I. CALL TO ORDER

II. PUBLIC COMMENT PERIOD

- III. 10-25-02** The Nashville Predators request approval of a lease agreement for the portion of the Centennial Sportsplex that includes both ice rinks and the concession area. Under the proposed lease, the team would assume operational control of this area in a manner consistent with its management of the two Ford Ice Centers. In consideration, the Predators would be responsible for major capital improvements at the beginning and throughout the lease term, as well as all insurance costs for the leased premises. Metro would also receive a share of the net revenue generated from ice rink operations. Council District 21.

- 11-25-06** Staff requests approval of a dedicated Conservation Greenway Easement on property at 552 MISTY CREEK CT. NASHVILLE, TN 37207, Map and Parcel #032160B90400CO, along Little Creek. This greenway easement will conserve 3.13 acres of open space and provide for future expansion of the Whites Creek Greenway network. The easement dedication will provide conservation of open space and greenway right-of-way along Little Creek to expand public access to greenway in the community. This is consistent with plans outlined in Plan2Play for open space acquisition and greenway development. The easement dedication was a condition of the Planning Commission's approval of the final plat for Heritage Creek Phase 6, 2019S-068-006. Council District 3.

- 11-25-08** Legacy South LLC request approval for a dedicated stormwater sewer easement and approval to construct associated stormwater infrastructure across a portion of Reservoir Park.
