Terrence Darby informed the Board that Agenda Item #27, Fostering Joy, could not proceed as scheduled because the required fire inspection was not completed in time to issue the permit before the event on September 20th. Consequently, the applicant has requested to withdraw the application.

Chairman Brian Taylor inquired about the purpose of withdrawing the application at this stage. Mr. Darby explained that the withdrawal is primarily for record-keeping purposes: to indicate that the permit was not issued and to ensure that any prorated privilege tax associated with the application is reversed. Application #27 will be moved to Section V of the minutes to reflect its withdrawal.
