7. UNFINISHED BUSINESS

7.1 CD Approval of TPAC Ride Share Pilot

- Megan Mathis and Brent Schultz with NDOT are looking for approval from this commission to allow a Ride Share Pilot at TPAC to take place from Jan 28th to Feb 23rd, 2025. The hope is to gain data from this pilot that can be analyzed and used to create rideshare zones throughout downtown. Discussions were had surrounding adding additional crosswalks in the area, the implementation of a trip fee in the future and the data elements that will be collected. Miranda Smeck with HDR provided clarification to questions surrounding the proposed pilot. For clarification NDOT's recommendation for item 7.1 is that the commission approve the following: "The Metropolitan Traffic and Parking Commission by motion. Approve the TPAC Rideshare Pilot program as described in the TPAC Rideshare PowerPoint presented/submitted to the commission at the Jan 13, 2025, meeting and that commission further approves and authorizes NDOT Director and staff to take all actions necessary to implement the TPAC Rideshare Pilot Program". Commissioner Gibbs moved to approve the TPAC Rideshare Pilot program. Captain Proctor seconded the motion. The motion was approved with no objections.

Traffic and Parking Commission Authority:

Chapter 9 of the Metropolitan Charter, Sec. 11.904. - Function of commission as to traffic regulation.

For the purpose of making the roads, streets and other public ways safe for pedestrians, motorists and others, and for the purpose of facilitating the flow of traffic thereon, the commission is hereby authorized to adopt and publish traffic regulations, including the erection of proper signs necessarily and properly connected with or incident to the following:

(a)The location and time when parking shall be limited.(b)Places where parking shall be prohibited entirely or only during certain hours.(c)The establishment of stop sign controls for through streets or isolated intersections.(d)The establishment of traffic signal controls.(e)The direction in which traffic may use any street or portion of a street.(f)Restrictions on the size of vehicles using certain streets.(g)The establishment of speed zones upon metropolitan streets and roads based upon the findings of the commission. When such zones are properly signposted, the speed indicated on the signs shall be the legal speed limit.

Such traffic regulations adopted by the commission shall take effect five (5) days after they have been published in a daily newspaper of general circulation within the area of the metropolitan government and after a certified copy thereof has been filed with the metropolitan clerk and the chief of police. Such regulations, when so adopted, shall have the force and effect of an ordinance, and shall be enforced by the metropolitan police. The metropolitan council shall provide by ordinance for the punishment of violators of such traffic regulations and shall fix proper and adequate fines and penalties.
