

The mission of the Nashville Fire Department is to provide high quality fire, medical, and rescue emergency responses and community support services to the citizens and visitors of Nashville and Davidson County.

The Nashville Fire Department (NFD) serves the City of Nashville and Davidson County, an area of roughly 526 square miles and a population close to a million people. With 40 Fire Stations, 40 Engine Companies, 13 ladder companies and 4 heavy rescue trucks, all carrying the latest technology, the NFD is ready for any scenario!

Over 17 million tourists visited the Nashville area in 2023, making the NFD one of the busiest departments in the country.
