# February Report Highlights

All of the Affordable Gap loan units are online as part of 10 projects. The initial projection for the creation of Affordable Housing Gap Financing units was 102, but ultimately 182 units were created.

Alternately, housing move-ins have slowed due to limited voucher access. The amazing community efforts have increased the voucher utilization rate to 100%. As the community celebrates this achievement, it also needs to develop other models for housing that are not dependent on vouchers as they are a limited resource and the community's ability to house the most vulnerable and provide case management and all supportive services has outpaced the supply of vouchers.

In March, representatives from Austin, Texas will be visiting Nashville to share how they have increased permanent supportive housing in their community by 1,200 units in one year. They will be presenting at the Public Health and Safety Committee meeting as well.

# OHS Cold Weather Overflow Shelter

- 1,477 unique individuals served
- The average guest has utilized the shelter for 6 nights
- 475 (32%) are experiencing chronic homelessness
- 81 (5%) are veterans
- The average age of individuals utilizing the shelter is 48
  - 49 (3%) youth under age 25
  - 105 (7%) individuals age 65 or older
- 49% of individuals have at least one disabling condition
  - 282 (19%) have only one disabling condition
  - 179 (12%) have two disabling conditions
  - 263 (18%) have three or more disabling conditions
- 21% are survivors of domestic violence
- 688 (47%) of the guests who have come to cold weather shelter were not served by any other program in HMIS in November, December, January, or February thus far, so do not appear to be working with any service providers
- 27 guests who have stayed at the shelter have moved into permanent housing so far this winter

\*Launch Pad operated a youth specific Mobile Housing Navigation Center through a partnership with Community Care Fellowship through December 2024. All funding for this program is distributed through Community Care Fellowship.

\*\*Prior to receiving ARP funds, Community Care Fellowship received CARES (Coronavirus Aid, Relief, and Economic Security) funding to operate their shelter programs. A recent review of these programs showed that an error had been made in identifying the ending date of the CARES funding and the beginning of the ARP funding. As such, the number served under the ARP funding has been edited to reflect the correct number served.

## Nashville Community Homelessness & Housing Data, January 2025

Data Source: The Nashville-Davidson County Homeless Management Information System (HMIS). HMIS is a *shared community database* that collects data on households experiencing homelessness and programs intended to end homelessness. HMIS includes data from **45 participating service providers** in Nashville; including emergency shelters, transitional housing, street outreach, supportive services, and permanent housing programs. The Office of Homeless Services is the HMIS Lead Agency responsible for administering the HMIS and associated reporting.

The data below fluctuate month to month based on varying levels of community participation in HMIS and street outreach coverage. Any changes from month to month may or may not reflect true changes in homelessness.

**3,270 people** experienced homelessness in Nashville in **January 2025**. These 3,270 people were in **2,806 households**; **248 families** and **2,558 adult only households**. Over the past 12 months, **10,572 unique people** have experienced homelessness in Nashville.

**Increased Data Collection:** As of November 2024, HMIS includes data from the Metro Cold Weather Shelter and Nashville Rescue Mission for the first time. While our system and community adjusts to this improvement in data collection, the data from these programs will be separated from our regularly reported data. The numbers below reflect the number of people experiencing homelessness served by Metro Cold Weather Shelter and the Nashville Rescue Mission since the month of November 2024. These numbers cannot be added to the above **3,270** to create an unduplicated total. As we improve data quality and strengthen the connection between HMIS and the Nashville Rescue Mission, we expect to see these numbers increase.

In **January 2025**, **1,191 people** were served by the Metro Cold Weather Shelter. **1,662 people** were served by the Nashville Rescue Mission in HMIS.

## Nashville Community Homelessness & Housing Data, January 2025

The numbers below reflect the month of **January**. The arrows represent increases or decreases since the month of **December**.

In **January**, 51% of people experiencing homelessness were Black, 40% were White, 4% were Hispanic/Latino, 3% were Multiracial, and 2% were other.

In **January**, 62% of people experiencing homelessness were men, 37% were women, <1% were non-binary, 1% were transgender, and <1% were other.

### Housing Data

**115 people** experiencing homelessness were housed in Nashville in **January 2025**. These 115 people were in **79 households**; **14 families** and **65 adult only households**. Over the past 12 months, **1,902 people** have been housed in Nashville.

## Nashville Community Homelessness & Housing Data, January 2025

Of the people who moved into housing in Nashville in the month of **January**:

**23 households** were housed with friends and family in **January**, followed by **11 households** who were housed with Permanent Supportive Housing, and **11 households** who were housed with no subsidy.

The top agencies who housed the most households in **January** were: **Oasis Center** (17), **Operation Stand Down** (11), and **Room In The Inn** (10).

Of the people who were permanently housed in **January**, 47% were Black, 36% were White, 9% were Hispanic/Latino, 7% were Multiracial, and 0% were other.

Of the people who were permanently housed in **January**, 53% were men, 45% were women, 0% were non-binary, 0% were transgender, and 0% were other.
