# November Report Highlights

HUD released its CoC Notice of Funding Opportunity (NOFO) last Thursday night. This NOFO has major policy changes, including a shift away from permanent housing solutions toward transitional housing and an emphasis on substance use treatment, participation requirements, and time-limited services. The Performance Evaluation Committee (PEC) is meeting tomorrow to discuss the implications of this NOFO, particularly given its abbreviated timeline. OHS staff have been attending nationwide trainings and is setting up community planning sessions to prepare for significant funding changes.

The HUD NOFO is proposing cuts of up to 70% of funding. It also caps funding for permanent housing, including permanent supportive housing and rapid re-housing, at 30% of the total amount of funding for each community. In Nashville, this means that up to 400 households could lose their housing, totaling over 800 people.

On November 6, Nashville hosted a screening of *Beyond the Bridge*, a documentary focusing on the highly effective services provided by the cities of Houston and Milwaukee. This event was followed by a panel discussion that included staff from Safe Haven, Freeman Webb, OHS, an advocate with lived experience, and Council Member Delishia Porterfield. We highly encourage everyone to watch this powerful documentary.

OHS is working closely with community partners and MNPd to serve individuals at an encampment at Bell Road and I-24. OHS staff are connecting these individuals to recovery and treatment resources, along with pathways to housing. OHS staff are at the site from Monday through Friday offering Coordinated Entry updates, housing referrals, and building rapport with the residents.

OHS is partnering with WeGo to disperse Journey Passes to unhoused community members. These passes last for three years and are available to anyone who is entered into the HMIS database or can present a letter from a service provider verifying their homelessness status. Other interested community members may access Journey Passes through Metro Action and Social Services. OHS has passed out over 100 Journey Passes in the last week.

OHS hosted the first two nights of the city's Overflow Emergency Cold Weather Shelter last week. The attendance was 156 individuals on the first night and 213 on the second. OHS has new partnerships with Meharry and the Metro Public Health Department to provide on-site medical services and we are working to provide on-site behavioral health services for shelter residents.

## Affordable Housing Gap Financing (AHGF) Program:

- Under MDHA's oversight, the AHGF program awarded a total of **\$16,617,591.67** to create **88 AHGF units** while providing needed gap financing to projects that created **735 affordable units**.
- Unobligated funds (**\$7,551,528.75**) were remitted to the Barnes Housing Trust Fund for Permanent Supportive Housing (PSH) and deeply affordable housing projects as outlined in Council Resolution RS2022-1696 (amended by RS2024-240), effective April 1, 2024.
- The Barnes Housing Trust Fund awarded a total of **\$7,551,528.75** to create **80 AHGF units** while providing needed gap financing to a project that created **120 affordable units**.

\*Launch Pad operated a youth specific Mobile Housing Navigation Center through a partnership with Community Care Fellowship through December 2024. All funding for this program is distributed through Community Care Fellowship.

\*\*Prior to receiving ARP funds, Community Care Fellowship received CARES (Coronavirus Aid, Relief, and Economic Security) funding to operate their shelter programs. A recent review of these programs showed that an error had been made in identifying the ending date of the CARES funding and the beginning of the ARP funding. As such, the number served under the ARP funding has been edited to reflect the correct number served.

## Nashville Community Homelessness & Housing Data, October 2025

Data Source: The Nashville-Davidson County Homeless Management Information System (HMIS). HMIS is a *shared community database* that collects data on households experiencing homelessness and programs intended to end homelessness. HMIS includes data from **47 participating service providers** in Nashville; including emergency shelters, transitional housing, street outreach, supportive services, and permanent housing programs. The Office of Homeless Services is the HMIS Lead Agency responsible for administering the HMIS and associated reporting.

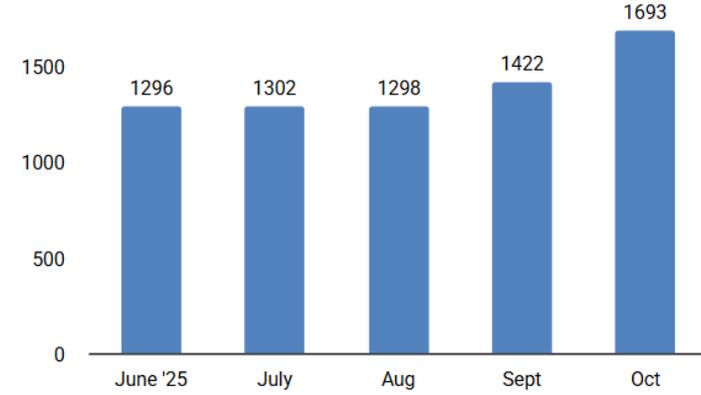

*The data below fluctuate month to month based on varying levels of community participation in HMIS and street outreach coverage. Any changes from month to month may or may not reflect true changes in homelessness.*

**3,448 people** experienced homelessness in Nashville in **October 2025**. These 3,448 people were in **2,833 households**; **263 families** (including 508 children) and **2,570 adult only households**. Over the past 12 months, **11,528 unique people** have experienced homelessness in Nashville.

**Increased Data Collection:** As of November 2024, HMIS includes data from the Nashville Rescue Mission for the first time. While our system and community adjusts to this improvement in data collection, the data from these programs will be separated from our regularly reported data. The numbers below reflect the number of people experiencing homelessness served by the Nashville Rescue Mission since June 2025. These numbers cannot be added to the above 3,448 to create an unduplicated total. As we improve data quality and strengthen the connection between HMIS and the Nashville Rescue Mission, we expect to see these numbers increase.

In **October 2025, 1,693 people were served by the Nashville Rescue Mission in HMIS.**
