

The NFD-EMS has 34 full-time ALS ambulances that are equipped with the latest most advanced life-saving equipment available.

Nashville Fire EMS serves all of the City of Nashville and Davidson County, an area of roughly 526 square miles and a population of close to a million people!

With over 17 million visitors to the Nashville area every year, NFD-EMS is one of the busiest departments in the country.

NFD-EMS typically responds to over 150,000 calls annually.

With a rural and urban overlay, NFD-EMS personnel experience a variety of scenarios and are always advancing their skills to be the best in the Nation.
