NASHVILLE PLANNING

MEMO

TO: MEMBERS OF THE METRO PLANNING COMMISSION

FROM: METRO NASHVILLE PLANNING DEPARTMENT – Celina Konigstein

SUBJECT: ITEM 17 – Updated Metro Water Services Conditions

DATE: November 12, 2026

Following publication of the report for Item 17 (Case No. 2026S-148-001), Planning staff noted that the recommendation for Metro Water Services was incorrectly published as "return for corrections" where it should have been "approve with conditions." The conditions of approval remain the same: "Attached is a copy of the above-referenced subdivision (uploaded by Planning on October 16, 2026) on which we have noted our comments and recommend approval for Water only defer to Metro Health Department for Septic Systems."
