December Report Highlights

Last month, HUD issued a Notice of Funding Opportunity (NOFO) that outlined dramatic changes to the Continuum of Care program, including a deemphasis of Housing First, a focus on treatment, and a shift from permanent to transitional housing. Metro joined a number of cities, states, and agencies, including the National Alliance to End Homelessness, in filing a lawsuit against HUD in response to this NOFO.

Last Monday, less than one hour prior to the first hearing scheduled in the case, HUD rescinded the NOFO and promised to issue a new NOFO in its place, though they did not indicate when or what that NOFO might contain. The next hearing in the case is scheduled for this Friday.

OHS has been leading conversations with CoC-funded agencies about potential funding disruptions since February. Since the NOFO was issued, OHS has convened weekly meetings for this purpose. Each CoC-funded agency has submitted a contingency plan to OHS and we are working on compiling an updated community impact report.

Nashville's annual Point in Time Count is scheduled for the night of January 22, 2026. On this night, volunteers will manually count all the people sleeping on the streets, in cars, or in other places not meant for human habitation to count the number of people experiencing homelessness.

The annual Homeless Memorial will be taking place this Saturday, November 20, at Riverfront Park. This event honors those we have lost while experiencing homelessness in Nashville this year. The names of the decedents will be read and attendees will share remembrances of the friends we have lost this year.

This Friday, OHS staff will be celebrating the holidays by participating in a food drive at Strobel House. After last month's pause in SNAP benefits, OHS staff have donated food to restock the clients' kitchens so that they have plenty of food to celebrate the holidays.

Affordable Housing Gap Financing (AHGF) Program:

- Under MDHA's oversight, the AHGF program awarded a total of **\$16,617,591.67** to create **88 AHGF units** while providing needed gap financing to projects that created **735 affordable units**.
- Unobligated funds (**\$7,551,528.75**) were remitted to the Barnes Housing Trust Fund for Permanent Supportive Housing (PSH) and deeply affordable housing projects as outlined in Council Resolution RS2022-1696 (amended by RS2024-240), effective April 1, 2024.
- The Barnes Housing Trust Fund awarded a total of **\$7,551,528.75** to create **80 AHGF units** while providing needed gap financing to a project that created **120 affordable units**.

*Launch Pad operated a youth specific Mobile Housing Navigation Center through a partnership with Community Care Fellowship through December 2024. All funding for this program is distributed through Community Care Fellowship.

**Prior to receiving ARP funds, Community Care Fellowship received CARES (Coronavirus Aid, Relief, and Economic Security) funding to operate their shelter programs. A recent review of these programs showed that an error had been made in identifying the ending date of the CARES funding and the beginning of the ARP funding. As such, the number served under the ARP funding has been edited to reflect the correct number served.

All data as of 1/31/25

UPDATE: April 2025

Final Spending Update:

	Total Funds	Spending as of 1/31/25	Remaining Funds	Funding End Date
Community Care Fellowship ARP*	\$4,542,355.00	\$4,542,354.99	\$0.01	10/4/2024
The Salvation Army	\$4,457,645.00	\$4,433,475.41	\$24,169.59	10/31/2024
Total Funding**	\$9,000,000.00	\$8,975,830.40	\$24,169.60	

*Spending by Community Care Fellowship encompasses the combined spending for the Community Care Fellowship and Launch Pad Mobile Housing Navigation Centers.

**Total Funding includes only ARP funding and not the previously awarded CARES funding.

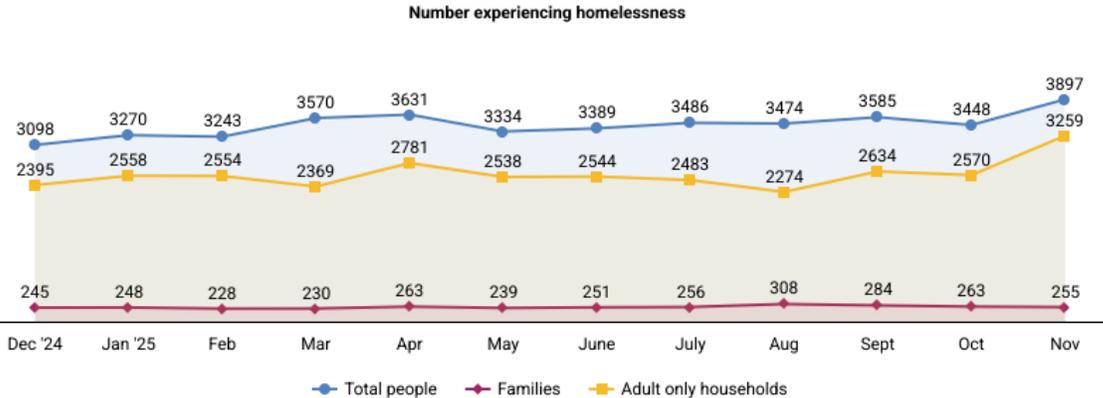

Totals based on all invoices received for expenses occurring through 1/31/25

Nashville Community Homelessness & Housing Data, November 2025

Data Source: The Nashville-Davidson County Homeless Management Information System (HMIS). HMIS is a *shared community database* that collects data on households experiencing homelessness and programs intended to end homelessness. HMIS includes data from **47 participating service providers** in Nashville; including emergency shelters, transitional housing, street outreach, supportive services, and permanent housing programs. The Office of Homeless Services is the HMIS Lead Agency responsible for administering the HMIS and associated reporting.

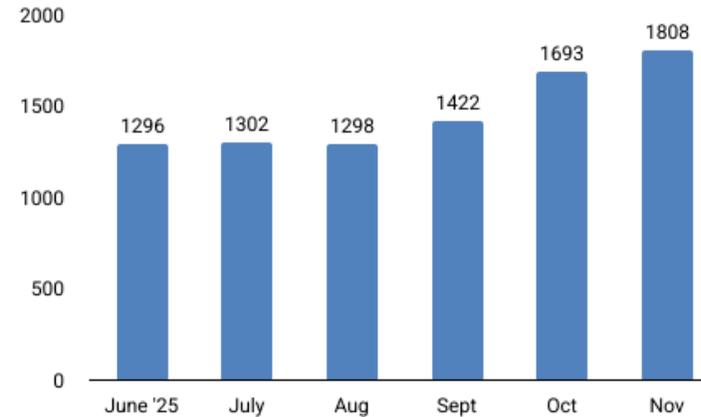

The data below fluctuate month to month based on varying levels of community participation in HMIS and street outreach coverage. Any changes from month to month may or may not reflect true changes in homelessness.

3,897 people experienced homelessness in Nashville in **November 2025**. These 3,897 people were in **3,259 households**; **255 families** (including 513 children) and **3,004 adult only households**. Over the past 12 months, **11,788 unique people** have experienced homelessness in Nashville.

Increased Data Collection: As of November 2024, HMIS includes data from the Nashville Rescue Mission for the first time. While our system and community adjusts to this improvement in data collection, the data from these programs will be separated from our regularly reported data. The numbers below reflect the number of people experiencing homelessness served by the Nashville Rescue Mission since June 2025. These numbers cannot be added to the above 3,897 to create an unduplicated total. As we improve data quality and strengthen the connection between HMIS and the Nashville Rescue Mission, we expect to see these numbers increase.

In November 2025, 1,808 people were served by the Nashville Rescue Mission in HMIS.

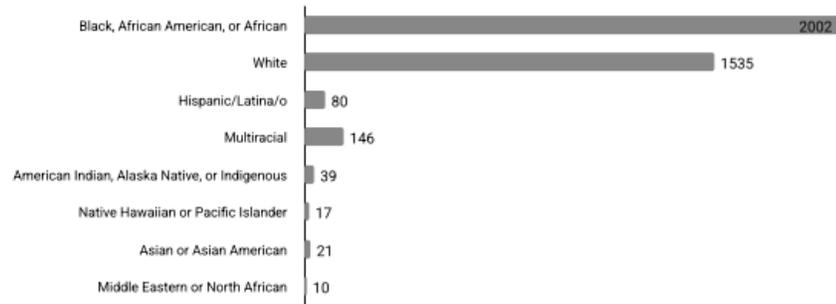

Nashville-Davidson County HMIS, 12.1.24-11.30.25. Prepared by the Office of Homeless Services.

Nashville Homelessness Data
