

Budget Equity Tool FY 2025

Office of Diversity, Equity, and Inclusion

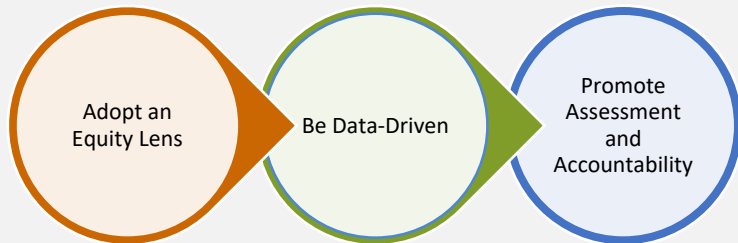

BET Questions

1 Are there budget modifications for departmental programs that address the needs of underserved or disadvantaged communities?

2 Are there budget modifications that will promote diversity, equity, and inclusion among department staff?

3 Are there any budget modifications that will enhance outreach to Metro residents or increase accessibility to departmental services and information?

4 Provide a general characterization of any remaining budget modifications that do not align with the previous three questions. Please group together similar or related modifications.

Key areas of focus

- Identify areas where Metro wide policies are needed in place of single budgetary requests
- Identify and establish strategic partnerships with ODEI
- Foster collaborations and alignment with community partners
- Assist departments with data practices and assessment
