RESULTS OF REVIEW	7

INTRODUCTION

The Office of Financial Accountability (hereinafter referred to as “OFA”) has completed a monitoring review of Nashville Public Education Foundation (hereinafter referred to as “NPEF”). A monitoring review is substantially less in scope than an audit. The OFA did not audit the financial statements and, accordingly, does not express an opinion or any assurances regarding the financial statements of the NPEF or any of its component units. The OFA is responsible for the internal monitoring of Metropolitan Government of Nashville and Davidson County (hereinafter referred to as “Metro”) agencies that receive federal and state financial assistance, including cooperative agreements and non-profit organizations that receive Direct Appropriations and Community Partnership Funds from Metro government. In summary, any agreement(s) that imposes performance and/or financial requirements on Metro government is subject to review by the OFA.

The purpose of this review was to assess the agency’s compliance with contractual requirements set forth in the following contract with Metro Government:

Contract	Type	Amount	Contract Term	
L-4924	Direct Appropriation	\$137,500	July 1, 2021	June 30, 2022

Agency Background

The Nashville Public Education Foundation is chartered as a public benefit corporation under the Tennessee Nonprofit Corporation Act. The NPEF was formed by a group of corporate and civic leaders for the purpose of improving public education in Nashville, Tennessee. The organization focuses on supporting teachers and leaders to build schools where all kids thrive. To help accomplish their mission, the agency focuses on the following three goals:

- 1) Help recruit, develop, and retain great and diverse educators in Nashville,
- 2) Celebrating successes and spreading the word about all the great things happening in schools every day,
- 3) pushing for systemic change that will break down inequities in our schools and city.

OBJECTIVES, SCOPE AND METHODOLOGY

The objectives of our review were:

- 1) To determine whether the agency had the resources and capacity to administer the grant funds.
- 2) To determine if costs and services were allowable and eligible.
- 3) To verify that program objectives were met.
- 4) To test the reliability of the financial and programmatic reporting.
- 5) To verify contractual compliance.

The scope of our review was limited to the contract term July 1, 2021 through June 30, 2022.

The monitoring review procedures included meeting with agency management and staff, reviewing board minutes and obtaining written representations from management. In addition, we examined certain financial records and supporting documentation necessary to ensure compliance with contractual requirements set forth in contract L-4924. Specific procedures included:

- Interviewing the employees responsible for grant management, financial reporting and accountability.
- Reviewing supporting documentation of expenditures for allowability, necessity and reasonableness.
- Reviewing the agency's general ledger and verifying the accuracy of all invoices submitted to Metro.
- Reviewing documentation to determine that funds were used for intended beneficiaries and expended in accordance with the spending plan of the contract.
- Reviewing documentation to support program activities for consistency with grant requirements.
- Assessing the financial stability of the agency and its ability to continue to administer the grant program funded by Metro.

RESULTS OF REVIEW

The overall results of the monitoring review are provided in this section. Results are based on testwork performed and include conclusions regarding specific review objectives and, if applicable, recommendations for improvement and an action plan for implementation. Where applicable, the Findings and Recommendations section of this report provides more insight into any issues identified below.

1. Sufficient Resources and Capacity to Administer Grant Funds

Our review of the agency's accounting system and the qualifications of the individuals assigned to manage the accounting records indicate that the agency possesses the necessary resources and professional expertise to effectively administer the grant funds.

2. Allowable and Eligible Costs and Services

Our review covered all the core compliance areas identified by 2 CFR Part 200: *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Additionally, the Metro Grants Manual requires separate accounting of the Metropolitan Nashville Government grant funds to prevent co-mingling of Metro Funds with other sources of funding. The agency was in compliance with this requirement. Different revenue classes as well as expenditure classes have been established to separately track the sources and amounts of funding. Also, the agency can easily and accurately report their expenses supported by the Metro Appropriation.

Based on our test work, costs and services during the period were allowable and eligible.

3. Program and Performance Objectives

The contract stipulates that the agency shall use the funds to provide the following services:

RESULTS OF REVIEW

- 1) NPEF will produce the fifth annual Bridge to Completion report on MNPS graduates' college access and success and will hold up to three presentations on the findings in the report for city and district leaders.
- 2) NPEF will lead a study of non-certificated, support positions in Metro Schools. Findings from the study will be used to guide changes to salary structure for the 2022-2023 school year.

Based on our review of program documentation and discussions with staff, the program performance objectives were met, and the agency was in compliance with contractual program objectives.

4. Reliability of Financial and Programmatic Reporting

The contract requires submission of an annual audit report performed by a Certified Public Accountant. The contract also requires the agency to submit to Metro an interim program report by February 15, 2022, and year end reports of the program outcomes and a final expenditures report, no more than 45 days after the close of the contract.

We reviewed all applicable financial and programmatic reports required by the contract, including audited financial statements. Based on our review, the agency complied with all financial and programmatic reporting requirements.

5. Civil Rights Requirements

Our review did not reveal anything to indicate that the agency was noncompliant with civil rights requirements. The agency also has necessary written policies and procedures relating to civil rights. The agency has not received any complaints regarding any form of discrimination. Further, civil rights and ADA postings are publicly displayed.
