# June Report Highlights

OHS hosted a State of Homelessness Symposium on June 4 that drew nearly 300 attendees. Several national experts spoke, including Dr. Richard Cho (formerly of HUD and the US Interagency Council on Homelessness), Dr. Sam Tsemberis (creator of the Housing First philosophy), Rosanne Hagerty (CEO of Community Solutions), and Major Ethan Frizzell (Area Commander Southwest Florida, Salvation Army). Mayor Freddie O'Connell conducted a town hall, answering questions that had been submitted by symposium attendees.

HUD recently opened submissions for the 2025 Point in Time (PIT) Count. Nashville submitted data collected on the night of January 23, which included over 100 volunteers that physically canvassed the entire city to count the number of unsheltered people. Nashville recorded 2,180 people experiencing literal homelessness, a 4.1% increase from 2024. Of those, 602 were unsheltered, sleeping outdoors, in vehicles, or in other places not meant for human habitation. Last year, homelessness increased 18% nationwide.

OHS, in partnership with community organizations, has successfully concluded housing efforts at the Anthes Drive site. A total of 107 individuals were housed, including 48 pets. Of those, 16 were placed in permanent housing. RV owners were offered towing and storage support. OHS teams, along with Hospitality Hub and other service providers, are delivering wraparound support.

On May 21, OHS engaged an outside facilitator to conduct a community-wide, interactive, day-long session to evaluate how we can grow as leaders and as a team. This session discussed navigating conflict, managing emotions, working through challenges, and recognizing when we're stuck. Over 65 people registered for the event and OHS intends to engage the facilitator in ongoing follow-up consultation.

## Affordable Housing Gap Financing (AHGF) Program Updates:

- In total, the AHGF program awarded **\$16,617,591.67** to create **102 AHGF units** while providing needed gap financing to projects that will create **810 affordable units**.
- Unobligated funds (**\$7,551,528.75**) were remitted to the Barnes Housing Trust Fund for Permanent Supportive Housing (PSH) and deeply affordable housing projects as outlined in Council Resolution RS2022-1696 (amended by RS2024-240), effective April 1, 2024.
- Negotiations are in process with Shelby House to resolve funding and housing concerns.

\*Launch Pad operated a youth specific Mobile Housing Navigation Center through a partnership with Community Care Fellowship through December 2024. All funding for this program is distributed through Community Care Fellowship.

\*\*Prior to receiving ARP funds, Community Care Fellowship received CARES (Coronavirus Aid, Relief, and Economic Security) funding to operate their shelter programs. A recent review of these programs showed that an error had been made in identifying the ending date of the CARES funding and the beginning of the ARP funding. As such, the number served under the ARP funding has been edited to reflect the correct number served.

## Nashville Community Homelessness & Housing Data, May 2025

Data Source: The Nashville-Davidson County Homeless Management Information System (HMIS). HMIS is a *shared community database* that collects data on households experiencing homelessness and programs intended to end homelessness. HMIS includes data from **48 participating service providers** in Nashville; including emergency shelters, transitional housing, street outreach, supportive services, and permanent housing programs. The Office of Homeless Services is the HMIS Lead Agency responsible for administering the HMIS and associated reporting.

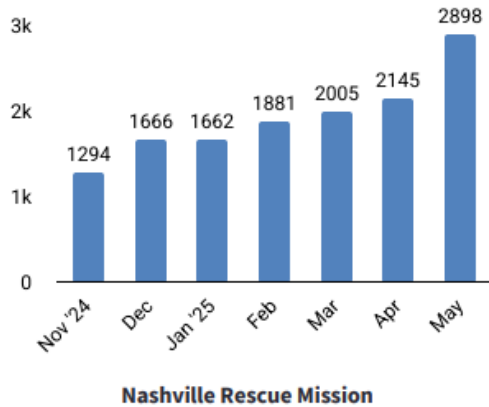

The data below fluctuate month to month based on varying levels of community participation in HMIS and street outreach coverage. Any changes from month to month may or may not reflect true changes in homelessness.

**3,334 people** experienced homelessness in Nashville in **May 2025**. These 3,334 people were in **2,777 households**; **239 families** (including 435 children) and **2,538 adult only households**. Over the past 12 months, **10,407 unique people** have experienced homelessness in Nashville.

**Increased Data Collection:** As of November 2024, HMIS includes data from the Nashville Rescue Mission for the first time. While our system and community adjusts to this improvement in data collection, the data from these programs will be separated from our regularly reported data. The numbers below reflect the number of people experiencing homelessness served by the Nashville Rescue Mission since the month of November 2024. These numbers cannot be added to the above **3,334** to create an unduplicated total. As we improve data quality and strengthen the connection between HMIS and the Nashville Rescue Mission, we expect to see these numbers increase.

In May 2025, **2,898 people** were served by the Nashville Rescue Mission in HMIS.
