**COMPLAINANT:** Det. Michael Collazo (Metropolitan Nashville Police Department)

Special Assistant to the Director Melvin S Brown Jr

**SUBPOENA:** Atef Adelmaseh (Owner)

Bolis Boktar (Former Owner of Star Market 16-20354)

Baseem Farag

**PRIOR VIOLATIONS:** N/A**LAST INSPECTION DATE:** 3/29/24**RESULTS:** Passed (Initial Inspection)**STAFF RECOMMENDATION:** REVOCATION**Notes:**

The attorney representing the permit holder, Adam Dread, entered a guilty plea with an explanation, acknowledging some responsibility while providing context for the Board's consideration.

The following individuals were sworn in:

- Det. Michael Collazo (MNPd)
- Melvin S Brown Jr (Special Assistant to the Director)
- Atef Adelmaseh (Permit Holder)
- Bolis Boktar (Property Owner)
- Baseem Farag (Property Owner)
- Adam Dread (Attorney representing permit holder)

Inspector Brown provided the Board with a brief overview of the case before introducing Detective Collazo of the MNPd, who was handling the criminal case against the property owners.

Detective Collazo summarized the events leading to the criminal charges, which resulted in the location being padlocked. He further informed the Board that the court had reached a plea agreement with the property owners, placing them on probation and requiring them to sell the property, among other conditions.

The attorney representing the permit holder and property owners provided additional details on the court proceedings and the stipulations imposed, emphasizing that the owners were effectively on probation and required to sell the property. One of the stipulations is that the location must have licensed security present. Mr. Dread urged the Board to consider the penalties already imposed by the

court and requested that, rather than revoking the beer permit, the permit holder be allowed to voluntarily surrender it.

The Board engaged in discussion and posed questions to both Mr. Dread and Detective Collazo. Ms. Jarmon clarified that there were no prior violations against the beer permit holder that had been brought before the Board within a 2-year period. However, Detective Collazo informed the Board that many of the violations uncovered during his investigation had occurred after the current permit holder, Atef Adelmaseh, took over the location. The Board was also informed that since the location was padlocked, the call volume to MNPd has dropped to only 8 calls for service.

Following a thorough discussion, the Board voted to suspend the beer permit for 11 months and 29 days, after which the permit must be surrendered. Additionally, the Beer Board Office staff was directed to flag the location and the owner, ensuring that any future applications for this location or from this owner be brought before the Board for review prior to issuing a new beer permit.

Motion: Mr. Conway made a motion for the following: 11mo/29days Suspension; Surrender Beer Permit

First: Mr. Conway

Second: Ms. Jarmon

Opposed or Abstained: None

Mr. Conway left upon completion of the previous hearing at 7:07 PM. There was still a quorum, so the meeting continued.

The attorney representing the permit holder, Adam Dread, entered a guilty plea with an explanation, acknowledging some responsibility while providing context for the Board's consideration.

The following individuals were sworn in:

- Melvin S Brown Jr (Special Assistant to the Director)
- Amal Mena (Permit Holder)
- Bolis Boktar (Property Owner)
- Baseem Farag (Property Owner)
- Adam Dread (Attorney representing permit holder)

Detective Daniels provided the Board with a brief summary of the events that led to this hearing, which consisted of undercover operations where an informant was used to sell illegal items to this location for the purpose of resale at a much higher price than they were purchased at. Det. Daniels also informed the Board that throughout the several months these operations took place, he never once saw the permit holder, Amal Mena, at this location. However, he did see the property owners, Baseem Farag and Bolis Boktar, running the day-to-day business at this location throughout this investigation.

The permit holder's attorney, Adam Dread, provided an explanation stating that they do not argue the fact that these events occurred, but informed the Board that as part of the plea deal with the property owners, they are not to be involved in the day-to-day operation of this business.

After a brief discussion, the Board voted to uphold the recommendation by staff to issue a 14-day suspension, followed by 90 days of probation.

**LAST INSPECTION:** Recheck 30 – 90 Days

**RESULTS:** N/A

**STAFF RECOMMENDATION:** \$4000 Civil Penalty or 21 Day Suspension and 120 Days Probation.

**Notes:**

Matthew Gilpin, the area coordinator for 7-Eleven, pled guilty to both cases, #29 and #30.

There was a brief discussion between the Board and Matthew Garth (Metro Legal) regarding whether both cases should be considered together. Mr. Garth recommended that the Board handle the cases separately to avoid any confusion.

The following individuals were sworn in for both trials, #29 and #30:

- Darrell Hardrick Sr. (ASO III)
- Melvin S. Brown Jr. (Special Agent to the Director)
- Matthew Gilpin (Area Coordinator)

**Trial #29:**

Mr. Hardrick read his report detailing the events of the beer buy operation at this location on or about June 14, 2024. The Board was also informed that the previous citation that was issued had a discrepancy. The original citation included the following violations: 1) T.C.A 57-5-301(A)(1); 2) M.C.L. 7.08.140(R), which were corrected after staff received the Inspector's report. Those violations have been removed and the recommended civil penalty adjusted.

Mr. Gilpin informed the Board that there was a lengthy delay between the date of the violation and when the Inspector's report was received by 7-Eleven Inc's legal team. Mr. Hardrick explained that he

had been on personal leave for some time and was unable to provide the reports requested until he returned to work.

**Trial #30:**

Mr. Brown provided a brief overview of the events that occurred during the beer buy operation at this location on or about October 30, 2024.

Mr. Gilpin informed the Board that at his level, he did not receive the citation for the previous violation until after this second violation occurred because his legal team had been waiting to receive the Inspector's report. He made the Board aware that he may have been able to implement measures to prevent the second violation if he had been made aware of the first violation.

Mr. Gilpin informed the Board that after this violation occurred, the clerk who sold to the minor was terminated. Although the Board doesn't recommend this, it is a 7-Eleven Inc. policy to immediately terminate the employee and the company is legally binded to take these actions according to what their legal team told Mr. Gilpin. Mr. Gilpin informed the Board that this location is now required to scan an ID before the sale of beer can be made. They no longer have the ability to override the system, which may cause the location to lose revenue, but should prevent this from happening again.

**Motion:** Ms. Jarmon made a motion to issue a \$2,500 civil penalty for #29 and a \$2,500 civil penalty for #30, or the option to serve a 14-day suspension, followed by 90 days of probation concurrently.
