

Attention Metro Employees:

Now your QuickTicket transit card is good aboard the WeGo Star!

The QuickTicket card as part of WeGoRide is valid aboard the WeGo Star Commuter train. This includes Riverfront, Donelson, Hermitage stations and Wilson County stations.

Simply tap the validator on any platform and present your active QuickTicket card and employee ID to the train conductor when requested. You will also need to tap your card aboard the bus when riding the shuttle between Riverfront Station and downtown. The shuttle picks up and drops off at Riverfront Station and covers downtown offices along its route. If you need to reach other Metro Office locations, you can transfer at MTA's WeGo Central to a connecting bus. Simply use your QuickTicket card.

Don't have an transit card?

1. Go to www.nashville.gov
2. Find "Employment" drop down screen; click on "Human Resources Home"
