WASHINGTON, DC 20410-7000

May 16, 2025

Dear CoC Builds Applicants,

On May 16, 2025, the U.S. Department of Housing and Urban Development (HUD) published a Continuum of Care (CoC) Builds Notice of Funding Opportunity (NOFO). The CoC Builds NOFO announces \$75 million in competitive funding provided through the 2023 Consolidated Appropriations Act. ***This NOFO supersedes the CoC Builds NOFO published July 19, 2024, and includes several changes. Applicants that applied under the previously published NOFO must submit a new application under this NOFO through e-snaps.*** Applications received before the publication of this NOFO will not be considered for funding unless resubmitted under this recently published CoC Builds NOFO.

The recently published CoC Builds NOFO provides access to urgent funding and is aligned with the President's Executive Orders and the goals of the Administration.

Applications will undergo merit review by a panel to ensure that Federal funding serves individuals and families experiencing homelessness and exercises careful stewardship of taxpayer funds.

In the coming months HUD will make \$100 million of FY 2024 CoC Builds Funds available through a separate competitive CoC Builds NOFO. If you have any questions, please contact Norm Suchar, Director, Office of Special Needs Assistance Programs at Norman.A.Suchar@hud.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Fernandez".
