and Sewer Revenue Bonds Federally Taxable, Series 2010B (Build America Bonds – Direct Payment); Water and Sewer Revenue Bonds Federally Taxable, Series 2010C (Recovery Zone Economic Development Bonds); Water and Sewer Revenue Bonds, Series 2013; Water and Sewer Revenue Bonds, Series 2017A (Green Bonds); Water and Sewer Revenue Bonds, Series 2017B; Water and Sewer Revenue Bonds, Series 2020A; Water and Sewer Revenue Bonds, Series 2020B; State Revolving Fund Loans Nos. 2020-223, 2020-224 and 2020-446; Water and Sewer Revenue Bonds, Series 2021A (Green Bonds); Federally Taxable Water and

Sewer Revenue Refunding Bonds, Series 2021B (Green Bonds) and Water and Sewer Revenue Bond, Series 2022 (WIFIA ID – N20115TN) (collectively, the “Prior Lien Bonds”) and (b) any other long-term bonds hereafter issued by the Metropolitan Government on parity with the Prior Lien Bonds. The pledge of revenues to the payment of the Notes is on parity with the pledge in favor of the Metropolitan Government’s Water and Sewer Revenue Extendable Commercial Paper Notes, 2015 Program.

4. Interest on the Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and interest on the Notes is not treated as an item of tax preference in calculating the alternative minimum tax imposed on individuals under the Code; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Code) for the purpose of computing the alternative minimum tax imposed on corporations for tax years beginning after December 31, 2022. The opinion set forth in the preceding sentence is subject to the condition that the Metropolitan Government comply with all requirements of the Code that must be satisfied subsequent to the date hereof in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Metropolitan Government has covenanted to comply with all such requirements. Failure to comply with certain of such requirements could cause interest on the Notes to be so included in gross income retroactive to the date of issuance of the Notes. Except as set forth in this paragraph, we express no opinion regarding other federal tax consequences arising with respect to the Notes.
5. Under existing law, the Notes and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on all or a portion of the interest on the Notes during the period such Notes are held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Notes in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is to be understood that the rights of the owners of the Notes and the enforceability of the Notes and the Resolution may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors’ rights generally and by equitable principles, whether considered at law or in equity.

We express no opinion herein as to the accuracy, adequacy or completeness of the Offering Memorandum relating to the Notes.

This opinion is given as of the date hereof, and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,
