BMI Awards will be taking place on Tuesday 11/17, they are wanting to utilize the street for valet and pick up drop off as done in years past. They have notified all businesses surrounding and no parking lots, etc are impacted as they all have additional entrances to utilize. The closure is a soft closure from 7 am- 4 pm and becomes a BMI event only starting at 5 pm. All streets are back open by 12:30 am, and emergency personnel will always be able to drive through as needed no setup is in the roadway.

Permit #
2026087886

Scope of Work

We are running an event in the private parking lot of 2500 12t Ave S, Nashville, TN 37204, USA. This pop-up event will include a 10' W x 24' L x 8.5' H temporary structure that needs to be loaded in via the alley between Lala Links and Urban Grub restaurant. This temporary structure is split into 3 modules that measure at 10' L x 8' W x 8.5' H. These will be transported using a step-down- flatbed trailer at 40' in length. We plan to remove each module from the flatbed using a forklift. They will be brought off the trailer and into the parking lot, at which point we will reposition them. Expected amount of time in the alley is 1-hour - 1.5 hours at most. Our driver wi be stationed inside the truck at all times so if someone is trying to get by, we can move the truck immediately.

There will also be two spotters on either side of the truck watching for cars. The same process is required for both November 10th and November 15th.

Load-in: November 10th @ 6:00 AM - 8:00 AM
Load-out: November 15th @ 8:00 PM - 10:00 PM

2026092027

To temporarily close a designated portion of 11th Avenue North between two Mt. Zion Baptist Church properties during our Harvest of Hope Food Outreach event. Mt. Zion's two properties are situated on opposite sides of 11th Avenue North. The event will involve preparing and distributing meals and food supplies to members of the surrounding community, individuals experiencing homelessness, and other predetermined recipients. The temporary road closure is necessary to establish a safe pedestrian passage between the two properties and minimize the risk of vehicle-related accidents during event operations.

Throughout the event, volunteers and staff will need to travel repeatedly between the buildings while performing the following activities:

1. Preparing and packaging meals and food supplies.
2. Loading vehicles with food and supplies for transportation t local community agencies and predetermined recipients.
3. Coordinating the distribution of food to individuals arriving a the event by vehicle (drive-up distribution).
4. Transporting supplies, equipment, and prepared meals between the two properties.

Closing the designated portion of 11th Avenue North to through traffic will eliminate the need for volunteers and staff cross an active roadway while carrying food, supplies, and equipment. This measure will significantly reduce pedestrian exposure to moving vehicles and provide a safer, more controlled environment for event operations.

Mt. Zion Baptist Church respectfully requests NDOT's assistance with the following:

1. Traffic Control Signage: Provide two (2) ROAD CLOSED (R11-2) signs, measuring 48 inches x 30 inches.
2. Barricades: Provide two (2) A-frame barricades to support the placement and secure positioning of the road closure signs.

7 a.m. - 2 p.m.
