REQUEST FOR WATER & SEWER AVAILABILITY

Projects that require **3,500 Gallons Per Day of flow or more** must submit a check for **$880.00** made payable to Metro Water Services for this study. Please note, this study will take approximately 15 working days to complete.

The original permit will be valid for **90 days** and may be **requested** to be updated three times (90 additional days per update) at no cost. The permit will be **void** if it has not been updated within this time frame.
