

Interpersonal Violence Working Group
Meeting Agenda
Monday, June 8, 2026, 4:00 PM
Committee Room 2, Metro Courthouse

Welcome and Opening Remarks

Councilmember Jordan Huffman, Chair, Public Health & Safety Committee

Purpose of Meeting

Discuss next steps for public awareness efforts focused on interpersonal violence, domestic violence, human trafficking, and available survivor resources.

Review of Proposed PSA

Review and discuss the PSA currently being proposed, including:

- Overall message and tone
- Survivor-centered language
- Accuracy of resource information
- Visual design and readability
- Accessibility and language considerations
- Suitability for placement in bathrooms, transit facilities, and other public-facing Metro spaces

Main Discussion: Funding for Metro Government Bathroom PSAs

Discussion of funding needs and implementation plan for placing interpersonal violence resource PSAs in Metro Government bathrooms, including:

- Estimated cost for design, printing, installation, and replacement
- Number of Metro facilities and bathrooms to be included
- Content, messaging, and resource information to be displayed
- Languages and accessibility considerations
- Maintenance and replacement process
- Departmental coordination and implementation timeline

Discussion: PSAs on WeGo Properties and Buses

Discussion of potential public awareness placements through WeGo

Partner Feedback and Recommendations

Opportunity for working group members and community partners to provide input on messaging, survivor-centered language, placement strategy, and resource information.

Next Steps

Identify responsible parties and immediate action items, including:

- Discussing future expansion opportunities with community and agency partners
- Continuing discussions with WeGo
- Establishing a timeline for launch

Closing Remarks and Adjournment
