Such wrongful use is grounds for the Commissioner to revoke the taxpayer's Certificate of Registration.**

Tax Returns

All sales and use tax returns must be filed and associated tax payments made electronically to the Department. Taxpayers may do this at <https://tntap.tn.gov/eservices/>. Taxpayers should file the sales and use tax return according to their filing frequency on the 20th day of the month following the reporting period. If your business opens after the 20th of the month, you may report sales made during the remaining days of the month with the next reporting period. In order to avoid penalty and interest charges, all returns must be filed and all associated tax payments must be made on or before the due date for the reporting period. Taxpayers should always file a return for their business, even if they do not make any sales during a reporting period.
