

PERMANENT GROUND SIGNS

NOTES:

SINCE CONSTRUCTION IDENTIFICATION SIGN(S) OF METRO WATER SERVICES ARE CONSIDERED TEMPORARY, WE HAVE PERMISSION TO USE THE ROAD RIGHT-OF-WAY PROVIDED THE SIGN IS ERECTED PARALLEL TO THE ROADWAY. (THIS IS, EDGEWISE TO ONCOMING TRAFFIC)

HOWEVER SHOULD THE OCCASION ARISE TO ERECT THE SIGN(S) PERPENDICULAR TO THE ROADWAY, THE "PERMANENT GROUND SIGN" CRITERIA FOR NONRESIDENTIAL AND MIXED-USE DISTRICTS WILL BE IN EFFECT.
