P.O. Box 291621

Nashville, TN 37229

FROM THE CHAIR

It is with great pride that I present to you the Friends of MACC highlights from 2024. This year, we continued to see a high number of animals entering our shelter. Throughout this period of growth, the dedication and compassion of the Metro Animal Care and Control (MACC) staff have been nothing short of inspiring as they provide the best care possible in challenging circumstances. The generosity and support of our community have also grown, and I want to extend my deepest gratitude for your unwavering commitment to our mission. Together, we are making a real difference in the lives of homeless animals in Nashville.

While we celebrate our successes, we remain mindful of the work that still lies ahead. The challenges continue to grow, and our efforts must evolve to meet them. Moving forward, we are focused on expanding our initiatives, including increasing our work to reduce the pet population, providing resources for the growing number of animals entering the shelter, and continuing to support MACC's vital microchip and vaccine clinics. I am confident that with your continued support, we will not only overcome these challenges but also create a lasting impact for the animals who depend on us. On behalf of Friends of MACC, thank you for your dedication and partnership. Together, we are changing lives, one animal at a time.

Becky Carter, Friends of MACC. Board Chair
