October Report Highlights

OHS hosted a 5K on October 3 at Ravenwood Park to support the Metro Makes a Difference campaign. The event was a success with 44 runners and walkers. Overall, OHS raised over \$2,000 and every member of the OHS team donated, making us one of only four Metro departments with 100% participation!

A delegation of 75 officials from Oklahoma City are visiting Nashville as a Sister City to learn from Nashville's innovations. They are meeting with several Metro departments to discuss everything from transit to city planning to homelessness. OHS, the HPC Chair, and other providers will be meeting with this delegation to discuss the significant investment and impact Nashville has made in the realms of housing and homelessness and to share best practices as OKC plans to improve their system.

Staff from OHS, the Mayor's Office, Room in the Inn, and Metro Council met with the Nashville Rescue Mission today to discuss ways in which Metro can provide support to them. As the largest emergency shelter in Nashville, the Nashville Rescue Mission serves a critical role in our community, and Metro is committed to problem solving to ensure that the Rescue Mission can continue serving some of Nashville's most vulnerable residents without exceeding their capacity.

OHS has been working with Metro Water, local stakeholders, and the landowners to offer services to unhoused individuals in an encampment on Cement Plant Road. A 30-day notice was given to the eight individuals residing on the property a little over a week ago. OHS has successfully housed seven of these individuals and is actively working to provide services to the last individual remaining on the property.

OHS is busy cultivating partnerships for the Cold Weather Shelter. Meharry, Mental Health Cooperative, and the Metro Public Health Department will all be providing trained, clinical staff on-site at the shelter to respond to emergency medical and mental health needs.

There are many opportunities to engage with OHS in our work. OHS and Nashville Fit Magazine are hosting a community resource fair at Proclamation Church on November 20 that is open to service providers and our unhoused neighbors. OHS is also hosting a clothing donation drive for the Cold Weather Shelter on November 4th for anyone that is interested in donating cold weather clothing.

Affordable Housing Gap Financing (AHGF) Program:

- Under MDHA's oversight, the AHGF program awarded a total of **\$16,617,591.67** to create **88 AHGF units** while providing needed gap financing to projects that created **735 affordable units**.
- Unobligated funds (**\$7,551,528.75**) were remitted to the Barnes Housing Trust Fund for Permanent Supportive Housing (PSH) and deeply affordable housing projects as outlined in Council Resolution RS2022-1696 (amended by RS2024-240), effective April 1, 2024.
- The Barnes Housing Trust Fund awarded a total of **\$7,551,528.75** to create **80 AHGF units** while providing needed gap financing to a project that created **120 affordable units**.

*Launch Pad operated a youth specific Mobile Housing Navigation Center through a partnership with Community Care Fellowship through December 2024. All funding for this program is distributed through Community Care Fellowship.

**Prior to receiving ARP funds, Community Care Fellowship received CARES (Coronavirus Aid, Relief, and Economic Security) funding to operate their shelter programs. A recent review of these programs showed that an error had been made in identifying the ending date of the CARES funding and the beginning of the ARP funding. As such, the number served under the ARP funding has been edited to reflect the correct number served.

Nashville Community Homelessness & Housing Data, September 2025

Data Source: The Nashville-Davidson County Homeless Management Information System (HMIS). HMIS is a *shared community database* that collects data on households experiencing homelessness and programs intended to end homelessness. HMIS includes data from **47 participating service providers** in Nashville; including emergency shelters, transitional housing, street outreach, supportive services, and permanent housing programs. The Office of Homeless Services is the HMIS Lead Agency responsible for administering the HMIS and associated reporting.

The data below fluctuate month to month based on varying levels of community participation in HMIS and street outreach coverage. Any changes from month to month may or may not reflect true changes in homelessness.

3,585 people experienced homelessness in Nashville in **September 2025**. These 3,585 people were in **2,918 households**; **284 families** (including 537 children) and **2,634 adult only households**. Over the past 12 months, **11,620 unique people** have experienced homelessness in Nashville.

Increased Data Collection: As of November 2024, HMIS includes data from the Nashville Rescue Mission for the first time. While our system and community adjusts to this improvement in data collection, the data from these programs will be separated from our regularly reported data. The numbers below reflect the number of people experiencing homelessness served by the Nashville Rescue Mission since June 2025. These numbers cannot be added to the above 3,585 to create an unduplicated total. As we improve data quality and strengthen the connection between HMIS and the Nashville Rescue Mission, we expect to see these numbers increase.

In September 2025, 1,422 people were served by the Nashville Rescue Mission in HMIS.
