

Dear Nashville Neighbors,

As we prepare for “The 59th Annual CMA Awards” on Wednesday, November 19, at Bridgestone Arena, we want to take a moment to thank you for your continued partnership and patience during this exciting week in downtown Nashville.

Each year, the CMA Awards brings together artists, songwriters, producers, and industry professionals to honor the best in Country Music. It’s a privilege for us to host this special night right here in the heart of the city so many in our community call home. Nashville’s support is what makes it possible for us to celebrate the people and stories that shape our genre.

To help you prepare, we’ve included important information regarding road closures and support contacts. Our goal is to ensure you have the details you need to navigate the week smoothly and to minimize any disruption to your business or residence.

Thank you again for your understanding and for helping us showcase Nashville as the home of Country Music.

Warmly,
Sarah Trahern
Chief Executive Officer
Country Music Association
