These two (2) parcels were originally heard by the independent MBOE on Tuesday April 7, 2026, at 1PM. The independent MBOE rendered a decision for both parcels totaling \$52,930,000. Upon review by Quality Control from the Office of the Assessor of Property, it was determined that Parcel 391 had an Assessor Recommendation signed by the independent MBOE. However, this information was not made available at the time of this appeal being heard, therefore, the value determined by the independent MBOE was not able to be inputted into the CAMA system since a value was already in the system. The independent MBOE determined that the value determined on April 7, 2026, specifically for parcel 391 should be \$20,475,000, keeping the overall value of \$52,930,000.
