

METROPOLITAN NASHVILLE POLICE DEPARTMENT PUBLIC RECORDS POLICY

PURPOSE:

Pursuant to Tenn. Code Ann. § 10-7-503(g), every governmental entity subject to the Tennessee Public Records Act ("TPRA") (Tenn. Code Ann. § 10-7-501 et seq.), must establish a written public records policy properly adopted by the appropriate governing authority by July 1, 2017. The policy adopted shall not impose requirements on those requesting records that are more burdensome than state law and shall include:

- The process for requesting access to public records and any required form(s);
- The process for responding to requests, including redaction practices;
- A statement of any fees charged for copies of public records and the procedures for billing and payment; and
- The name or title and contact information of the individual or individuals designated as the Public Records Request Coordinator(s).

Pursuant to Tenn. Code Ann. § 8-4-604(a)(1)(4), the Office of Open Records Counsel ("OORC") is required to establish a model best practices and public records policy for use by a records custodian in compliance with Tenn. Code Ann. § 10-7-503. The following Model Public Records Policy serves as guidance for records custodians and their respective governmental entities in developing a public records policy and fulfilling their duties under the TPRA. The OORC encourages and will provide assistance for governmental associations and groups to develop model public records policies tailored to their specific governmental entity subgroup.

POLICY:

PUBLIC RECORDS POLICY
FOR
METROPOLITAN NASHVILLE POLICE DEPARTMENT

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy for the Metro Nashville Police Department is hereby adopted by the Metro Government of Nashville & Davidson County, Tennessee to provide economical and efficient access to public records as provided under the Tennessee Public Records Act ("TPRA") in Tenn. Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county and municipal records shall, at all times during business hours, which for public inspection shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this State, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. See Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the public records of the Metro Nashville Police Department are presumed to be open for inspection unless otherwise provided by law.

Personnel of the Metro Nashville Police Department shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of the Metro Nashville Police Department, shall be protected as provided by current law. Concerns about this Policy should be addressed to the Public Records Request Coordinator for the Metro Nashville Police Department or to the Tennessee Office of Open Records Counsel ("OORC").

This Policy is available for inspection and duplication in the Central Records Division of the Metro Nashville Police Department. This Policy is posted online at www.nashville.gov/Police-Department/Administrative-Services/Records. This Policy shall be reviewed every two (2) years.

This Policy shall be applied consistently throughout the various offices, departments, and/or divisions of Metro Nashville Police Department with the following exception

- a. The MNPD Public Affairs Office may receive, be provided, and process some substantive requests utilizing their own policy of completion and distribution, while complying with all applicable laws and policy. Access to documentation of compliance with the MNPD Public Records Policy will be available to the Public Records Request Coordinator (PRC) upon request for compliance review.

 - b. If the records requested are described with sufficient specificity to identify them; and
 - c. If the governmental entity is the custodian of the records.
2. The PRRC or designee shall acknowledge receipt of the request and take any of the following appropriate action(s):

 - c. If appropriate, contact the requestor to see if the request can be narrowed.
 - d. Forward the records request to the appropriate personnel in the appropriate MNP Division in order to obtain the appropriate records.

If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
- 2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form which is attached, based on the form developed by the OORC.
- 3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Public Records Request Response Form.
- 4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the public records production letter to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.

5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC.
