Meeting Information

Meetings are recorded. The audio recording and meeting minutes are public records and are used by the Office of Support to prepare official meeting minutes.

Public Comment: Individuals wishing to speak during the Public Comment portion of the meeting are asked to sign the speaker sheet located at the front of the room.

Providing your name or HIV status is voluntary. Please note that all meetings are audio recorded by the Office of Support for the purpose of preparing official meeting minutes. Both the audio recordings and the meeting minutes are public records. If you choose to state your name or HIV status, that information will become part of the public record.

*****All Meetings Are Recorded*****

Individuals who wish to identify as a person living with HIV without providing their name may simply state, "*I am a person living with HIV*," before sharing their comments.

Representatives of organizations should identify the agency they represent. Individuals employed by an organization but speaking in a personal capacity should indicate they are participating as an individual and not on behalf of their employer.

Written public comments may also be submitted to the Council Secretary, who will read them into the record during this portion of the meeting.

The Council Chair reserves the right to limit public comments to one (2) minutes per speaker. Council members and staff are reminded that this portion of the meeting is intended to hear comments from the community and is not intended for dialogue or questions.
